DESCRIPTION OF ISLANDWALK AT THE WEST VILLAGES

Section 1. GENERAL PLAN OF DEVELOPMENT. Declarant is the owner of the Total Lands and presently plans to develop all or a portion of same as a multi-staged, planned community known as IslandWalk at the West Villages. IslandWalk at the West Villages will encompass Homes and Association Property, as more particularly defined by this Declaration. The property declared hereunder (the "Committed Lands") is described in Exhibit "B" attached hereto. Declarant has reserved the right to modify its plan of development of IslandWalk at the West Villages and to add to or withdraw land from IslandWalk at the West Villages, and, therefore, the number of Homes within IslandWalk at the West Villages may change. Declarant's general plan of development further contemplates that such Homes shall be whatever types of structures Declarant may choose which are in conformance with this Declaration. Declarant's general plan of development of IslandWalk at the West Villages may also include whatever facilities and amenities Declarant considers in its sole judgment to be appropriate to IslandWalk at the West Villages.

Declarant may unilaterally subject any portion of the Total Lands submitted to this Declaration initially or by subsequent amendment to additional covenants and easements, including covenants obligating the Association to maintain and insure such property on behalf of the Owners, and obligating such Owners to pay the costs incurred by the Association through Assessments. Such additional covenants and easements shall be set forth in a Subsequent Amendment filed concurrent with, as a part of, or after the annexation of additional portions of the Total Lands.

Declarant reserves the right to amend this Declaration so long as it has a right to annex additional portions of the Total Lands pursuant to this Article, without prior notice and without the consent of any Person, for the purpose of removing such property then owned by Declarant, its affiliates, or the Association from the coverage of this Declaration to the extent originally included in error or as a result of any changes in Declarant's plans for the Total Lands, provided such withdrawal is not contrary to the overall, uniform scheme of development of IslandWalk at the West Villages.

Declarant expressly reserves the right as to the Total Lands to (i) commence construction and development of the Total Lands if and when Declarant desires; (ii) develop the Total Lands upon such timetable as Declarant, in its sole discretion, chooses; and (iii) modify the plan of development of the Total Lands in such manner as it, in its sole discretion, chooses. Nothing contained herein shall be construed as obligating Declarant to construct IslandWalk at the West Villages according to the present plan of development.

Section 2. AMENDMENT. This Article shall not be amended without the prior written consent of Declarant so long as Declarant owns any property in IslandWalk at the West Villages.

WPB:212719:3

Section 3. ASSOCIATION PROPERTY. The Association Property shall be used for open space, recreation, parking and ingress and egress purposes as well as other proper purposes, by the Association and the Owners and their family members, guests, invitees and lessees in accordance with the IslandWalk at the West Villages Documents. Association Property may not be altered, modified, removed or replaced by Owners or their family members, guests, invitees or lessees.

The Association Property shall be used solely in accordance with the covenants impressed upon the Association Property as follows:

(1) Recreation Area. The Recreation Area shall be part of the Association Property and shall be used for recreational purposes by the Association, and the Owners and their family members, guests, invitees and lessees. Such portion, if any, of the Recreation Area upon which Declarant hereafter constructs Improvements shall be kept and maintained for use in a manner consistent with the nature of such Improvements located or to be located thereon. The Recreation Area shall always be kept and maintained by the Association for recreational uses or beautification and attendant uses and shall be used for such purposes and not for residential, commercial or industrial construction of any kind. The Recreation Area shall be maintained, administered and ultimately owned by the Association.

Declarant reserves the right, but shall not be obligated, to construct additional recreational facilities upon the Recreation Area and to change the facilities planned for the Recreation Area. Declarant, at its sole discretion, reserves the right to reduce the planned facilities. The decision as to whether to construct additional recreational facilities, to change the planned facilities, or to reduce the planned facilities and the construction thereof shall be in the sole discretion of Declarant.

Notwithstanding anything contained herein, neither Declarant nor the Association makes any representations whatsoever to commence, complete or construct any recreational facilities within any specific time period.

DECLARANT AND THE ASSOCIATION SHALL NOT BE OBLIGATED TO PROVIDE SUPERVISORY PERSONNEL, INCLUDING, BUT NOT LIMITED TO, LIFEGUARDS, FOR THE RECREATION AREA. ANY INDIVIDUAL USING THE RECREATION AREA SHALL DO SO AT HIS OR HER OWN RISK AND HEREBY HOLDS DECLARANT AND THE ASSOCIATION HARMLESS FROM AND AGAINST ANY CLAIM OR LOSS ARISING FROM SUCH USE.

(2) Surface Water and Storm Water Management System and Conservation Easements. Declarant has caused or will cause to be constructed within the geographic area shown on a Plat, drainage canals, lakes and drainage retention/detention ponds. These drainage structures are part of the overall drainage plan for IslandWalk at the West Villages. Declarant may create conservation easements encumbering all or part of the Association Property, and/or portions of the Lots conveyed to Owners to preserve the natural condition of wetlands, uplands or buffer areas. The Association shall have unobstructed ingress to and egress from all retention/detention ponds and lakes as well as all conservation easements at all reasonable times

to maintain said ponds, lakes and conservation easements in a manner consistent with its responsibilities. No Owner shall cause or permit any interference with such access and maintenance. No Owner shall utilize, in any way, any of the IslandWalk at the West Villages drainage facilities without the express prior written consent of Declarant and the Association. Further, where an Owner's Lot is contiguous to any of the drainage facilities of IslandWalk at the West Villages, such Owner shall keep his or her Lot so that the utilization of such Owner's Lot will not adversely affect the drainage facilities and structures and so as to be aesthetically compatible with such drainage facilities and structures.

The Association shall maintain, as part of the Association Property, drainage structures for the IslandWalk at the West Villages, the Preservation Areas, Conservation Areas and other environmentally significant Association Property, and comply with conditions of the permit from the Southwest Florida Water Management District ("SWFWMD") (a copy of such permit is attached hereto as Exhibit "E"), Department of Environmental Protection, and U.S. Army Corps of Engineers for the Stormwater Management System, Preservation Areas, Conservation Areas, or other environmentally significant Association Property, including, without limitation, perpetual maintenance of all signage required by the permit. All such areas shall be defined, identified, and described as such on all Plats of IslandWalk at the West Villages, or may be granted by separate easements recorded in the public records of the County. No Owner shall (i) undertake or perform any activity in preserved wetlands, upland buffers to wetlands, archeological sites, and wetland compensation areas with the Preservation Areas and Conservation Areas described in all approved permits and Plats of IslandWalk at the West Villages, or (ii) remove native non-nuisance vegetation that becomes established within the wet detention ponds, without prior written consent of the Board of Directors of the Association, the County, and the applicable permitting agencies. Prohibited activities within such areas include removal of native vegetation (by dredging, application of herbicide or cutting); excavation; placement or dumping of soil, trash, land clearing or landscaping debris; and construction or maintenance of any building, residence, or structure. It shall be the responsibility of all Owners to comply with the construction plans for the surface water management system approved by the applicable permitting agencies. The Association shall, when requested by Declarant, accept transfer of SWFWMD permits applicable to the IslandWalk at the West Villages. The conditions of SWFWMD permits include monitoring and record keeping schedules and maintenance.

Within any Preservation Area or any wet detention pond (as such ponds are designated by the SWFWMD), no Member shall remove any native vegetation (including cattails) that may become established therein. The prohibition against removal of native vegetation shall not be construed to prevent the removal of exotic vegetation in accordance with a governmentally approved maintenance plan. Inquiries regarding provisions of this Article should be addressed to the SWFWMD, Venice Permitting Office.

Water quality data for the water discharged from the IslandWalk at the West Villages or into the surface waters of the state shall be submitted to SWFWMD as required. Parameters to be monitored may include those listed in Chapter 17-3 of the Florida Administrative Code. Analyses shall be performed according to procedures outlined in the

WPB:212719:3

current edition of Standard Methods for the Examination of Water and Wastewater by American Public Health Association of Methods for Chemical Analyses of Water and Wastes by the U.S. Environmental Protection Agency. If water quality data are required, the Association shall provide data as required on volume of water discharged, including total volume discharged during the days of sampling and total monthly discharge from the IslandWalk at the West Villages or into surface waters of the state.

The Association agrees to operate and maintain the system and has sufficient ownership so that it has control over all water management facilities authorized.

The Association shall hold and save SWFWMD harmless from any and all damages, claims, or liabilities which may arise by reason of the operation, maintenance or use of any facility authorized by the permit.

The Association shall at all times properly operate and maintain the systems of treatment and control (and related appurtenances) that are installed or used to achieve compliance with conditions of the permit, as required by SWFWMD. This provision includes the operation of backup or auxiliary facilities or similar systems when necessary to achieve compliance with the conditions of the permit and when required by SWFWMD rules.

In the event the Association, or any successor organization, shall fail to adequately maintain the Stormwater Management System in accordance with the County standards, the County shall have the right, but not the obligation, to enter the Property for the purpose of maintaining the Stormwater Management System. All expenses incurred by the County in maintaining the Stormwater Management System shall be assessed prorata against the Lots and shall be payable by the Owners of the Lots within 60 days after receipt of a statement therefor. If any Owner fails to pay such assessment within such 60-day period, the assessment shall become a lien on such Owner's Lot which may be foreclosed by the County. The rights of the County contained in this restriction shall be in addition to any other rights the County may have in regulating the operation and development of the Property.

The Association specifically agrees to allow authorized SWFWMD personnel, upon presentation of credentials or other documents as may be required by law, access to the IslandWalk at the West Villages, at reasonable times, where the permitted activity is located or conducted; for the purposes of inspection and testing to determine compliance with the permit and SWFWMD regulations, such as:

- a. Having access to and copying any records that must be kept under the conditions of the permit; and
- b. Inspecting the facility, equipment, practices, or operations regulated or required under the permit; and

- c. Sampling or monitoring any substances or parameters at any location reasonably necessary to assure compliance with the permit or SWFWMD rules; and
- d. Gathering of data and information.

Reasonable time may depend on the nature of the concern being investigated.

Establishment and survival of littoral areas provided for storm water quality treatment in wet detention systems shall be assured by proper and continuing maintenance procedures designed to promote viable wetlands plant growth of natural diversity and character. Following as-built approval, perpetual maintenance shall be provided for the permitted system.

The Association shall submit inspection reports, if required by the SWFWMD, in the form required by SWFWMD, in accordance with the permit application.

In the event of casualty, it shall be the responsibility of each Owner within the IslandWalk at the West Villages at the time of reconstruction of a building, residence, or structure, to comply with the construction plans for the Surface Water Management System pursuant to Chapter 40D-4, F.A.C., approved and on file with SWFWMD.

Owners are hereby notified that certain Lots may include, or be adjacent to wet detention ponds, jurisdictional wetlands, designated mitigation areas or designated conservation easements. It is the Owner's responsibility not to remove native vegetation (including cattails) that becomes established within the wet detention ponds, jurisdictional wetlands, designated mitigation areas or designated conservation easements abutting the Owner's Lot. Removal includes dredging, the application of herbicide, cutting, and the introduction of grass carp. Owners should address any question regarding authorized activities within the wet detention ponds, jurisdictional wetlands, designated mitigation areas or designated conservation easements to SWFWMD, Sarasota Service Office, Surface Water Permitting Department Regulation Manager and Sarasota County's Resource Protection Office. SWFWMD and Sarasota County Resource Protection may authorize removal of certain exotic or nuisance vegetation upon application by Owners or the Association.

No Owner of a Lot within the IslandWalk at the West Villages may construct or maintain any building, residence, or structure, or undertake or perform any activity in the wetlands, wetland mitigation areas, buffer areas, upland conservation areas, wet detention ponds, jurisdictional wetlands, designated mitigation areas or designated drainage or conservation easements described in the approved permit and recorded Plats of the Total Lands, unless prior approval is received from SWFWMD, Sarasota Regulation Department, pursuant to Chapter 40D-4, Florida Administrative Code and Sarasota County's Resource Protection Office.

Each Owner of a Lot within the IslandWalk at the West Villages at the time of construction, and with the Committee's approval of construction, of a building, residence, or

structure shall comply with the construction plans for the surface water management system approved and on file with the SWFWMD.

In the event of the termination, dissolution or final liquidation of the Association, the responsibility for the operation and maintenance of the Surface Water and Storm Water Management System must be transferred to and accepted by an entity which would comply with Section 40C-42.027, Florida Administrative Code, and be approved by SWFWMD prior to such termination, dissolution or liquidation.

