

Morales Group - Privacy Policy

Your Privacy is Very Important to Us

The Morales Group places the highest importance upon maintaining your privacy when you use our Web site. This privacy statement discloses what information we gather, how we use it, and how to correct or change it. To that end, we gather two types of information about Customers: data that Customers provide through optional, voluntary registration on our sites; and data gathered through aggregated tracking, mainly by tallying page views throughout our sites. Such information enables us to tailor our content to fit Customers' needs better and to help our advertisers understand our audience. This is the Web site of Morales Group. We can be reached via Ph: 805-270- 2056.

What information is collected from me?

Optional Registration

We collect information by specifically requesting it from you. Generally this occurs when you register at a site or request information or a service. Usually, the site and our service partners use your information to operate the sites and to deliver services. The Morales Group site may use your information to inform you about other products or services available from our affiliates.

Usage Tracking Use of Internet Protocol ("IP") Addresses :

An IP address is a unique number that is automatically assigned to your computer whenever you're surfing the Internet so that your computer can be identified by the main computers, known as "Web servers," that "serve up" Web pages. The Morales Group and/or its affiliates collect IP addresses for the purposes of system administration, to report aggregated information to our advertisers, and to audit the use of our site. When Customers request pages from our site, our servers log the Customers' IP addresses. We do not normally link IP addresses to anything personally identifiable, which means that a Customer's session will be logged, but the Customer will remain anonymous to us. We can and will use IP addresses to identify a Customer when we feel it is necessary to enforce compliance with our site terms of use or terms of service or to protect our service, site, customers or others.

Cookies

We use Cookies to:

- Store visitors' preferences.

- Record session information, such as items that consumers add to their user profile and favorites.
- Customize Web page content based on visitors' browser type or other information that the visitor sends.

Changes & Corrections

From time to time, we make our customer e-mail list available to our Affiliated Businesses whose products or services we think you might find interesting. If you supply us with your postal address online you may receive periodic mailings from us with information on new products and services or upcoming events. If you do not wish to receive such mailings, please let us know by sending us an e-mail at the address listed above. Please provide us with your exact name and address. We will make a reasonable effort to ensure your name is removed from the list we share with our family of companies. Persons who supply us with their telephone numbers online will only receive telephone contact from us with questions and information regarding inquiries they have placed online. Upon request we offer visitors the ability to have inaccuracies corrected in any personal information they have volunteered or in any communications that the consumer/visitor has directed to the site. Consumers can have this information corrected by sending us an e-mail at the address listed above.
