WHAT TO EXPECT

1 FILL OUT SITE SETUP FORM

Your information is needed to build your site.
Once the form is completed IN ITS ENTIRETY, the build will take up to 5 business days to complete.
Save for later if needed, but delays will impact your go live date.

2 ATTEND 1:1 CALL WITH ONBOARDING ADVISOR

Your Onboarding Advisor will:

- Explain your MLS Approval Process.
- Walk you through the site setup form.
- Create your Training Plan.
- Schedule your Go Live Call.

Ask your onboarding advisor any questions.
We're here to help.

3 GET MLS APPROVAL

You may be required to get a signature from your broker or log into your MLS.

Exact instructions will be provided during your 1:1 call mentioned above.

4 ATTEND "GO LIVE" CALL

Login and adjust settings with your domain provider to **make your website public**.

IMPORTANT INFORMATION

- **You will need to own or purchase a domain** from a domain provider like GoDaddy or Google Domains if you don't already have one.
- Our onboarding advisors will be following up, but **it is your responsibility to provide us complete info** and signatures to keep the site build and MLS approval processes moving.
- Our team will work with you **up to 7 business days after your website setup is complete** to assist with small adjustments (ie. photo changes, logo changes, adding videos, adding testimonials, etc).
- After this period, **you will be responsible for maintaining the look and feel of your website**. Please join our customization training to learn how to make such changes.
- If you would like **any additional customizations** after your site is live, there will be an **additional charge**.
- Real Geeks **does not** update content beyond the optimized starter content we provide.