It is expected that certain portions of the Surface Water and Storm Water Management System will serve the drainage needs of adjacent lands not owned by Declarant and not within the property subject to this Declaration. Declarant reserves the right to grant such drainage and/or use easements and rights as Declarant may deem necessary or appropriate for accomplishing the drainage needs of the Total Lands and/or lands owned by others provided that such agreements shall not unreasonably interfere with the use of the system by the Owners or unreasonably increase the cost of maintenance of the system by the Association.

The Surface Water and Storm Water Management System is designed to provide drainage for the Total Lands. Neither the Association nor Declarant shall have any liability whatsoever to any Owner for claims or damages alleged by an Owner due to water levels in the Lakes being below or above normal or otherwise unacceptable to the Owner. Recreational use and aesthetic appearance of the Lakes is secondary to their intended drainage function, and during periods of prolonged drought or other unusual weather events water levels in the Lakes may fluctuate, and neither the Association nor Declarant shall have any liability for such conditions.

Any Amendments to the Declaration relating to the Stormwater Drainage Management System must have the prior written approval of the County Engineer or his designee. Any revisions of the Storm Water Management System must have the prior approval of the County Engineer or his designee.

The Landscaped Areas and Grassed Areas shall be ultimately owned by the Association and shall be administered and maintained by the Association in accordance with the requirements of the appropriate governmental agencies.

(6) Street Lights. Any "Street Lights" and any associated facilities placed within the Association Property, shall be repaired, replaced, relocated, maintained and owned by the Association which is also responsible to pay all fees associated with such repair, replacement and maintenance, and for the furnishing of electricity thereto. Notwithstanding the foregoing, the repair, replacement, maintenance and furnishing of electricity of any street light and any associated facilities within the Association Property owned by the electric service provider shall not be the responsibility of the Association to maintain.

(7) Decorative Street Lights. Declarant reserves the right, but shall not be obligated, to install, "Decorative Street Lights" in or near the entranceways and gatehouses to IslandWalk at the West Villages. (10) Stormwater Management System. The Stormwater Management System within IslandWalk at the West Villages is a private stormwater management system. The Association shall be responsible for all costs associated with all cleaning, maintenance, repair and replacement of any portion of the Stormwater Management System necessary to maintain the system in its original condition, ordinary wear and tear excepted, and in accordance with applicable law, codes and regulations, including the IslandWalk at the West Villages Appendix C26, Construction Plan and Stormwater Design Summary form approved by the County, as well as all costs attributable to the IslandWalk at the West Villages pursuant to the Drainage Easement(s).

Nothing in this Declaration shall be construed to require Declarant to install any Monument Signs within IslandWalk at the West Villages.

(13) Recycling Programs. The Board may establish a recycling program and recycling center within IslandWalk at the West Villages and in such event, all occupants of Homes shall support such program by recycling, to the extent reasonably practical, all materials which the Association's recycling program or center is set up to accommodate. The Association may, but shall have no obligation to, purchase recyclable materials in order to encourage participation and any income received by the Association as a result of such recycling efforts shall be used to reduce Community Expenses.

Section 4. COSTS. All costs associated with operating, maintaining, repairing and replacing the Association Property shall be the obligation of the Association. The Association Property shall be conveyed to the Association in accordance with the provisions of Article III, Section 2 hereof.

(b) Party Walls. All division walls ("Party Walls") between two (2) Homes located upon a Lot line between two (2) Homes, provided that the mere fact that such a division wall between two (2) Homes is found to be not on a Lot line shall not preclude that division wall from being a Party Wall. The Owners of the Homes adjacent to a Party Wall shall own such Party Wall as tenants in common.

(c) Bearing Walls. Any and all walls or columns necessary to support the roof structure.

(d) Exterior Finish. Any and all siding, finish, trim, exterior sheathings and other exterior materials and appurtenances on the exterior of each Building.

(e) Flooring. The entire concrete floor slab and all foundational and support structures and appurtenances thereto.

(f) Roofs. The entire roof of a Building.

Section 7. COVENANTS REGARDING ZERO-LOT-LINE SINGLE FAMILY HOMES

Without limiting the types of Homes which may be developed within IslandWalk at the West Villages, Declarant may construct zero-lot-line single family homes. The restrictions, covenants, and provisions set forth in this section shall apply to such Homes in addition to those

WPB:212719:3

set forth elsewhere in this Declaration, and may be modified, deleted, or supplemented by subsequent amendment.

A. Maintenance of Exterior of Zero-Lot-Line Home. Each Owner shall maintain the exterior of his zero-lot-line single family home, including the exterior walls (excluding the "Lot Perimeter Wall" as defined herein) and fences in good condition and repair. The Lot Perimeter Wall shall be defined to mean and refer to that exterior wall of a zero-lot-line single family home which is located approximately three feet one inch (3 ft. 1 in.) from the lot line or boundary. Notwithstanding the foregoing, the Association shall be responsible for the normal and routine cleaning and painting of the exterior walls, and the periodic cleaning of the roofs of such homes.

The Board may determine the need for cleaning and painting from time to time. All costs reasonably related to said repainting (including cleaning before repainting) by the Association shall be incurred as a Neighborhood Expense. The Neighborhood Assessment or Special Assessment which may be required to periodically clean and paint will be made pursuant to the assessment powers and lien rights set forth herein.

B. Zero Line Easement. Each Lot on which a zero-lot-line single family Home is constructed is subject to an easement of approximately three feet one inch (3 ft. 1 in.) in width which extends from the front of the Home (street side) to the rear of the Lot ("Zero Line Easement"). The Zero Line Easement is in favor of the Owner of the Lot immediately adjacent to the easement. The Zero Line Easement is a result of building code requirements, which disallow a Lot Owner's roof from overhanging property which is not owned in fee by the Lot Owner. Therefore each Lot Owner's roof overhangs a portion of his Lot, which is subject to the Zero Line Easement. Each zero-lot-line single family Home is constructed within a Lot such that one side of the Home, the side which includes the Lot Perimeter Wall (defined herein), is adjacent to the Zero Line Easement. A sketch of the Zero Line Easement is attached hereto and made a part hereof marked Exhibit "F."

C. Grantee of Zero Line Easement. The Owner of the Lot immediately adjacent to the Zero Line Easement is the grantee of the Zero Line Easement. Subject to the rights of the Association, the grantee is hereby granted the exclusive right to use and maintain real property within the Zero Line Easement. The Owner of the Lot on which the Zero Line Easement is located shall not be permitted to use or to maintain the real property within the Zero Line Easement (except for roof overhang), however, in the event of damage to his zero-lot-line single family Home, the Owner of the Lot on which the Zero Line Easement is located may enter upon the real property subject to the Zero Line Easement to perform repairs and replacements to his zero-lot-line single family Home.

D. Permissible uses of the Zero Line Easement. The Zero Line Easement area may be used by the grantee for maintenance, landscaping, and irrigation purposes. No landscaping material may be placed in the Zero Line Easement which would contact the Lot Perimeter Wall or the roof of the Home abutting the Zero Line Easement. No irrigation shall be permitted within the Zero Line Easement which could damage the Lot Perimeter Wall or roof of the Home abutting the Zero Line Easement.

WPB:212719:3

E. Lot Perimeter Walls. Maintenance of the Lot Perimeter Wall shall be the obligation of the Owner of the Lot adjacent to the Lot Perimeter Wall. The adjacent Lot Owner shall have an easement over that portion of the adjacent Lot on which a Lot Perimeter Wall has been located, as specified herein, in order to maintain and to make superficial repairs to said Lot Perimeter Wall. However, in no event, shall any Person make any structural or other changes in the walls, including, but not limited to, change of paint color, without the express written approval of the Committee, as defined in Article XII hereinbelow. Structural repairs to the Lot Perimeter Wall shall be performed solely by the Association or its assigns. In the event the Board shall determine that the Lot Perimeter Wall has been damaged by the adjacent Lot Owner, that Owner shall be responsible for repairing such damage in a timely manner and in accordance with the standards established by the Board. In the event such repair is not so accomplished by said adjacent Lot Owner within thirty (30) days, unless extended by the Board, the Association shall have the right at reasonable times to enter the adjacent Lot to effect such repair, and the cost thereof shall be assessed to the adjacent Lot Owner, and, if not paid in a timely manner, shall become a Special Assessment upon such adjacent Lot.

F. Party Fences. Those walls or fences which are constructed between two adjoining Lots and are to be shared by the Owners of said adjoining Lots are to be known as and are hereby declared to be "Party Fences." Party Fences shall be the joint maintenance obligation of the Owners of the Lots bordering the fences. Each Owner shall have the right to full use of said fence subject to the limitation that such use shall not infringe on the rights of the Owner of the adjacent Lot or in any manner impair the value of said fence. Each Owner shall have the right and duty to maintain and to perform superficial repairs to that portion of a Party Fence which faces such Owner's Lot. The cost of said maintenance and superficial repairs shall be borne solely by said Owner. In the event of damage or destruction of the Party Fence from any cause whatsoever, other than negligence or willful misconduct of one of the adjacent Lot Owners, the Owners of the adjacent Lots shall, at their joint expense, repair and rebuild said fence within 30 days, unless extended by the Board. In the event it is necessary to repair or rebuild a Party Fence, the Owners shall agree on the cost of such repairs or rebuilding, and shall agree on the person or entity to perform such repairs, provided however, all such repairs must be performed by a qualified contractor. If the Owners cannot agree on the cost of such repairs or on the person or entity to perform such repairs, each Owner shall choose a member of the Board to act as their arbiter. The Board members so chosen shall agree upon and choose a third Board member to act as an additional arbiter. All of the said Board members shall thereafter choose the person or entity to perform the repairs and shall assess the costs of such repairs in equal shares to the Owners. Whenever any such fence or any part thereof shall be rebuilt, it shall be erected in the same manner and be of the same size and of the same or similar materials and of like quality and color and at the same location where it was initially constructed. Provided, that if such maintenance, repair or construction is brought about solely by the neglect or the willful misconduct of one Lot Owner, any expense incidental thereto shall be borne solely by such wrongdoer. If the Lot Owner shall refuse to repair or reconstruct the fence within 30 days, unless extended by the Board, and to pay his share, all or part of such cost in the case of negligence or willful misconduct, the Association may have such fence repaired or reconstructed and shall be entitled to a lien on the Lot of the Owner so failing to pay for the amount of such

defaulting Owner's share of the repair or replacement. In the event repairs or reconstruction shall be necessary, all necessary entries on the adjacent Lots shall not be deemed a trespass so long as the repairs and reconstruction shall be done in a workmanlike manner, and consent is hereby given to enter on the adjacent Lots to effect necessary repairs and reconstruction.

G. Failure to Maintain. In the event an Owner of any Lot shall fail to maintain the premises and the Improvements thereon, as provided herein, the Association, after notice to the Owner, shall have the right to enter upon any Lot to correct drainage and to repair, maintain and restore the exterior of the zero-lot-line single family Homes and party fences and any other improvements erected thereon. All costs related to such correction, repair or restoration shall become a Special Assessment against such Lot.

H. Casualty Insurance. Each Owner of a zero-lot-line single family Home shall maintain physical damage insurance for such Home in an amount equal to the replacement value of the Home. The Association may require that each such Owner provide proof of insurance. Should any such Owner fail to provide proof of insurance upon request, the Association may purchase the required insurance, and the costs of such insurance may be levied as a Special Assessment against such Home.

Section 8. COVENANTS REGARDING ATTACHED HOMES Without limiting the types of Homes which may be developed within IslandWalk at the West Villages, Declarant may construct single family attached homes within IslandWalk at the West Villages. The restrictions, covenants, and provisions set forth herein shall apply to such attached Homes, and may be modified, deleted, or supplemented by subsequent amendment.

A. Utility Easements. Each attached Home Owner grants to all other Owners owning an attached Home in the same Building a perpetual utility easement for water, sewer, power, telephone and other utility and service company lines and systems installed beneath or within the attached Home.

