6 WEEKS BEFORE MOVE

- Sort/purge: donate unwanted items to charity
- Separate and list valuables; determine values for insurance purposes
- Get estimates and hire movers
- Transfer children's school records
- Obtain medical records; look for doctors in new neighborhood and transfer records
- Make travel/moving arrangements for family and pets
- Consult insurance agents to find out if policy changes are necessary

3 WEEKS BEFORE MOVE

- Get moving supplies and start packing
- Label each box and the room where it's destined for
- Clear safety deposit box
- Measure furniture to ensure it fits through tight spaces (doorway/elevator)
- Contact/hire painters
- Contact cable and utility companies
- If necessary, arrange storage unit
- Visit new neighborhood and locate nearby grocery stores, gas stations, etc

1 WEEK BEFORE MOVE

- Confirm movers and travel plans
- Complete change of address. Notify employer, bank, credit cards, friends & family
- Defrost/clear freezer
- Clean rugs
- Pack overnight bag (clothes, toiletries, valuables, and important documents)
- Start packing your "last box" (garbage bags, soap, toilet paper, paper towels, shower liners/hooks, cleaning supplies)

MOVING DAY

- Plan food for family/pets and movers
- Walk through old home; lock windows, turn off lights
- Pay movers at new home. Have cash to tip movers (10-15% total fee)
- Check for damaged/lost items
- Roll out carpet protector in new home
- Clean new house
- Start unpacking, beginning with your "last box"

AFTER MOVE

- Line shelf paper
- Stock pantry/groceries
- Organize kitchen drawers and cabinets
- Load dishwasher
- Measure and install window treatments
- Set up lighting/extension cords
- Have tools ready to assemble furniture
- Set up internet and cable
