

SEA PINES "DIGS" August 2020

The Official Real Estate Update for Sea Pines

As I write this, there are only 84 homes and 44 villas on the market in Sea Pines. In my 14 years here, I've never seen inventory this low. We have buyers waiting in the wings and have seen several properties with multiple offers. This is good news for Sea Pines sellers and the market, in general.

If you have ever thought of selling, now would be a good time!

I hope you are all staying safe and enjoying this beautiful summer. Please let me know if you are considering selling as my office regularly fields calls from potential Sea Pines buyers. I'm happy to run a market analysis on your home at no cost to you.