Any expense caused by the necessary access of authorized personnel of the utility or service company to service lines affecting all Homes within an attached Home Building, and which are located beneath or within the attached Home Building shall be shared equally by each of the attached Home Owners in the Building affected; provided, however, that where the necessary access by authorized personnel of the utility or service company is required because of the intentional or negligent misuse of the utility or service company line or system by an attached Home Owner, his lessee, licensee, invitee, or agent, any expense arising therefrom shall be borne solely by such Owner. Any expense caused by the necessary access of authorized personnel of the utility or service company to service lines located within the Association Property shall be paid by the Association as a Community Expense, or where appropriate, in the sole discretion of the Board, through a Neighborhood Assessment.

B. Common Walls and Roof.

The attached Homes comprising each Building are single family attached Homes with common walls, known as "party walls," between each Home that adjoins another Home. The center line of a party wall is the common boundary of the adjoining Home.

Each common wall in an attached Home shall be a party wall, and any party to said wall, his heirs, successors, and assigns shall have the right to use same jointly with the other party to said wall as herein set forth. The term "use" shall and does include normal interior usage such as paneling, plastering, decoration, erection of tangent walls and shelving but prohibits any form of alteration which would cause an aperture, hole, conduit, break or other displacement of the original concrete or other material forming said party wall.

The entire roof of the attached Home building, any and all roof structure support, and any and all appurtenances to such structures, including without limitation, the roof covering, roof trim, and roof drainage fixtures, shall be collectively referred to as "shared roofing".

If an attached Home is damaged through an act of God or other casualty, the affected Owner shall promptly have his Home repaired and rebuilt substantially in accordance with the architectural plans and specifications of the attached Home Building. In the event such damage or destruction of a party wall or shared roof is caused solely by the neglect or willful misconduct of an attached Home Owner, any expense incidental to the repair or reconstruction of such wall or shared roof shall be borne solely by such wrongdoer. If the attached Home Owner refuses or fails to pay the cost of such repair or reconstruction, the Association shall have the right to complete such repair and reconstruction substantially in accordance with the original plans and specifications of the affected building, and the Association shall thereafter have the right to specially assess said attached Home Owner for the costs of such repair and re-construction.

The cost of maintaining each side of a party wall shall be borne by the attached Home Owner using said side, except as otherwise provided herein.

No attached Home Owner shall authorize the painting, refurbishing or modification of the exterior surfaces or shared roof of his attached Home without the consent of the Committee.

C. Maintenance of the Exterior of the Attached Homes. Except as provided herein which describes the Association's responsibility, each Owner shall at all times be responsible for the maintenance and care of the exterior surfaces of his or her attached Home. The phrase "exterior surfaces of the attached Home" shall include, but not be limited to, the exterior walls and shared roofing. The Association shall be responsible for the periodic cleaning of the exterior walls and shared roofing, and the periodic re-painting of the exterior walls of the attached Home. Repainting of the exterior surfaces of an attached Home shall be done uniformly at the same time for the entire attached Home Neighborhood by the Association.

The Board shall determine the need for repainting from time to time. All costs reasonably related to said repainting (including cleaning before repainting) by the Association shall be incurred as a Neighborhood Expense. The Neighborhood Assessment or Special Assessment required to periodically clean and repaint the exterior of the attached Homes by the

WPB:212719:3

Association in accordance with this Article will be made pursuant to the assessment powers and lien rights set forth herein.

D. Casualty Insurance. Each Owner of an attached Home shall maintain physical damage insurance for such Home in an amount equal to the replacement value of the Home. The Association may require that each such Owner provide proof of insurance. Should any such Owner fail to provide proof of insurance upon request, the Association may purchase the required insurance, and the costs of such insurance may be levied as a Special Assessment against such Home.

E. Party Fences. Those walls or fences which are constructed between two adjoining Lots and are to be shared by the Owners of said adjoining Lots are to be known as and are hereby declared to be "Party Fences." Party Fences shall be the joint maintenance obligation of the Owners of the Lots bordering the fences. Each Owner shall have the right to full use of said fence subject to the limitation that such use shall not infringe on the rights of the Owner of the adjacent Lot or in any manner impair the value of said fence. Each Owner shall have the right and duty to maintain and to perform superficial repairs to that portion of a Party Fence which faces such Owner's Lot. The cost of said maintenance and superficial repairs shall be borne solely by said Owner. In the event of damage or destruction of the Party Fence from any cause whatsoever, other than negligence or willful misconduct of one of the adjacent Lot Owners, the Owners of the adjacent Lots shall, at their joint expense, repair and rebuild said fence within 30 days, unless extended by the Board. In the event it is necessary to repair or rebuild a Party Fence, the Owners shall agree on the cost of such repairs or rebuilding, and shall agree on the person or entity to perform such repairs, provided however, all such repairs must be performed by a qualified contractor. If the Owners cannot agree on the cost of such repairs or on the person or entity to perform such repairs, each Owner shall choose a member of the Board to act as their arbiter. The Board members so chosen shall agree upon and choose a third Board member to act as an additional arbiter. All of the said Board members shall thereafter choose the person or entity to perform the repairs and shall assess the costs of such repairs in equal shares to the Owners. Whenever any such fence or any part thereof shall be rebuilt, it shall be erected in the same manner and be of the same size and of the same or similar materials and of like quality and color and at the same location where it was initially constructed. Provided, that if such maintenance, repair or construction is brought about solely by the neglect or the willful misconduct of one Lot Owner, any expense incidental thereto shall be borne solely by such wrongdoer. If the Lot Owner shall refuse to repair or reconstruct the fence within 30 days, unless extended by the Board, and to pay his share, all or part of such cost in the case of negligence or willful misconduct, the Association may have such fence repaired or reconstructed and shall be entitled to a lien on the Lot of the Owner so failing to pay for the amount of such defaulting Owner's share of the repair or replacement. In the event repairs or reconstruction shall be necessary, all necessary entries on the adjacent Lots shall not be deemed a trespass so long as the repairs and reconstruction shall be done in a workmanlike manner, and consent is hereby given to enter on the adjacent Lots to effect necessary repairs and reconstruction.

Section 9. RULES AND REGULATIONS. The Association shall, from time to time, impose rules and regulations regulating the use and enjoyment of the Association Property, the

WPB:212719:3

Homes and Improvements and other portions of the IslandWalk at the West Villages. The rules and regulations so promulgated shall, in all respects, be consistent with the provisions of the IslandWalk at the West Villages Documents. The rules and regulations shall not apply to Declarant as an Owner unless Declarant consents thereto.

Section 10. IMPLIED RIGHTS; BOARD AUTHORITY. The Association may exercise any other right or privilege given to it expressly by this Declaration or the By-Laws, or reasonably implied from or reasonably necessary to effectuate any such right or privilege. Except as otherwise specifically provided in this Declaration, the By-Laws, Articles, or by law, all rights and powers of the Association may be exercised by the Board without a vote of the membership.

Section 11. GOVERNMENTAL INTERESTS. So long as Declarant owns any property described on Exhibit "A," Declarant may designate sites within the Committed Lands for fire, police, utility facilities, and other public facilities. The sites may include Association Property.

Section 12. DEDICATION OF ASSOCIATION PROPERTY. The Association may dedicate portions of the Association Property to the County, or to any other local, state, or federal governmental entity, subject to such approval as may be required by this Declaration.

Section 13. WEST VILLAGES IMPROVEMENT DISTRICT AND PUBLIC IMPROVEMENTS.

A. West Villages Improvement District. Any and all Assessments made by the Association in accordance with the provisions of the IslandWalk at the West Villages Documents with Interest thereon and costs of collection, including, but not limited to, Legal Fees, are hereby declared to be a charge and continuing lien upon each Home and Lot against which each such Assessment is made. Said lien shall be effective only from and after the time of the recordation amongst the Public Records of the County of a written, acknowledged statement by the Association setting forth the amount due to the Association as of the date the statement is signed. Upon full payment of all sums secured by that lien, the party making payment shall be entitled to a satisfaction of the statement of lien in recordable form. 1. To accelerate the entire amount of any Assessment for the remainder of the calendar year notwithstanding any provisions for the payment thereof in installments.

2. To advance on behalf of the Owner(s) in default funds to accomplish the needs of the Association up to and including the full amount for which such Owner(s) is liable to the Association and the amount or amounts of monies so advanced, together with Interest and all costs of collection thereof, including, but not limited to, Legal Fees, may thereupon be collected by the Association from the Owner(s) and such advance by the Association shall not waive the default.

3. To file an action in equity to foreclose its lien at any time after the effective date thereof as provided in Section 2 hereinabove. The lien may be foreclosed by an action in the name of the Association in like manner as a foreclosure of a mortgage on real property.

4. To file an action at law to collect said Assessment plus Interest and all costs of collection thereof, including, but not limited to, Legal Fees, without waiving any lien rights or rights of foreclosure in the Association.

5. To charge Interest on such Assessment from the date it becomes due, as well as any late charge as provided herein by the Association to defray additional collection costs.

Section 4. RIGHTS UPON FORECLOSURE. The Association, acting on behalf of the Owners, shall have the power to bid for the Home at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same. During the period in which the Home is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no Assessment shall be assessed or levied on it; and (c) each other Home shall be charged, in addition to its usual Assessment, its equal pro rata share of the Assessment that would have been charged such Home had it not been acquired by the Association as a result of foreclosure. Suit to recover a money judgment for unpaid Community Expenses and/or Neighborhood Expenses and attorney's fees shall be maintainable without foreclosing or waiving the lien securing the same.

Section 5. COLLECTION BY DECLARANT. In the event for any reason the Association shall fail to collect the Assessments, Declarant shall at all times have the right (but not the obligation): (i) to advance such sums as the Association could have advanced as set forth above; and (ii) to collect such Assessments and, if applicable, any such sums advanced by Declarant, together with Interest and costs of collection, including, but not limited to, Legal Fees.

Section 6. RIGHTS OF DECLARANT AND INSTITUTIONAL MORTGAGEES TO PAY ASSESSMENTS AND RECEIVE REIMBURSEMENT. Declarant and any Institutional Mortgagee(s) shall have the right, but not the obligation, jointly or individually, and at their sole option, to pay any of the Assessments which are in default and which may or have become a charge against any Completed Home(s). Further, Declarant and any Institutional Mortgagee shall have the right, but not the obligation, jointly or individually, and, at their sole option, to pay insurance premiums or fidelity bond premiums or other required items of Community Expenses on behalf of the Association in the event the same are overdue and when lapses in policies or services may occur. Declarant and any Institutional Mortgagee paying overdue Community Expenses and/or Neighborhood Expenses on behalf of the Association will be entitled to immediate reimbursement from the Association plus Interest and any costs of collection including, but not limited to, Legal Fees, and the Association shall execute an instrument in recordable form to this effect and deliver the original of such instrument to each Institutional Mortgagee who is so entitled to reimbursement and to Declarant if Declarant is entitled to reimbursement.

Section 7. MONITORED ALARM SYSTEM . The Association shall have the right to enter into an agreement ("Monitored Alarm Agreement") for monitored alarm service ("Monitored Alarm Service") for Homes in IslandWalk at the West Villages. Any and all costs and expenses incurred by the Association under or pursuant to any Monitored Alarm Agreement(s) entered into by the Association for Monitored Alarm Service will be assessed against all Owners. It is contemplated that the Monitored Alarm Service may include features in addition to perimeter monitored alarm services such as, but not limited to, a smoke/heat detection system, push button panels for emergency calls or other features. Notwithstanding anything to the contrary contained in this Declaration, the costs and expenses charged to the Association under the Monitored Alarm Agreement shall be apportioned equally but only amongst those Homes with respect to which the Association is being charged under or pursuant to the Monitored Alarm Agreement except to the extent, if any, that any Owner elects to receive an "Optional Alarm Service" (being a service not automatically received by all Owners entitled to receive Monitored Alarm Service pursuant to the Monitored Alarm Agreement). Each Owner who receives an Optional Alarm Service, if any, shall be responsible for paying for the costs thereof. In addition, each Owner shall be responsible for paying any charges or other costs to register the alarm in such Owner's Home as may be required by any governmental authority. The foregoing shall in no way obligate Declarant or the Association to enter into a Monitored Alarm Agreement.

