

BALLENISLES

Over the past few years, BallenIsles Country Club has earned the reputation as the premiere country club in the Palm Beaches. BallenIsles is rated as the #5 residential country club community in the United States this year by the club Leaders Forum.

BallenIsles is committed to excellence and very proud of their history and reputation. In addition, BallenIsles hopes that you will choose to become new and valued members of the BallenIsles Club.

BallenIsles offers a variety of options including three private dining rooms for business meetings or entertainment. The club's social and athletic calendar includes an outstanding selection of events and activities designed to appeal to all segments of membership.

BallenIsles golf facilities include three championship golf courses, driving range with complimentary range ball, as well as putting and chipping greens. The BallenIsles athletic facilities include a tennis and fitness facility with twenty-three tennis courts, sparkling pool, state-of-the-art fitness center and a full schedule of aerobic and specialty classes. In 2004, BallenIsles tennis facility was ranked #1 in the country.

BallenIsles Country Club offers wonderful amenities, numerous club activities, a great convenient location and has incomparable home options.
