About Us at eHomes

eHomes is an independent real estate service firm providing premier, professional services and value-added solutions to clients across residential and investment real estate markets. Located in Orange County and serving Orange, Los Angeles, and Riverside Counties for more than 17 years, our experience, knowledge, and dedication to our community has made us a pioneer in the real estate markets we serve.

Under the leadership of the founders and brokers, Arna Freedman and Avi Chalid, we have successfully helped thousands of clients achieve their goals in real estate and financial success. eHomes attains focused, customized results for each client by practicing a commitment to integrity and quality in our services, whether it's a corporate client, seller or a first time buyer. Our work ethic and expertise remain our defining qualities that have contributed to not only our success, but also the success of our clients.

eHomes Philosophy

- We are constantly learning and applying what we have learned to serve others.
- We are committed to excellence and strive to be the best we can be for our clients, our communities, and our environment.
- We are ethical, dependable, and accountable to our clients. We are professional, responsible, supportive, and trustworthy.
- We are thankful for opportunities to serve others and we take pride in our ability to meet the challenges bestowed upon us.
- We are proud to be a model for our profession, the good citizens of our communities and the work we are a part of.