Section 8. CABLE TELEVISION SYSTEM. The Association shall have the right to enter into an agreement ("Cable Agreement") for cable television service ("Cable Service") for Homes in IslandWalk at the West Villages. Any and all costs and expenses incurred by the Association under or pursuant to any Cable Agreement(s) entered into by the Association for Cable Service will be assessed against all Owners of Completed Homes (as hereinafter defined). The Board shall have the right, but not the obligation, to contemplate that the Cable Service may include features in addition to television reception such as, but not limited to, long distance telephone or

WPB:212719:3

other features. Notwithstanding anything to the contrary contained in this Declaration, the costs and expenses charged to the Association under the Cable Agreement shall be apportioned equally, but only amongst those Homes with respect to which the Association is being charged under or pursuant to the Cable Agreement except to the extent, if any, that any Owner elects to receive an "Optional Cable Service" (being a service not automatically received by all Owners entitled to receive Cable Service pursuant to the Cable Agreement). Each Owner who receives an Optional Cable Service, if any, shall be responsible for paying for the costs thereof. The foregoing shall in no way obligate Declarant or the Association to enter into a Cable Agreement.

Section 9. ASSESSMENT CERTIFICATE. The Association shall, upon demand at any time, furnish to any Owner liable for any type of Assessment a certificate in writing signed by an officer of the Association setting forth whether such Assessment has been paid as to any particular Home. Such certificate shall be conclusive evidence of payment to the Association of such Assessment therein stated to have been paid. The Association may require the advance payment of a processing fee not to exceed Fifty (\$50.00) Dollars for the issuance of such certificate.

ARTICLE VII METHOD OF DETERMINING ASSESSMENTS AND ALLOCATION OF ASSESSMENTS

Section 1. DETERMINING AMOUNT OF ASSESSMENTS. The total anticipated Community Expenses for each calendar year shall be set forth in the budget ("Budget") prepared by the Board as required under the IslandWalk at the West Villages Documents. Each Completed Home shall be assessed its pro rata portion of the total anticipated Community Expenses, which shall be the "Individual Home Assessment" as to each Completed Home. In addition to Community Expenses, the Budget shall include and shall separately list Neighborhood Expenses, if any. Community Expenses for the Association Property shall be divided by the number of Completed Homes. Neighborhood Expenses shall be divided by the number of Completed Homes within a Neighborhood. Notwithstanding anything in the IslandWalk at the West Villages Documents to the contrary, only a "Completed Home" shall be obligated to pay Assessments. "Completed Home" shall be defined as a Home for which a certificate of occupancy or its equivalent has been issued by the appropriate governmental agency. Further, any Assessment for legal expenses incurred by the Association for lawsuits shall be deemed an Community Expense which is properly the subject of Special Assessment and not the subject of an Individual Home Assessment, except the legal fees incurred by the Association in connection with the collection of assessments or other charges which Owners are obligated to pay pursuant to the IslandWalk at the West Villages Documents or the enforcement of the use and occupancy restrictions contained in the IslandWalk at the West Villages Documents.

Section 2. ASSESSMENT PAYMENTS. Individual Home Assessments and Neighborhood Assessments shall be payable quarterly, in advance, on the first day of each month. Quarterly Assessments not paid within thirty (30) days of their respective due dates will incur a late charge not to exceed thirty (\$30.00) Dollars. Quarterly Assessments not paid within sixty (60) days of their respective due dates will incur a late charge not to exceed fifty (\$50.00) Dollars. Quarterly Assessments not paid within ninety (90) days of their respective due dates will incur a late charge not to exceed seventy (\$70.00) Dollars. Notwithstanding the foregoing, the Board has the

WPB:212719:3

right to change the method and frequency of the payments of Individual Home Assessments and Neighborhood Assessments. Individual Home Assessments and Neighborhood Assessments, and the quarterly installments thereof, may be adjusted from time to time by the Board due to changes in the Budget or in the event the Board determines that an Assessment or any installment thereof is either less than or more than the amount actually required.

Section 3. SPECIAL ASSESSMENTS. Special Assessments include Assessments designated as Special Assessments in the IslandWalk at the West Villages Documents, whether or not for a cost or expense which is included within the definition of "Community Expenses," and those Assessments which are levied for capital improvements which include the costs (whether in whole or in part) of constructing or acquiring Improvements for, or on, the Association Property or the cost (whether in whole or in part) of reconstructing or replacing such Improvements. Notwithstanding anything to the contrary herein contained, it is recognized and declared that Special Assessments shall be in addition to, and are not part of, any Individual Home Assessment. Any Special Assessments assessed against Completed Homes and the Owners thereof shall be paid by such Owners in addition to any other Assessments and shall be assessed in the same manner as the Individual Home Assessment. Special Assessments shall be paid in such installments or in a lump sum as the Board shall, from time to time, determine. Notwithstanding the foregoing, the levying of any Special Assessment after the Turnover Date shall require the affirmative assent of a majority (51%) of all Members represented in person or by proxy at a meeting called and held in accordance with the Bylaws. Prior to the Turnover Date, a Declarant-controlled Board may make a Special Assessment without such vote of the Owners. Special Assessments are not included in the guarantee set forth in Section 5 below.

The Association may also levy a Special Assessment against the Homes in the Neighborhood to reimburse the Association for costs incurred in bringing the Neighborhood into compliance with the provisions of this Declaration, any amendments thereto, the Articles, the By-Laws, and the Rules and Regulations, which Special Assessment may be levied upon the vote of the Board after notice to the Committee and an opportunity for a hearing.

Section 4. LIABILITY OF OWNERS FOR ASSESSMENTS. By the acceptance of a deed or other instrument of conveyance of a Completed Home in the IslandWalk at the West Villages, each Owner thereof acknowledges that each Home and the Owners thereof are jointly and severally liable for their own Individual Home Assessments, Neighborhood Assessments and their applicable portion of any Special Assessments, as well as for any and all other Assessments for which they are liable, as provided for herein. Such Owners further recognize and covenant that they are jointly and severally liable with the Owners of all Completed Homes for the Community Expenses (subject to any specific limitations provided for herein such as, but not limited to, the limitation with respect to matters of Special Assessment and the limitations on the liability of Institutional Mortgagees and their successors and assigns). Accordingly, subject to such specific limitations, it is recognized and agreed by each Owner, for himself and his or her heirs, executors, successors and assigns, that in the event any Owner fails or refuses to pay his or her Individual Home Assessment or any portion thereof, his or her Neighborhood Assessment or any portion thereof, or his respective portion of any Special Assessment or any other Assessment, then the other Owners may be responsible for increased Individual Home Assessments, Neighborhood Assessments or Special Assessments or other Assessments due to the nonpayment by such other Owner, and such increased Individual Home Assessment, Neighborhood Assessment or Special Assessment or other Assessment can and may be enforced

WPB:212719:3

by the Association and Declarant in the same manner as all other Assessments hereunder as provided in the IslandWalk at the West Villages Documents.

Section 5. GUARANTEED ASSESSMENT DURING GUARANTEE PERIOD. Declarant covenants and agrees with the Association and the Owners that, for the period commencing with the date of recordation of this Declaration and ending on the Turnover Date, ("Guarantee Period"), Declarant shall be excused from payment of its share of the Community Expenses and Assessments related to its Completed Home and Lots (other than Special Assessments) and, in turn, that the Individual Lot Assessment will not exceed the dollar amount set forth in the Budget of the Association ("Guaranteed Assessment") and that Declarant will pay the difference ("Deficit"), if any, between (a) the Community Expenses (other than those Community Expenses which are properly the subject of a Special Assessment) incurred by the Association during the Guarantee Period (as same may be extended as hereinafter provided), and (b) the sum of (x) the amounts assessed as Guaranteed Assessments against Owners during the Guarantee Period (as same may be extended as hereinafter provided), (y) the "Working Fund Contributions" set forth in Article VII, Section 7 hereof and (z) any other income of the Association during the Guarantee Period. Thus, during the Guarantee Period Owners shall not be obligated to pay Assessments other than the Guaranteed Assessment, Special Assessments, his or her pro rata share of the costs and expenses incurred by the Association in connection with premiums due on policies of insurance, including, but not limited to, liability, casualty, and directors and officers liability insurance for the Association Property, and the Owners' respective Working Fund Contributions. Declarant's obligation set forth in this Section 5 may be satisfied in the form of a cash subsidy or by "in kind" contributions of services or materials, or a combination thereof. The Association is specifically authorized to enter into subsidy contracts or contracts for "in kind" contribution of services or materials or a combination thereof with Declarant or other entities for the payment of some portion of the Community Expenses. The Deficit, if any, to be paid by Declarant pursuant to this Section 5 shall be determined by looking at the Guarantee Period as a whole, without regard to quarterly, annual or any other accounting or fiscal periods and without regard to intraperiod allocations. In that regard, in the event it is determined at the end of the Guarantee Period (as same may be extended as hereinafter provided) that there is a Deficit and Declarant has previously advanced funds to the Association in excess of the Deficit during the Guarantee Period, Declarant shall be entitled to the immediate repayment from the Association of the amount of funds advanced by Declarant in excess of the Deficit. Special Assessments are not included in this guarantee. Special Assessments may include assessments for items such as capital expenditures or amounts needed to supplement repair expenses not covered by insurance. The cost of premiums on policies of insurance, including, but not limited to, liability, casualty, and directors and officers liability insurance for the Association Property, in the event same is purchased by the Association, are not included in the Guaranteed Assessment. The Budget of the Association shall be based on a full build-out of IslandWalk at the West Villages.

After the Guarantee Period terminates, each Owner shall be obligated to pay Assessments as set forth in Article VII hereof, and, commencing at such time, Declarant shall be required to pay Assessments on any Lots it owns in the same manner as all other Owners.

Section 6. DECLARANT'S GUARANTEED ASSESSMENT NOT THE OBLIGATION OF INSTITUTIONAL MORTGAGEES. Notwithstanding anything to the contrary herein contained, it is specifically understood and declared that each Owner, by the acceptance of a deed or other instrument of conveyance of a Lot within the IslandWalk at the West Villages, shall be deemed to have acknowledged and agreed that no Institutional Mortgagee (other than Declarant) or any successor or assign of such Institutional Mortgagee, or any person acquiring title to any part of the IslandWalk at the West Villages by reason of the foreclosure or otherwise of an Institutional Mortgagee shall be deemed to have made, assumed or otherwise undertaken any covenants or obligations of Declarant: (i) to guarantee the level and/or duration of any Guaranteed Assessments provided for under any of the IslandWalk at the West Villages Documents; or (ii) to pay the difference between the actual Community Expenses and the Guaranteed Assessments, if any, assessed against Lots and the Owners thereof during the Guarantee Period as may be provided for in any of the IslandWalk at the West Villages Documents; provided, however, that an Institutional Mortgagee may, at its option, determine to continue the obligation of Declarant to guarantee the amount of the Assessments as herein provided. Additionally, a successor declarant shall not be deemed to guarantee the level and/or duration of any Guaranteed Assessments provided for under any of the IslandWalk at the West Villages Documents or be obligated to pay the difference between the actual Community Expenses and the Guaranteed Assessments, if any, assessed against Lots and the Owners thereof during the Guarantee Period unless such obligation is assumed in writing by such successor declarant.

Section 7. WORKING FUND CONTRIBUTION. Each Owner who purchases a Lot with a Home thereon shall pay to the Association at the time legal title is conveyed to such Owner, a "Working Fund Contribution." The Working Fund Contribution shall be equal to two (2) month's share of Assessments. The purpose of the Working Fund Contribution is to insure that the Association will have cash available for initial start-up expenses, to meet unforeseen expenditures or to acquire additional equipment and services deemed necessary or desirable by the Board. Working Fund Contributions are not advance payments of Individual Home Assessments and shall have no effect on future Individual Home Assessments or Neighborhood Assessments, nor are they required to be held in reserve. Working Fund Contributions may be used to offset Community Expenses.

Section 8. WAIVER OF USE. No Owner, other than Declarant, may waive or otherwise exempt himself from personal liability for Assessments duly levied by the Association as provided for herein, including, by way of illustration and not limitation, by non-use of Association Property or abandonment of the Home. The obligation to pay Assessments is a separate and independent covenant on the part of each Owner. No diminution, set-off, or abatement of Assessment shall be claimed or allowed by reason of any alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration or the Bylaws, or for inconvenience or discomfort arising from the making of repairs or improvement which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of the municipality or other governmental authority. No Owner may release the Home owned by him/her from the liens and charges hereof either by waiver of the use and enjoyment of the Association Property and the facilities thereon or by abandonment of his Home.

ARTICLE VIII
MAINTENANCE AND REPAIR OBLIGATIONS

Section 1. BY THE ASSOCIATION.

