

Gracious Heavenly Father,

We come before You today with grateful hearts, recognizing that you have provided all that we need in your Son, Jesus. I come in prayer this morning, lifting up Rob Brooks Realty into Your hands. I thank You for the vision, the passion, and the work that has been set before them. Lord, You are the ultimate provider and the source of all good things, and we trust in Your faithfulness to guide and bless every step they take in 2025.

Your Word promises in Proverbs 16:3 that when we commit our work to You, You will establish our plans. I pray for Your guidance in every decision, that each transaction and interaction be led by Your wisdom and grace. May Your Spirit give clarity and discernment, and may integrity and fairness be the foundation of every deal.

Lord, I ask that You would bless this business with favor, despite any hardships they may face, as You did with Joseph (Genesis 39:3). Let Your hand of blessing rest upon all those who are involved—whether owners, employees, or clients. May this business be a place where trust is built, relationships are nurtured, and communities are strengthened.

I also pray for prosperity, not only in finances but in the way they serve others. Let their work this year be a means of blessing those they encounter, bringing hope and security to families and individuals as they help them find their homes (Jeremiah 29:11). May they reflect Your love and provision in all that they do, sharing the peace and stability that come from You and You alone.

Father, I pray that this business would be a reflection of Your Kingdom—marked by honesty, diligence, charity and joy. May it be a light in the marketplace, showing others the truth of Your goodness and grace. As they seek Your will, we trust that You will direct their paths and provide in ways that exceed their expectations (Ephesians 3:20). And when you do, I pray they give all the glory and praise to You and You alone.

In Jesus' name, we pray,
Amen.
