the Condominium. The rights of the Developer as provided for in this paragraph shall cease and terminate ten (10) years from the date of the recording of this Declaration in the Office of the Judge of Probate of Baldwin County, Alabama.

PROPORTIONATE CHANGES IN COMMON EXPENSES, COMMON SURPLUS AND VOTING RIGHTS

19 01 In the event of any one or more of the units are not rebuilt by reason of the loss of lands as a result of destruction, condemnation or otherwise, and therefore the number of units is reduced, or in the event the number of units is reduced because of its lien as heretofore provided, or an entity has acquired title to a unit as a result of owning a mortgage upon the unit concerned, whether by deed from the mortgagor or through foreclosure proceedings, then the proportionate share of the common expenses and of the common surplus and the voting rights of each unit shall be increased by adding to each remaining unit their proportionate percentages of ownership out of the percentages of ownership of the units so reduced.

TERMINATION

20 01 The condominium may be terminated in the manner provided by the Alabama Uniform Condominium Act, provided, however, that in the event of termination, each unit shall be subject to the payment of a share of the common expenses as heretofore defined, subject to increase as provided in Paragraph 21 hereof.

EMINENT DOMAIN

21 01 Partial Taking Without Direct Effect on Units If part of the condominium shall be taken or condemned by any authority having the power of eminent domain in such manner that no unit is taken, compensation and damages for and on account of the taking of the common elements, exclusive of compensation for consequential damages to affected units shall be payable to the Association as Trustee for all unit owners and mortgagees of record according to the loss or damages to their respective interests in the common elements. The Association, acting through its Board of Directors, shall have the right to act on behalf of the unit owners with respect to the taking and compensation affecting the common elements, without limitation of the right of the unit owners to represent their own interests. Such proceeds shall be paid to the Association and shall be used promptly to the extent necessary for restoring or replacing improvements so taken on the remaining property in a substantial compliance with the original plans and elevations of the improvements as soon as possible and so as to restore the general value of the condominium. In the event such restoration or reconstruction is impossible or impractical, or in the event there is an award in excess of the amount necessary to so substantially restore or reconstruct the common elements, the amount of such award or the excess, as the case may be, shall be distributed by the Association to the unit owners in proportion to their share of undivided interest in the common elements.

Nothing herein shall be deemed to prevent unit owners whose units are affected by the taking or condemnation from joining in the condemnation proceedings and petitioning on their behalf for damages relating to loss of value of the affected units, or personal improvements therein, exclusive of damages related to the taking of common elements. In the event the condemnation award does not allocate damages to specific units, but includes an award for reduction in value of the units without such allocation, the award shall be distributed to the affected unit owners and mortgagees of record in proportion to each unit owner's undivided interest in the common elements.

21.02 Partial or Total Taking Directly Affecting Units If part or all of the condominium shall be taken or condemned by any authority having the power of eminent domain in such manner that any unit or part thereof is taken, the Association shall have the right to act on behalf of the unit owners with respect to common areas as in subsection 1 of this Paragraph 21, and the proceeds shall be used or distributed as outlined therein. The Association, acting through its Board of Directors, shall have the right to act on behalf of the unit owners affected with respect to the negotiation and litigation of the issues with respect to the taking and compensation affecting the taken area, without limitation on the right of the unit owners to represent their own interests. The awards so made shall be used by the Association first to restore the units and improvements on the remaining common elements in the same manner as provided for restoration or reconstruction under Paragraph 14 of this Declaration, to the extent possible attempting to rebuild buildings containing new units of the same number, size and basic plan as the units taken, and with any excess award distributed as provided in subsection 1 of this Paragraph 21. In the event that the Board of Directors determines that such a taking so removed land and buildings containing units that they cannot effectively restore or replace substantially in compliance with the building plans, and unless seventy-five percent (75%) of the units vote to accept an alternative plan, the award shall be distributed as provided in subsection 01 of this Paragraph 21.

21.03 Notice to Mortgagees The Board of Directors, immediately upon having knowledge of the institution or threat of institution of any proceedings or other action with respect to the taking of condominium units, the common elements or any portion of any condominium unit or common element in condemnation, eminent domain or other proceeding or actions involving any unit of government or other entity having the power of eminent domain, shall notify mortgagees holding liens of record on any of the units. Any such mortgagee may, at its option, and if permitted by law, participate in any such proceedings or actions or, in the event, may at its option, participate in negotiations in connection therewith, but shall have no obligation to do so.