A. The Association, at its expense, shall be responsible for the reasonable maintenance, repair and replacement of all of the Improvements and facilities located upon the Association Property. Should any incidental damage be caused to any Home by virtue of the Association's failure to maintain the Association Property as herein required or by virtue of any work which may be performed or caused to be performed by the Association in the maintenance, repair or replacement of any Association Property, the Association shall, at its expense, repair such incidental damage. The Association shall not, however, be responsible for any loss of use, any hardship, an Owner's time or any other consequential or punitive damages.

B. The Association shall operate, maintain and repair the lawn, and a landscape irrigation system constructed over, through and upon the Association Property and the Lots as it shall deem appropriate. The Association shall be responsible for the costs of operation and maintenance of such irrigation system, including any monthly fees and other costs of water usage and the cost of repair or replacement to all or any part thereof. There is hereby reserved in favor of the Association the right to enter upon the Association Property and any and all Lots for the purpose of operating, maintaining, repairing and replacing a landscape irrigation system over, through and upon the Association Property and the Lots.

The Association shall operate, maintain and repair the stormwater management system constructed over, through and upon the IslandWalk at the West Villages. There is hereby reserved in favor of the Association the right to enter upon the Association Property and the Lots for the purpose of operating, maintaining, repairing, and replacing the Stormwater Management System, through and upon the IslandWalk at the West Villages. The Association shall be responsible for all costs associated with all cleaning, maintenance, repairs and replacement of any portion of the Stormwater Management System and dry retention area necessary to maintain the system in its original condition and use.

C. The Association shall maintain and care for all landscaping and grassed areas encompassed within each Lot and the Association Property. "Maintenance and care" within the meaning of this Subsection C shall include irrigating, fertilizing, spraying and trimming of landscaping and grassed areas; provided, however, the Association shall be entitled to conduct selective thinning to maintain a harmonious environment. If an Owner plants trees and/or landscaping on his/her Lot (with the prior written consent of the Association), such Owner shall be responsible for the maintenance, repair and replacement of same.

D. The Association shall be responsible for the maintenance, repair and replacement of all Roads and common parking areas located upon the Association Property and there is hereby reserved in favor of the Association the right to enter upon any and all parts of the Association Property and Lots for such purpose. To the extent permitted by the appropriate governmental authority, the Association shall have the right, but shall not be obligated, to also provide maintenance of all city, County, district or municipal properties which are located in a reasonable proximity of the Committed Lands to the extent that their deterioration or unkempt

WPB:212719:3

appearance would adversely affect the appearance of the IslandWalk at the West Villages, including the right to enhance the landscaping in any public right of way.

E. The Association shall be responsible for the maintenance, repair and replacement of any common lighting located in IslandWalk at the West Villages; provided, however, the Association shall not be responsible for the maintenance, repair and replacement of any lighting provided by the municipal electric service or lighting located within Tracts dedicated to the County as public roads on any Plat.

F. The Association may, if the Board so determines, paint the exterior surface of the walls, doors, and window frames of the Homes within attached Buildings (using the same colors as originally used by Declarant), and may, if the Board so determines, assume the responsibility to maintain all or a portion of the Common Structural Elements. Any proposed change in the paint scheme of Homes within the IslandWalk at the West Villages shall require the affirmative vote of seventy-five percent (75%) of the Owners within that Neighborhood. There is hereby reserved in favor of the Association the right to enter upon any and all Lots for the purpose of such maintenance if the Board determines to assume such responsibility.

G. The Association shall be responsible for the maintenance and repair of any Areas of Common Responsibility, if any.

H. The Association shall be responsible for maintenance and repair of the common mailboxes, if any, and the cost thereof would be a Neighborhood Expense of the Neighborhood with such common mailboxes.

I. Pursuant to the terms thereof, Declarant is responsible for any maintenance, service, repair and replacement of storm water Stormwater Management System and facilities located on the IslandWalk at the West Villages in accordance with the Drainage Easement(s) (i.e., those certain drainage easements, if any, set forth in a Plat. Declarant hereby assigns to the Association all of Declarant's obligations under the Drainage Easement(s), and the Association hereby assumes and agrees to be responsible for all such obligations. All costs associated with such obligations under the Drainage Easement(s) are hereby deemed to be Community Expenses.

J. The Association, by action of its Board, may make minor and insubstantial alterations and Improvements to the Association Property and/or the Building which contain attached Homes having a cost not in excess of one percent (1%) of the Association's annual budget. All other alterations and Improvements must first be approved by at least two-thirds (2/3) of all Owners represented in person or by proxy at a meeting called and held in accordance with the Bylaws. No alteration or Improvement may be made to the Association Property and/or Building which contain attached Homes which materially and adversely affects the rights of the Owner of any Home to the enjoyment of his Home or the Association Property unless the Owner and all mortgagees holding recorded mortgages on such Home consent thereto in writing.

K. All expenses incurred by the Association in connection with the services and maintenance described in Paragraphs A through K, inclusive, are Community Expenses except expenses to Buildings containing attached Homes which expenses would be Neighborhood Expenses of the Neighborhood which contains such attached Homes, payable by

WPB:212719:3

each Owner under the provisions of this Declaration concerning Assessments. Should the maintenance, repair or replacement provided for in Paragraphs A through J of this Section 1 be caused by the negligence of or misuse by an Owner, his/her family, guests, servants, invitees, or lessees, such Owner shall be responsible therefor, and the Association shall have the right to levy an Assessment against such Owner's Home and said Assessment shall constitute a lien upon the appropriate Home with the same force and effect as liens for Community Expenses.

L. The Association has a reasonable right of entry upon any Lot to make emergency repairs and to do other work reasonably necessary for the proper maintenance and operation of IslandWalk at the West Villages.

Section 2. BY THE OWNERS.

A. The Owner of each Home must keep and maintain his or her Home and the Improvements thereon, including the Common Structural Elements therein, if any, which are not maintained by the Association, including equipment and appurtenances, in good order, condition and repair, and must perform promptly all maintenance and repair work within his or her Home, including the Common Structural Elements therein, if any, which, if omitted, would adversely affect IslandWalk at the West Villages, the other Owners or the Association and its Members; however, notwithstanding the foregoing, the Board of Directors, in its sole business discretion, shall have the power and authority to require the Association, rather than the Owners of each Home, to keep and maintain each Home, and the Improvements thereon, including the Common Structural Elements therein and including equipment and appurtenances, in good order, condition, and repair, and to perform all maintenance and repair work within each Home, including the drywalls within the Homes, in which case the maintenance provisions with respect to Association Property would apply. The Owner of each Home shall be responsible for any damages caused by a failure to so maintain such Home and Common Structural Elements, if any. The Owners' responsibility for maintenance, repair and replacement shall include, but not be limited, to the caulking and maintenance of the doors and windows (including glass and frame) of the Home, and the exterior surface of such doors and windows shall at all times be maintained in a good and serviceable condition with no damage or other defect therein by the Owner. The Owner of a Home further agrees that in the event he or she damages any portion of the central irrigation system located upon his or her Lot, the Owner shall be responsible for repairing said damage. The Owner of a Home further agrees to pay for all utilities, such as telephone, cable television, water (including water associated with irrigation), sewer, sanitation, electric, etc., that may be separately billed or charged to his or her Home. The Owner of each Home shall be responsible for insect and pest control within the Home. Whenever the maintenance, repair and replacement of any items which an Owner is obligated to maintain, repair or replace at his/her own expense is occasioned by any loss or damage which may be covered by any insurance maintained in force by the Association or by the Owner, the proceeds of the insurance received shall be payable to and used by the Association for the purpose of making such maintenance, repair or replacement, except that the Owner shall be, in said instance, required to pay such portion of the costs of such maintenance, repair and replacement as shall, by reason of the applicability of any deductibility provision of such insurance or otherwise, reduce the amount of the insurance proceeds applicable to or available for such maintenance, repair or replacement.

In addition to the foregoing, the Owner of each Home shall be required to maintain appropriate climate control, keep his or her Home clean, and take necessary measures

to retard and prevent mold from accumulating in the Home. Each Owner of a Home shall be responsible for damage to his or her Home and personal property as well as any injury to the Owner of a Home and/or occupants of the Home resulting from the Owner's failure to comply with these terms. Each Owner of a Home shall be responsible for the repair and remediation of all damages to the Home caused by mold.

B. The Owner of each Home shall keep the sidewalk located on his or her Lot clean and free from any impediments to pedestrian traffic.

C. The Owner of each Home shall be responsible for the painting of the exterior surface of the garage doors and for the maintenance, repair and replacement of any mechanisms associated with the garages located within his or her Home.

D. The Owner of each Home shall wash all windows located within his or her Home.

E. An Owner shall not plant any shrubs, trees and/or landscaping on his or her Lot without the prior written approval of the Association. If an Owner receives such approval and plants any shrubs, trees and/or landscaping on his or her Lot, such Owner shall be responsible for maintaining such shrubs, trees and/or landscaping.

F. The Owner of each Home shall be responsible for maintaining in good condition and repair the balconies, if any, of his or her home, as well as any sliding doors or screens adjacent to or part of the balcony ("Balcony"), if any. In the event a repair related to the construction of the Balcony is required, the Owner of each Home shall be responsible for such repair. If the Home Owner of the Home installs a covering on the surface of the Balcony, such as but not limited to tile, then the covering shall remain the personal property of such Home Owner. No Owner may install a covering on the surface of the Balcony which will effect the slope or drainage of a Balcony. The Owner of each Home shall be responsible for any painting of the exterior walls of the Balcony unless the Board determines that the Association shall assume this responsibility.

G. If a Home is damaged by fire or other casualty, including the Common Structural Elements therein, if any, its Owner shall properly and promptly restore it to at least as good a condition as it was before the casualty occurred. Any such work shall be in accordance with the original plans and specifications of the Home unless otherwise authorized by the Board. Notwithstanding the foregoing, in the event the Board determines that the Association shall assume the responsibility of repairing the Common Structural Elements, the Owner shall be relieved of such responsibility. The Association shall be obligated to notify every Owner of such election in writing.

H. Each Owner shall keep insured the interior portions of his or her Home and his or her personal property (including, but not limited to, all floor, wall, ceiling coverings, electrical fixtures, appliances, air conditioner, or heating equipment, water heaters, water filters, built-in cabinets and countertops, and window treatments, including curtains, drapes, blinds, hardware, and similar window treatment components, or replacements of any of the foregoing and all air conditioning compressors, whether or not located within the Home boundaries, etc.).

I. The Owner of each Home shall maintain property and casualty insurance on each Building (as well as the Common Structural Elements and the drywall located within the interior portions of a Home) in which Homes are located in accordance with the provisions of Article XI hereof. Evidence of the coverage described in this Paragraph I shall be furnished to the Association promptly upon the Board's request. No Owner shall cancel such insurance without at least thirty (30) days prior written notice to the Association. Notwithstanding the foregoing, in the event the Board elects to purchase casualty insurance for the Common Structural Elements, the Owners shall be relieved of such responsibility. In that event, the insurance proceeds for the repair and rebuilding shall be paid to the Association and not the Owner.

J. If an Owner fails to comply with the foregoing provisions of this Section 2, the Association may proceed in court to compel compliance to cause an Owner to comply. Further, if the failure to comply relates to the Owner's obligations to maintain insurance, the Association shall be entitled, although not obligated, to obtain the required coverage itself and to levy on the offending Owner an Assessment equal to the cost of premiums, and any such Assessment shall constitute a lien upon the applicable Home with the same force and effect as a lien for Community Expenses.

K. If a failure to comply with the provisions of this Section 2 relates to the Owner's obligation to maintain the Home, landscaping or any other area required to be maintained by the Owner, then, in addition to the exercise of all other remedies, the Association or Declarant shall have the right but not the obligation, upon fifteen (15) days written notice, to enter the property of the Owner for the purpose of performing the maintenance referred to, set forth and described in the notice. The determination of whether an Owner is failing to properly maintain and care for the property for which he or she has the maintenance responsibility shall be determined in the sole discretion of the Association or Declarant. Further, the Association shall be entitled, but not obligated, to perform such maintenance and care itself and to levy on the offending Owner an Assessment equal to the cost of performing such maintenance and any such Assessment shall constitute a lien upon the applicable Home with the same force and effect as a lien for Community Expenses.

