

2013 American Dream Sponsor

August 16, 2013

Paul Pacuilla  
Reside Kauai, LLC  
P.O. Box 624, 5-5190 Kuhio Hwy # B-6  
Hanalei, HI 96714

Dear Paul,

Thank you for your contribution of \$1,000.00 from Reside Kauai, LLC. This generous contribution will be allocated toward the Kauai Board of REALTORS® American Dream sponsorship pledge. Your support means so much to the KBR/Habitat committee and our dedicated homeowners.

It is wonderful that the Kauai Board of REALTORS® and its members like you can come together and take a united stand on the importance of affordable housing for our community. Our list of families waiting to partner with us grows each month – today, we have approximately 2,000 households who are interested in being one of our next homeowners in the 'Ele'ele Iluna subdivision.

It's a tremendous impact you're making. The \$100,000 pledged by KBR will cover the costs of one entire home in the next phase of the subdivision. These costs exclude overhead, and include critical needs: building materials, construction supervision, contracted labor (electrical/plumbing work).

Your gift is directly helping to break the cycle of poverty here on Kaua'i. The future Habitat homeowner who will work alongside volunteers to construct their home (and other homes in the subdivision) will be able to embark on their *life-changing* journey and give back to our community. It truly is an important cycle to continue.

Fueled by donor support and encouragement, Habitat homeowners build and invest their savings; become involved in community activities; and manage their finances and property. Their mortgage payments are placed into our revolving Fund for Humanity so that Kaua'i Habitat can continue to build more affordable homes for families in need.

Paul, thank you so much for the important role you and the Kauai Board of REALTORS® are playing in advancing our mission. Please check back with us at the office, on the web through our website ([kauaihabitat.org](http://kauaihabitat.org)), Facebook (Kauai Habitat for Humanity), or Twitter (@kauaihabitat) as we update our latest achievements and events.

Sincerely,

Stephen L. Spears, Executive Director

*Thank you - Paul!*
