With nearly two decades as a trusted advisor, I've built our platform on a foundation of honesty, integrity, professionalism and trust. My team handles every transaction with these very basic ideals in mind. We treat every client as an obligation, in which we take our obligations very seriously. Our marketing strategies, technology expertise, and passion to deliver, are complimented by the large network of trusted advocates, partners, and professionals with the appropriate level of knowledge to help you complete your goal. Working with Dream Home Detroit is about you, your goals, your timeframe, and your results!

As a full-time Realtor, SRES (Seniors Real Estate Specialist) I understand the needs, challenges, and goals of real estate buyers and sellers aged 55 and older. I actively study the market and speak with clients daily. As a result, I've gained a deep understanding of the intricacies involved in negotiations and know what it takes to win in today's market. As a Planning Commissioner for the City of Auburn Hills I am involved in long-term planning and represent the residents' interests while working alongside city officials. I apply my knowledge and work ethic with all clients who partner with the Dream Home Detroit Team.

Hali Winowiski

As a Realtor, ABR (Accredited Buyer's Representative) I've invested in my career and clients by gaining the skills needed to work with home buyers and find that right home at the right price, in the right area. I love helping first-time home buyers and have an understanding of special financing options available to many first time homeowners. From the moment you see your home, to help with determining fair market value, scheduling a home inspection, working with your title company and closing on your home, I have your back.