Section 3. NEIGHBORHOOD'S RESPONSIBILITY. Where appropriate and upon resolution of the Board, a Neighborhood shall be responsible for paying, through Neighborhood Assessments, the costs of maintenance of certain Association Property within or adjacent to such Neighborhood, which may include, without limitation, the costs of maintenance of any right-of-way and landscaped area between the Neighborhood and adjacent public roads, private streets within a Neighborhood, if any, and lakes within a Neighborhood, regardless of ownership and regardless of the fact that such maintenance may be performed by the Association.

Section 4. DAMAGE TO BUILDINGS. The Owner of any Home which has suffered damage may apply to the Association for approval for reconstruction, rebuilding, or repair of the Improvements therein. The Association shall grant such approval only if, upon completion of the work, the exterior appearance will be substantially similar to that which existed prior to the date of the casualty. If the obligation for repair falls upon the Association, the Association approval will not be required prior to the commencement of such work, so long as the exterior appearance will be substantially similar to that which existed prior to the date of the casualty.

The Owner or Owners of any damaged Building and/or the Association shall be obligated to proceed with all due diligence hereunder and the responsible parties shall commence reconstruction within three (3) months after the damage occurs and complete reconstruction within one (1) year after the damage occurs, unless prevented by causes beyond his or her or its reasonable control.

Declarant shall be exempt from the provisions of this Section 4, provided that any such reconstruction, rebuilding or repairs made by Declarant shall be consistent, as to the exterior appearance, with the Improvements as they existed prior to the damage or other casualty.

ARTICLE IX **USE RESTRICTIONS**

All of the Committed Lands shall be held, used, and enjoyed subject to the following limitations and restrictions, and any and all additional rules and regulations which may, from time to time, be adopted by the Association:

Section 1. ENFORCEMENT. Failure of an Owner to comply with any limitations or restrictions in this Declaration or any of the IslandWalk at the West Villages Documents, or with any rules and regulations promulgated by the Association, shall be grounds for action which may include, without limitation, an action to recover sums due for damages, injunctive relief, or any combination thereof.

Notwithstanding the rights of the Association hereunder to enforce to the terms and provisions of the IslandWalk at the West Villages Documents, the SWFWMD shall also have the right to take enforcement action, including a civil action for an injunction and penalties, against the Association to compel the Association to correct any failure by the Association to operate, maintain and repair the Stormwater Management System in accordance with the applicable environmental resource or surface water management permit issued for IslandWalk at the West Villages.

In addition to all other remedies, the Association may levy reasonable fines against any Owner or any Owner's tenant, guest or invitee for failure of such Owner, his or her family, guests, invitees, lessees or employees to comply with any of the IslandWalk at the West Villages Documents, provided the following procedures are adhered to:

A. **Notice.** The Association shall notify the Owner in writing of the noncompliance and set forth the corrective action to be taken. A fine or suspension of use rights may not be imposed without notice of at least fourteen (14) days to the Owner sought to be fined or suspended and an opportunity for a hearing before a committee of at least three (3) members appointed by the Board who are not officers, directors, or employees of the Association, or the spouse, parent, child, brother or sister of an officer, director, or employee of the Association. If the committee, by majority vote, does not approve a proposed fine or suspension, it may not be imposed. At the Association's option, any fine may be levied on a daily basis in the event of a continuing violation without the necessity of a new hearing and without any limitation on the amount of such fine.

B. Hearing. Should the Owner still be in noncompliance, the noncompliance shall be presented to the Board after which the Board shall hear reasons why a fine should or should not be imposed. A written decision of the Board shall be submitted to the Owner, as applicable, not later than twenty-one (21) days after said meeting.

C. Payment. A fine shall be paid not later than thirty (30) days after notice of the imposition of the fine.

D. Fines. An Owner shall be responsible for all Legal Fees incurred in connection with the collection of a fine whether or not an action at law to collect said fine is commenced. All monies received from fines shall be allocated as directed by the Board, subject always to the provisions of this Declaration.

E. Failure to Pay Assessments. Notice and Hearing as provided in Subparagraphs A and B above shall not be required with respect to the imposition of suspension of use rights or fines upon any Owner because such Owner's failure to pay Assessments or other charges when due.

F. Access. Suspension of use rights to Association Property shall not impair the right of an Owner or tenant of a Home to have vehicular and pedestrian ingress to and egress from such Home, including, but not limited to, the right to park.

Section 2. NUISANCES. No obnoxious or offensive activity shall be carried on or about the Lots or in or about any Improvements, Homes, or on any portion of IslandWalk at the West Villages nor shall anything be done therein which may be or become an unreasonable annoyance or a nuisance to any Owner. No use or practice shall be allowed in or around the Homes which is a source of annoyance to Owners or occupants of Homes or which interferes with the peaceful possession or proper use of the Homes or the surrounding areas. No loud noises or noxious odors shall be permitted in any Improvements, Homes or Lots. Notwithstanding anything to the contrary herein, so long as any activity which is carried on a Lot is allowable within applicable zoning regulations, no such activity shall be deemed a nuisance hereunder.

Section 3. PARKING AND VEHICULAR RESTRICTIONS. Vehicles shall be parked only in the garages or in the driveways serving the Homes or Lots or in the appropriate spaces or designated areas in which parking may be assigned, and then subject to the reasonable rules and restrictions adopted by the Board. For the purposes of this Section, a "Truck" shall be defined as a vehicle with a bed behind the passenger cab, regardless of whether the bed is enclosed and shall not include any vehicle commonly known as an SUV. Vehicles shall not be parked overnight on Roads or swales. All commercial vehicles (i.e., any vehicle which has any exterior lettering or logo, or has visible tools or equipment), recreational vehicles, trailers, campers, camper trailers, boats, watercraft, motorcycles, boat trailers, Trucks rated more than one-half ton capacity (i.e., larger than a Ford F150 or GMC 1500), motor homes, buses, non-passenger vans (i.e., any van which does not have permanent installed seating for four or more passengers and does not have windows completely circling the exterior or is in excess of seventeen (17) feet in length), or any vehicles over eighty (80) inches in height shall be parked entirely within the garage of the Home and shall not be parked on any part of Islandwalk at the West Villages, on any driveway serving any Lot or Home, or on any designated parking space within Islandwalk at

the West Villages except: (1) commercial vehicles, vans, or Trucks delivering goods or furnishing services temporarily during daylight hours and (2) upon such portions of Islandwalk at the West Villages as the Board may, in its discretion, allow. The Association shall have the right to authorize the towing away of any vehicles in violation of this rule with the costs and fees, including attorneys' fees, if any, to be borne by the vehicle owner or violator. No Owner shall keep any vehicle or conduct vehicle repairs on any Lot, except fully enclosed within his or her garage, which is deemed to be a nuisance by the Board. No garage shall be used as a living area. No garage shall be altered in such a manner that the number of automobiles which may be parked therein after the alteration is less than the number of automobiles that could have reasonably been parked in the garage as originally constructed.

Section 4. NO IMPROPER USE. No improper, offensive, hazardous or unlawful use shall be made of any Home nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance or nuisance to any person using any portion of the IslandWalk at the West Villages. All valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereover shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereover relating to any Home shall be corrected by, and at the sole expense of, the Owner of the Home.

Section 5. LEASES. No portion of a Home (other than an entire Home) may be rented. No entire Home may be rented for a term of less than six (6) consecutive months. Not less than 10 days after the effective date of any lease, the Owner shall furnish to the Association a copy of the lease. All leases shall provide that the Association shall have the right to terminate the lease upon default by the tenant in observing any of the provisions of this Declaration, the Articles, the Bylaws, applicable rules and regulations, or of any other agreement, document or instrument governing the Homes. The Owner of a leased Home shall be jointly and severally liable with his or her tenant for compliance with the IslandWalk at the West Villages Documents and to the Association to pay any claim for injury or damage to property caused by the negligence of the tenant. Every lease shall be subordinated to any lien filed by the Association whether before or after such lease was entered into.

Section 6. ANIMALS AND PETS. No animals shall be raised, bred, or kept on any Lot, except that dogs, cats, or other household pets may be kept on the Lot, provided they are not kept, bred or maintained for any commercial purpose, or in numbers deemed unreasonable by the Board. No Owner shall be permitted to maintain on his or her Lot any dog or dogs of mean or of violent temperament or otherwise evidencing such temperament. Trained seeing-eye dogs will be permitted for those persons holding certificates of blindness and necessity. Other animals will be permitted if such animals serve as physical aides to handicapped persons and such animals have been trained or provided by an agency or service qualified to provide such animals. The guide or assistance animal will be kept in direct custody of the assisted person or the qualified person training the animal at all times when in the IslandWalk at the West Villages and the animal shall wear and be controlled by a harness or orange-colored leash and collar. Pets may not be kept, bred or maintained for any commercial purpose. Any pet must be temporarily caged, carried or kept on a leash when outside of a Home. No pet shall be kept tied outside a Home, or on any balcony or patio, unless someone is present in the Home. No dogs will be curbed in any landscaped area or close to any walk, but only in special areas designated by the Board, if any, provided this statement shall not require the Board to designate any such area. An

Owner shall immediately pick up and remove any solid animal waste deposited by his or her pet. The Owner shall compensate any person hurt or bitten by his or her pet and shall indemnify the Association and hold it harmless against any loss or liability of any kind or character whatsoever arising from or growing out of having any animal within the IslandWalk at the West Villages. If a dog or any other animal becomes obnoxious to other Owners by barking or otherwise, the Owner thereof must cause the problem to be corrected; or, if it is not corrected, the Owner, upon written notice by the Association, will be required to permanently remove the animal from the IslandWalk at the West Villages. The Association will promulgate rules and regulations from time to time designating other rules as necessary to regulate pets.

Section 7. ADDITIONS AND ALTERATIONS. No Home shall be enlarged by any addition thereto or to any part thereof, and no Owner shall make any improvement, addition, or alteration to the exterior of his or her Home or balcony or patio, if applicable, including, without limitation, the painting, staining, or varnishing of the exterior of the Home, including doors, garage doors, patios, balconies, driveways and walkways, without the prior written approval of the Committee, as hereinbelow defined, which approval may be withheld for purely aesthetic reasons, and all applicable governmental entities. Additionally, no Owner shall make any improvement, addition or alteration to the interior of his or her Home that would affect the fire protection, electric, plumbing or other like system without the prior written approval of the Committee.

Section 8. INCREASE IN INSURANCE RATES. No Owner may engage in any action which may reasonably be expected to result in an increase in the rate of any insurance policy or policies covering or with respect to any portion of the IslandWalk at the West Villages not owned by such Owner.

Section 9. SLOPES AND TREES. No Owner may engage in any activity which will change the slope or drainage of a Lot. No additional trees or other landscaping are permitted to be planted on the IslandWalk at the West Villages without the prior written consent of Committee.

Section 10. SIGNS. No sign (specifically including, but not limited to, for sale signs), display, poster, or other advertising device of any kind may be displayed in public view of any portion of any Building or other Improvement in the IslandWalk at the West Villages or in or about an automobile without the prior written consent of the Committee. Signs, regardless of size, used by Declarant, its successors or assigns, for advertising during the construction and sale period of IslandWalk at the West Villages or other communities developed and/or marketed by Declarant or its affiliates and other signs authorized by Declarant shall be exempt from this Section. Such sign or signs as Declarant may be required to erect under the terms of an Institutional Mortgage shall be exempt from this Section.

Section 11. TRASH AND OTHER MATERIALS. No rubbish, trash, garbage, refuse, or other waste material shall be kept or permitted on the Lots and/or Association Property, or other portions of the IslandWalk at the West Villages, except in sanitary, self-locking containers located in the garage of each Home or dumpsters designated for such purpose, and no odor shall be permitted to arise therefrom so as to render the IslandWalk at the West Villages or any portion thereof unsanitary, offensive, detrimental or a nuisance to Owners or to any other property in the vicinity thereof or to its occupants. No clothing or other household items shall be hung, dried, or aired in such a way as to be visible from the Association Property or another Lot.

WPB:212719:3

No stripped vehicles, lumber or other building materials, grass, tree clippings, metals, scrap, automobile pieces or parts, refuse, or trash shall be stored or allowed to accumulate on any portion of the IslandWalk at the West Villages (except when accumulated during construction by Declarant, during construction approved by the Association, or when accumulated by the Association for imminent pick-up and discard). Trash shall be placed in front of each Home or in designated dumpsters no earlier than 5:00 p.m. the night before pick-up and trash receptacles shall be removed no later than midnight on the day of pick-up.

