Happy New Year 2020!

It is 5:00 pm as I write this, and it will be a miracle if I am up past 9. The times of staying up past midnight are squarely in my rearview mirror, but that doesn't mean I am not excited about the new year! Having the privilege to help you while living in a place as incredible as Central Oregon has been a pleasure. I wish the best for you and your family for the new year, and I look forward to helping you any way I can. Thank you for your support over the last year. I wish you and your family all the very best!
