1000 ALA MOANA

Kalae. Endless Views of an Iconic Shoreline.

Between the vivid green of the Koʻolau mountains and the luminescent blues of the Pacific, Kalae embraces Oʻahu's expansive southern shore and majestic Diamond Head, setting the stage for a dramatic interpretation of contemporary island living.

INSPIRATION

Modern. Timeless. Immersive.

Kalae is a place for the passionate and curious. Its distinct design and ideal location create spectacular moments within the property and throughout the neighborhood.

The collective experience — the views, the Mālie Courtyards, the distinctive residences — define the Kalae lifestyle.

A Bold Vision Requires Incomparable Design.

The celebrated design team behind Kalae found endless inspiration in Hawai‘i’s rich architectural heritage and abundant natural beauty.

INTERIORS

Nicole Hollis

“Kalae is a graceful expression of contrasts; formal and elegant, yet relaxed and restrained. Thoughtful details are incorporated throughout — from the Lobby’s intricately patterned stone flooring to the Courtyards’ handcrafted tiles and shutters — these diverse materials are combined to strike the perfect harmony of global and Hawaiian influences to create residences unlike any other.”

ARCHITECTURE

Ben Wrigley

“Seamlessly integrating the indoors with the outdoors, a series of courtyards, decorative geometric motifs and screens, and framed vistas characterize the amenity experience at Kalae. The grandeur of these formal arrangements and architectural gestures are juxtaposed with more casual and intimate Hawaiian living spaces.”

LANDSCAPE

Don Vita

“More a series of outdoor rooms set within a tropical oasis, each Mālie Courtyard has a distinct character imparted by fragrant flowers, signature plantings, shade pavilions, and calming water features. The private pool and amenity level offers a wide variety of outdoor experiences floating above Victoria Ward Park, revealing spectacular views of Diamond Head and sunsets over the Pacific Ocean.”

WARD VILLAGE, SOUTH SHORE HONOLULU

Distinguished by panoramic views of the expansive southern shores and iconic Diamond Head, Kalae offers a contemporary lifestyle in harmony with the surrounding natural world.

A VIBRANT COMMUNITY

Ward Village is a community inspired by the spirit of the islands while embracing the energy of modern Honolulu. An afternoon stroll through its pedestrian-centric shopping districts and abundant green spaces reveals a dynamic neighborhood where quaint boutiques and one-of-a-kind artisanal shops line the same palm-shaded walkways. Enjoy access to restaurants, markets, and local eateries where international tastes are infused with local flavor.

LIFE IN BALANCE

Merging the world outside and the lifestyle within, the lush green and dappled sunlight of the surrounding park and gardens extend a seamless welcome to Kalae.