Section 12. TEMPORARY STRUCTURES. No tent, shack, shed or other temporary building or Improvement, other than separate construction and sales trailers to be used by Declarant, its agents and contractors, for the construction, service and sale of IslandWalk at the West Villages or other communities, shall be placed upon any portion of the IslandWalk at the West Villages, either temporarily or permanently. No trailer, motor home or recreational vehicle shall be: (a) used as a residence, either temporarily or permanently, or (b) parked upon the IslandWalk at the West Villages.

Section 13. OIL AND MINING OPERATIONS. No oil drilling, oil development operations, oil refining, boring or mining operations of any kind shall be permitted upon or on any Lot nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any Lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any Lot.

Section 14. SEWAGE DISPOSAL. No individual sewage disposal system shall be permitted on any of the IslandWalk at the West Villages, provided that a central sewage disposal system is being operated in accordance with the requirements of the governmental regulatory body having jurisdiction over said central system.

Section 15. WATER SUPPLY. No individual water supply system shall be permitted on any of the IslandWalk at the West Villages, provided that a central water supply system is being operated in accordance with requirements of the governmental body having jurisdiction over said central system.

Section 16. LANDSCAPING. Any landscaping, artificial vegetation, exterior sculpture and similar items planted or placed upon any Lot must be approved in writing by the Committee prior to installation. The Owner assumes complete responsibility to maintain the landscaping planted by the Owner.

Notwithstanding that an Owner has obtained the approval of the Committee to install landscape materials, as provided hereinabove, such installation shall be at the Owner's sole risk. In the event any construction activity on an adjacent Lot causes damage to or destruction of such Owner's landscape materials or any part thereof, the Owner on whose Lot the landscaping has been damaged shall be required, at the Owner's expense, to repair or replace such landscape materials in conformance with the requirements of the Association's approval of the initial installation of the landscape materials and Declarant shall have no liability for any such damage or destruction. Such repair or replacement shall commence as soon as construction on the adjacent Lot has been completed and shall be pursued with due diligence. For purposes of this paragraph, the term "landscape materials" shall include landscape materials located on or

adjacent to any property line of a Lot, including, by way of example and not of limitation, hedges, shrubs and trees.

In addition, the installation of any landscaping placed upon any Lot is subject to easements which run with the land. In the event the grantee of any such easement which runs with the land (i.e., FPL), its successors and/or assigns, requires the removal of any landscaping upon the Lot, then the Owner of said Lot shall, at the Owner's sole cost and expense, immediately remove the landscaping. If the grantee of any such easement fails to restore the removed landscaping, it shall be the Owner's responsibility to restore any removed landscaping on the Lot to at least such condition as originally established by Declarant. The Owner of a Lot in installing any landscaping upon the Lot shall comply with all valid laws, zoning ordinances and regulations of the city and County governmental bodies, as applicable, in addition to Association approval.

Section 17. ANTENNAE. No outside television, radio, or other electronic towers, aerials, antennae, satellite dishes or device of any type for the reception or transmission of radio or television broadcasts or other means of communication shall hereafter be erected, constructed, placed or permitted to remain on any portion of the IslandWalk at the West Villages or upon any improvements thereon, unless expressly approved in writing by the Committee, except that this prohibition shall not apply to those satellite dishes that are one (1) meter (39.37 inches) in diameter or less, and specifically covered by 47 C.F.R. Part 1, Subpart S, Section 1.4000, as amended, promulgated under the Telecommunications Act of 1996, as amended from time to time. The Association is empowered to adopt rules governing the types of antennae which may be permitted and restrictions relating to safety, location and maintenance of antennae. The Association may also adopt and enforce reasonable rules limiting installation of permissible dishes or antennae to certain specified locations, not visible from the street and integrated with the IslandWalk at the West Villages and surrounding landscape, to the extent that reception of an acceptable signal would not be unlawfully impaired by such rules and provided the cost of complying with such rules would not unreasonably increase the cost of installation of permissible dishes or antennae. Any permissible dishes or antennae shall be installed in compliance with all federal, state and local laws and regulations, including zoning, land-use and building regulations. Further, any Owner desiring to install permissible dishes or antennae may, but it not obligated, submit plans and specifications for same to the Association to ensure compliance with the Association's rules, if any, governing the types of permissible antennae and restrictions relating to safety, location and maintenance of antennae. This Section 17 shall not apply to Declarant.

Section 18. GARAGES. No Owner shall enclose any portion of his or her garage or convert his or her garage into living space. No garage shall be altered in such a manner that reduces the number of automobiles that could have reasonably been parked in the garage as originally constructed. When not in use, Owners shall keep their garage doors closed. Each Owner shall keep his or her garage free from clutter so that at all times his or her car can easily be parked in his or her garage.

Section 19. CONVEYANCES, TRANSFER AND ENCUMBRANCES OF HOMES.

In order to assure a community of congenial residents and thus protect the value of the Homes in IslandWalk at the West Villages, the sale or lease of Homes shall be subject to the following provisions:

(a) Notice to Association. Not less than 20 days prior to: (i) the date of any closing of a sale, or (ii) the effective date of any lease; the Owner shall notify the Association in writing of his or her intention to sell or lease his or her Home and furnish with such notification a copy of the contract for purchase and sale or a copy of the lease, whichever is applicable. Except as provided in paragraphs c and d below, it is not the intention of this Article to grant to the Association a right of approval or disapproval of purchasers or lessees. It is, however, the intent of this paragraph to impose an affirmative duty on the Owners to keep the Association fully advised of any changes in occupancy or ownership for the purposes of facilitating the management of the Association's membership records. As this Article is a portion of the Declaration which runs with the land, any transaction which is conducted without compliance with this Article may be voidable by the Association.

(b) Lease Agreement Terms. Any and all lease agreements between an Owner and a lessee of such Owner shall be in writing, shall provide for a term of not less than six (6) months, and must provide that the lessee shall be subject in all respects to the terms and provisions of this Declaration and that any failure by the lessee under such lease agreement to comply with such terms and conditions shall be a material default and breach of the lease agreement. The lease agreement shall also state the party who will be responsible for the assessments as stated above, and it shall be the obligation of all Owners to supply the Board with a copy of said written agreement prior to the lessee occupying the premises. Unless provided to the contrary in a lease agreement, an Owner, by leasing his Home, automatically delegates his right of use and enjoyment of the Association Property and facilities to his lessee; and in so doing, said Owner relinquishes said rights during the term of the lease agreement.

(c) Association Approval. Upon receipt of a copy of the contract for purchase and sale or a copy of the lease, the Association shall within ten (10) business days, issue a Certificate indicating the Association's approval of the transaction. In the event of a sale it shall then be the responsibility of the purchaser to furnish the Association with a recorded copy of the deed of conveyance indicating the owner's mailing address for all future assessments and other correspondence from the Association. Provided, however, prior to the issuance by the Association of a Certificate indicating the Association's approval of the transaction, the purchaser or lessee shall be required to agree to comply with the Rules and Regulations of the Association.

(d) Delinquent Owners. Notwithstanding the provisions above, in the event that an Owner is delinquent in paying any assessment, or the Owner or his buyer, family, guests, agents, licensees or invitees are not in compliance with any provisions of the IslandWalk at the West Villages Documents, the Association has the right to disapprove of any sale; and in the case of a lease, the right to disapprove of and to void any lease at any time prior to or during the leasehold tenancy until any delinquent assessment is paid and/or until any violation of the IslandWalk at the West Villages Documents is corrected.

WPB:212719:3

(e) Any person who becomes an Owner by gift, devise or conveyance shall within ten (10) days after such transfer furnish the Association with his or her name and such other information as the Association may reasonably require.

(f) If an Owner should die and the title to his or her Lot shall pass to his or her surviving spouse or to any immediate member of his or her family, such successor in title shall fully succeed to the ownership, rights, duties and obligations of the Owner.

(g) Rights of Institutional Mortgagees. The provisions of this Section 19 shall in no way be construed as affecting the rights of an Institutional Mortgagee owning a recorded institutional first mortgage on any Lot and the rights hereinabove set forth shall remain subordinate to any such institutional first mortgage. Further, the provisions of this Section 19 shall not be applicable to purchasers at foreclosure or other judicial sales of Institutional Mortgagees, or to transfers to Institutional Mortgagees or to Declarant.

Section 20. CLOTHESLINES. No clothesline or other similar device shall be allowed in any portion of the IslandWalk at the West Villages, unless within a Home and concealed from view from all other portions of the IslandWalk at the West Villages and from the surrounding public areas. No towels shall be permitted to be hung from the balconies.

Section 21. GARAGE SALES. No garage sales, estate sales, yard sales, moving sales, or any other sales that invite the public, shall be carried on in or about IslandWalk at the West Villages.

Section 22. HURRICANE SEASON. Each Owner who plans to be absent from his or her Home during the hurricane season must prepare his or her Home prior to his or her departure by removing all furniture, potted plants and other movable objects, if any, from his or her balcony, patio, and/or Lot, and designate a responsible firm or individual satisfactory to the Association to care for the Home should the Home suffer hurricane damage. Such person or firm shall also contact the Association for permission to install temporary hurricane shutters, which must be removed when no longer necessary for storm protection. Other than shutters installed by Declarant, at no time shall permanent hurricane shutter be permanently installed without the prior written approval of the Committee. Storm shutters and panels which are not permanently installed shall be put in place or closed not more than Five (5) days before and five (5) days after a storm event (a "storm event" is defined as a meteorological event in which winds in excess of fifty (50) miles per hour and rainfall has occurred, or is expected to occur).

Section 23. ENCLOSURES. No enclosures of any kind, including but not limited to, glass and screen enclosures, shall be constructed or placed on the balconies or patios, if applicable, without the prior written approval of the Committee.

Section 24. RESIDENTIAL USE. The IslandWalk at the West Villages shall be used only for single family, residential, recreational, and related purposes. The Homes and Association Property may be used only for residential and recreational purposes, with certain flexibility in assigning and reassigning various land uses to the real property within IslandWalk at the West Villages (which may include, without limitation, offices for any property manager retained by

the Association or business offices for Declarant and the Association, and limited commercial capacities). The Supplemental Declaration or other creating document for any Neighborhood may impose stricter standards than those contained in this Article IX. The Board shall have standing to enforce such standards.

Section 25. OCCUPANTS BOUND. All provisions of the IslandWalk at the West Villages Documents and of any Rules and Regulations or use restrictions promulgated pursuant thereto which govern the conduct of Owners, and which provide for sanctions against Owners, shall also apply to all occupants of any Home.

Section 26. LIGHTING. Except for seasonal decorative lights, which may be displayed between December 1, and January 10 only, all exterior lights must be approved in writing by the Committee.

Section 27. LAKES AND WATER BODIES. All lakes, canals, and water bodies shall be primarily aesthetic amenities and all other uses thereof, including, without limitation, fishing, boating, swimming, playing, or use of personal flotation devices, shall be subject to the Rules and Regulations promulgated by the Board. The Association shall not be responsible for any loss, damage or injury to any person or property arising out of the authorized or unauthorized use of the lakes, canals, or water bodies within the IslandWalk at the West Villages.

The ponds within IslandWalk at the West Villages contain littoral areas, which are required by State and County regulations to be vegetated with native plants, and maintained in perpetuity. Littoral areas aid in shoreline stabilization and nutrient uptake, and provided habitat for native animal species. No Owner shall alter vegetation growing upon a littoral area without written authorization from Sarasota County's Resource Protection office. Alteration shall include, but not be limited to, cutting, mowing, pulling, planting, and the introduction of grass carp.

Section 28. WINDOWS. All draperies, curtains, shades, or other window coverings installed in a Home, and which are visible from the exterior of the Home, shall have a white backing, unless otherwise approved in writing by the Committee.

Section 29. POOLS. No above ground pools shall be erected, constructed or installed on any Lot.

Section 30. IRRIGATION. No sprinkler or irrigation systems of any type which draw water from lakes, rivers, ponds, canals or other ground or surface waters within the IslandWalk at the West Villages shall be installed, constructed or operated by an Owner within the IslandWalk at the West Villages unless prior written approval has been obtained from the Committee and such sprinkler or irrigations systems are not prohibited by County regulation.