The Board may include a Maintenance Fund Reserve for contingencies in such assessments, and such Maintenance Fund Reserve may from time to time be increased or reduced at the discretion of the Board. The proportionate interest of each unit owner in said Fund cannot be withdrawn or separately assigned but shall be deemed to be transferred with such unit even though not expressly mentioned or described in the conveyance thereof. In case the condominium regime hereby created shall be terminated and the property removed from the Alabama Uniform Condominium Act, any part of the said Fund remaining after full payment of all common expenses of the Association shall be distributed to all unit owners in the respective proportionate shares. Such assessments shall be due in monthly installments on the first day of the year for which the assessments are made. If such annual assessment is not made as required, an installment in the amount required by the last prior assessment shall be due upon each installment payment date until changed by a new assessment. The total of the assessments for recurring common expenses shall be not more than one hundred twenty percent (120%) of the assessments for this purpose for the prior year unless approved in writing by unit owners entitled to cast a majority of the votes in the Association. In the event such an annual assessment proves to be insufficient, it may be amended at any time after approval in writing by unit owners entitled to cast a majority of the votes in the Association. Each such capital reserve account shall not be commingled with the general assessment funds of the Association, but shall be deposited in a special account, shall be earmarked and designated. any part of each such capital reserve account remaining after full payment of all common expenses of the Association shall be distributed to all unit owners in the respective proportionate shares

6 04 Assessments for Emergencies Assessments for common expenses for emergencies which cannot be paid from the assessments for recurring expenses shall be made only after notice of the need therefor to the unit owners concerned. 6 05 Acceleration of Assessment Installment Upon Default If a unit owner shall be in default in the payments of an installment upon any assessment, the Board of Directors may accelerate the remaining installments of such assessment upon notice thereof to the unit owner, and thereupon the unpaid balance of the assessment shall come due upon the date stated in the notice, but not less than ten (10) days delivery thereof to the unit owner, or not less than twenty (20) days after the mailing of such notice to him by registered or certified mail, whichever shall first occur

The Association shall be entitled to the appointment of a Receiver, if it so requests. The Association shall have the right to bid on the unit at a foreclosure sale and to acquire, hold, mortgage and convey the same. In any such foreclosure action, the lien of the Association shall be subordinate and inferior to tax liens in favor of the state, county, any municipality and any special district and any first mortgage liens of record encumbering such unit at the time of commencement of the foreclosure action by the Association. In lieu of foreclosing its lien, the Association may bring suit to recover a money judgment for any sums, charges or assessments required to be paid to the Association without waiving its lien securing the same. In any action either to foreclose its lien or to recover a money judgment brought by or on behalf of the Association against a unit owner, the losing defendant shall pay the cost thereof together with a reasonable attorney's fee

(b) If the Association becomes the owner of a unit by reason of foreclosure, it shall offer said unit for sale and at such time as a sale is consummated it shall deduct from such proceeds all sums of money due it for monthly assessments and charges, all costs incurred in the bringing of the foreclosure suit, including reasonable attorney's fees, and any and all expenses incurred in the resale of the unit, which shall include but not be limited to

advertising expenses, real estate brokerage fees, abstract or title insurance costs and expenses necessary for the repairing and refurbishing of the unit in question. All moneys remaining after deducting the foregoing items of expense shall be returned to the former owner of the unit in question.

6 07 The depository of the Association shall be such bank or banks as shall be designated from time to time by the Directors and in which moneys of the Association shall be deposited. Withdrawal of moneys from such accounts shall be only by check signed by such persons as are authorized by the Directors.

6 08 An audit of the accounts of the Association shall be made annually by a certified public accountant, not a member of the Association, and a copy of the report shall be furnished to each member not later than April 1st of the year following the year for which the report is made.

31 Nothing shall be done or kept in any Unit or in the Common Elements which will increase the rate of insurance of the Building or contents thereof without the prior written consent of the Board. No Unit Owner or occupant shall permit anything to be done or kept in his Unit or in the Common Elements which will result in the cancellation of insurance on the Building or which would be in violation of any law. However, other areas designed for a specific use shall be used for the purposes approved by the Board. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner, and shall be subject to any lease, concession or easement, presently in existence or entered into by the Board at some future time, affecting any part or all of said Common Elements. No Unit Owner or Occupant shall place, distribute or maintain any sign, poster or bill in any portion of the Common Elements outside his Unit without the approval of the Board of Directors, nor shall "For Sale" signs or similar signs be posted in Unit windows.
