The main living area is perfectly accented with a large fireplace & open floor plan & open layout combined with the uniqueness & originality of a custom built home. Modern kitchen with gas cooktop w/ 2 large pantries. Recently refinished hardwood floors. Main floor living option with main floor laundry & master suite. Double vanity and spacious closets in the master bathroom. Big back yard with a stamped concrete patio & gas firepit. Light & bright lower level with egress windows in the bedroom & living area. Large storage space with workshop in the lower level. Large oversized garage with storage closets. New roof in 2016. Great DTC location at the end of cul-de-sac, a couple blocks from Belleview Elementary & Cherry Creek High School, Village Greens Park & Cherry Creek State Park. A seasoned neighborhood w/ a mature tree canopy & gardening aficionados. Enjoy block parties, movies in the park, community garage sales, & more.
