

Melody's Elf List

With the holidays around the corner, we all know how a house full of guests can lead to unexpected issues—like a furnace that won't start, a burst pipe, or a spilled glass of red wine on the carpet! Fall is the perfect time to get your home ready for the festivities and visitors.

I wanted to share some of my favorite local experts who can help you navigate the holiday season. If you need a specific service that I haven't listed, just shoot me an email for more recommendations!
