

Leigh Anne's Elf List

Hi All,

It always seems like a house full of guests over the holidays leads to a furnace that won't turn on, a burst pipe, or someone spills red wine on the carpet! Fall is a wonderful time to prepare your home for the upcoming holidays and holiday guests! I thought you could use some good referrals to my favorite elves to help get you through the holiday season. Don't see an elf you need - just send me an email for more referrals!
