Could not have possibly had a better experience. Advice throughout the process was spot on and made the whole exercise enjoyable. We'll easily use her again in a heartbeat.-Joe D.

Kerry Millhiser is the consummate professional. Knowledgeable, consistently responsive, low stress but highly effective; she was a delight to work with. Her attention to detail and follow up is impressive and reassuring. In the few cases where she didn't have an immediate answer, she provided us with information promptly or connected us directly with the service providers we needed. Her network of professionals was also seemingly hand chosen for customer service and a high level of professionalism. What a great experience to work with this team, who introduced us to a wonderful house and shepherded us carefully through the intimidating buying process. We absolutely give the highest recommendation to Kerry and LoKation.- Cindy & Mike D.

I had the good fortune of meeting a Realtor and finding a friend in Kerry Millhiser. She went above what any other Realtor would do and found our dream home. On budget and on time. She did an incredible job in negotiating a number that worked for my budget. If you need someone understanding thoughtful and kind to take the stress out of finding a home, call your friend Kerry. - Larry T