Section 31. DRAINAGE AND SEPTIC SYSTEMS. Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. No Person, other than Declarant, or the Southwest Florida Water Management District, may obstruct or re-channel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains. Declarant hereby reserves a perpetual easement across the

properties for the purpose of altering drainage and water flow. Septic systems are prohibited in IslandWalk at the West Villages.

Section 32. TREE REMOVAL. No trees shall be removed, except for diseased or dead trees and trees needing to be removed to promote the growth of other trees or for safety reasons, unless approved by the Committee.

Section 33. SIGHT DISTANCE. All property located at street intersections shall be landscaped so as to permit safe sight across street corners. No fence, wall, hedge, shrub, or planting shall be placed or permitted to remain where it would create a traffic or sight problem.

Section 34. BUSINESS USE. The Lots shall be used solely for single family purposes. Nothing herein shall be deemed to prevent an Owner from leasing a home to a single family, subject to all of the terms, conditions, and covenants contained in this Declaration. The Lots shall not be used in any trade, business, professional, or commercial capacity. Nothing contained herein shall prohibit Declarant from carrying on any and all types of construction activity necessary to complete IslandWalk at the West Villages, including the construction and operation of a sales model and office by Declarant until all of the Lots have been sold.

Section 35. GOLF CART. All golf carts leased, owned, or otherwise used by Owners may be parked, placed, or stored only in the garages of each Home. No golf cart shall be placed, parked, or stored on the lawn of any Home or on any portion of the Association Property, unless such area is specifically designated as a golf cart parking area by the Board. No golf cart shall be driven outside the entrance area or boundaries of IslandWalk at the West Villages. Owners of golf carts, by operating same within IslandWalk at the West Villages shall be presumed to have released Declarant and the Association of all liability arising from an Owner's use of his or her golf cart. Each year, the owners of golf carts shall provide the Association with proof of liability insurance in connection with the operation of their golf carts, and such insurance shall have such limits as shall be approved by the Association in its sole discretion. Each such insurance policy shall name the Association as an additional insured, and shall provide the Association with thirty (30) days notice prior to its cancellation. An Owner who uses a golf cart shall be held fully responsible for any and all damages resulting from the misuse of a golf cart caused by the owner, his or her family members, guests, licensees, invitees, employees, or agents, and the owner shall reimburse the Association for any and all damages the Association may sustain by reason of such misuse. Such damages shall be collectible as a Special Assessment pursuant to the procedures for such assessments set forth herein.

Section 36. UNSIGHTLY CONDITIONS. All weeds, rubbish, debris, or unsightly materials or objects of any kind shall be regularly removed from the Homes and/or Lots, and shall not be allowed to accumulate thereon. All refuse containers (except on scheduled trash pick-up days), all machinery and equipment, and other similar items of personal property shall be obscured from view of adjoining streets, Homes, Lots or Association Property. All Homes and/or Lots shall be kept in a clean and sanitary condition and no rubbish, refuse, or garbage shall be allowed to accumulate, or any fire hazard allowed to exist. In the event an Owner fails to maintain his Home and/or Lot as required, for a period of at least thirty (30) days, the Association shall have

the right, exercisable in its discretion, to clear any rubbish, refuse, or unsightly debris and/or growths from any Home and/or Lot deemed by the Association to be a health menace, fire hazard or a detraction from the aesthetic appearance of IslandWalk at the West Villages; provided, however, that at least fifteen (15) days prior notice shall be given by the Association to the Owner of such Home and/or Lot before such work is done by the Association. In the event the Association, after such notice, causes the subject work to be done, then, and in that event, the costs of such work, together with interest thereon at the maximum rate permitted by the usury laws of the State of Florida, shall be charged to the Owner and shall become a lien on the Home and/or Lot, which lien shall be effective, have priority and be enforced pursuant to the procedures set forth in this Declaration.

Section 37. SUBDIVISION OF HOME. Homes shall not be further subdivided or separated by any Owner, and no portion less than all of any such Home, nor any easement shall be conveyed or transferred by an Owner; provided, however, that this shall not prevent corrective deeds, deeds to resolve boundary disputes and other similar corrective instruments. Declarant, however, hereby expressly reserves the right to subdivide, replat, or otherwise modify the boundary lines of any Home or Homes owned by Declarant. Any such division, boundary line change, or replatting shall not be in violation of the applicable County subdivision and zoning regulations.

Section 38. ENERGY CONSERVATION EQUIPMENT. All solar heating apparatus must conform to the standards set forth in the HUD Intermediate Minimum Property Standards Supplement, Solar Heating, and domestic Water Systems. No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed unless it is an integral and harmonious part of the architectural design of a structure, as reasonably determined by the Committee. No solar panel, vents, or other roof-mounted, mechanical equipment shall project more than 1.5 feet above the surface of the roof of a Home; and all such equipment shall be painted consistent with the color scheme of the roof of the Home. This provision is not intended to prohibit the use of solar energy devices.

Section 39. RECREATIONAL FACILITIES. All recreational facilities and playgrounds furnished by the Association or erected within the Committed Lands, if any, shall be used at the risk of the user, and the Association shall not be held liable to any person or persons for any claim, damage, or injury occurring thereon or related to use thereof.

Section 40. RULES AND REGULATIONS. The Owners shall abide by each and every Rule and Regulation promulgated from time to time by the Board. The Board shall give an Owner in violation of the Rules and Regulations, written notice of the violation by U.S. Certified Mail, return receipt requested, and fifteen (15) days in which to cure the violation. Should the Association be required to seek enforcement of any provision of this Declaration or the Rules and Regulations and prevail in such action, then the offending Owner (for himself or for his family, guests, invitees, or lessees) shall be liable to the Association for all costs incurred in the enforcement action, including reasonable attorneys' fees, whether incurred in trial or appellate proceedings or otherwise.

Section 41. DECLARANT EXEMPTION. Declarant plans to undertake the work of constructing Homes and Improvements upon the IslandWalk at the West Villages and may undertake the work of constructing other buildings upon adjacent land or other property being developed or marketed by Declarant or its affiliates. The completion of that work and the sale, rental and other transfer of Homes is essential to the establishment and welfare of the IslandWalk at the West Villages as a residential community. In order that such work may be completed and a fully occupied community established as rapidly as possible, neither the Owners nor the Association shall do anything to interfere with Declarant's activities.

In general, the restrictions and limitations set forth in this Article IX shall not apply to Declarant or to Homes owned by Declarant. Declarant shall specifically be exempt from any restrictions which interfere in any manner whatsoever with Declarant's plans for development, construction, sale, lease, or use of the IslandWalk at the West Villages and to the Improvements thereon. Declarant shall be entitled to injunctive relief for any actual or threatened interference with its rights under this Article IX in addition to whatever remedies at law to which it might be entitled.

ARTICLE X
DAMAGE OR DESTRUCTION TO ASSOCIATION PROPERTY
AND/OR COMMON STRUCTURAL ELEMENTS

Damage to or destruction of all or any portion of the Association Property and/or Common Structural Elements, in the event the Board elects to have the Association insure same and/or be responsible for the repair and rebuilding of same, shall, notwithstanding any provision in this Declaration to the contrary, be handled as follows:

A. If insurance proceeds are sufficient to effect total restoration of damaged or destroyed Association Property and/or Common Structural Elements then the Association, shall cause such Association Property and/or Common Structural Elements to be repaired and reconstructed substantially as it previously existed.

B. If insurance proceeds are insufficient to effect total restoration, and the cost of restoration exceeds such proceeds by Fifty Thousand Dollars (\$50,000.00) or less (Such amount is based on the value of the dollar in 2005 and shall be increased each year thereafter based upon increases in the Consumer Price Index.), then the Association shall cause the Association Property and/or Common Structural Elements, to be repaired and reconstructed substantially as it previously existed and the difference between the insurance proceeds and the actual cost shall be levied as a Community Special Assessment for the restoration of Association Property or a Neighborhood Special Assessment for the restoration of Common Structural Elements, but in either case proportionately against each of the Homes in accordance with the provisions of Articles VI and VII herein.

C. If the insurance proceeds are insufficient to effect total restoration and the cost of restoration of the Association Property and/or Common Structural Elements, exceeds said proceeds by over Fifty Thousand Dollars (\$50,000.00) (Such amount is based on the value of the dollar in 2005 and shall be increased each year thereafter based upon increases in the Consumer Price Index.), then by the written consent or vote of a majority of the voting interests, they shall determine whether: (a) to rebuild and restore either: (i) in substantially the same manner as the

WPB:212719:3

Improvements existed prior to the damage or destruction; or (ii) in a manner less expensive, and in the event of (i) or (ii) to raise the necessary rebuilding and restoration funds by levying pro rata restoration and construction Special Assessments against all Homes; or (b) to not rebuild and to retain available insurance proceeds. In the event it is decided that the damaged or destroyed Association Property and/or Common Structural Elements shall not be rebuilt, the remains of any structure or structures shall be torn down and hauled away, so as not to be a safety hazard or visual nuisance, and the land shall be fully sodded and landscaped or otherwise treated in an attractive manner. Notwithstanding anything contained herein to the contrary, any decision not to rebuild or to rebuild in a manner which would result in a change in the Improvements shall not be effective without the prior written approval of Declarant as long as Declarant owns any portion of the Total Lands.

D. Each Owner shall be liable to the Association for any damage to the Association Property and/or Common Structural Elements not fully covered or collected by insurance which may be sustained by reason of the negligence or willful misconduct of said Owner or of his or her family, lessees, invitees and guests, both minors and adults.

E. In the event that the repairs and replacements were paid for by any Special Assessments as well as insurance proceeds and regular Assessments, then, if after the completion of and payment for the repair, replacement, construction or reconstruction there shall remain any excess in the hands of the Association, it shall be presumed that the monies disbursed in payment of any repair, replacement, construction and reconstruction were first disbursed from insurance proceeds and regular Assessments and any remaining funds shall be deemed to be the remaining Special Assessments which shall be returned to the Owners by means of a *pro rata* distribution in accordance with the collection of such Special Assessments.

F. The Board shall be entitled to retain an "Insurance Trustee" whose powers shall include holding all original policies purchased by the Association, being named as loss payee, distributing proceeds of such insurance, assisting in the reconstruction of improvements from insurance premiums and performing such other functions as necessary in connection with the foregoing.

ARTICLE XI INSURANCE AND CONDEMNATION

The Association shall purchase and maintain the following insurance coverages subject to the following provisions, and the cost of the premiums therefor shall be a part of the Community Expenses with respect to Association Property and part of the Neighborhood Expenses with respect to Common Structural Elements:

Section 1. CASUALTY INSURANCE.

A. Property and casualty insurance in an amount equal to the then full replacement cost, exclusive of land, foundation, excavation and other items normally excluded from such coverage, of all Improvements and personal property which are owned by the Association and now or hereafter located upon the Association Property. Such property and casualty insurance shall afford protection against such risks, if any, as shall customarily be

covered with respect to areas similar to the Association Property in developments similar to IslandWalk at the West Villages in construction, location and use.

Unless the Board elects to obtain such casualty insurance, the Owner of each Home shall maintain a policy or policies to insure his or her Home from all physical damage and liability losses with such policy naming the Association as an additional insured. Unless the Board has elected to make the Association responsible for the repair and rebuilding of the Common Structural Elements, if a Home is damaged by a casualty, the affected Owner shall promptly have his or her Home repaired and rebuilt substantially in accordance with the architectural plans and specifications of the Home. The Board of Directors may in its sole business discretion establish periodically the minimum physical damage and liability insurance coverage and endorsements to be maintained by each Owner. Each Owner shall provide a certificate of insurance coverage to the Association to evidence compliance with the minimum physical damage and liability coverage and endorsements set by the Board of Directors. Notwithstanding the foregoing, the Board of Directors, in its sole business discretion, shall have the power and authority to require the Association, rather than of the Owners of each Home, to acquire casualty insurance for the Common Structural Elements and the drywalls within the single family attached townhomes and/or duplexes in which case the insurance provisions with respect to Association Property would apply and all insurance proceeds for the repair and rebuilding thereof shall be paid to the Association.

B. The Association shall maintain a policy or policies to insure the Association Property improvements and personal property from casualty losses, which shall be in such amounts so that the insured will not be a co-insurer except under deductible clauses required to obtain coverages at a reasonable cost.

(1) The coverages for casualty losses will EXCLUDE the following:

(i) Land, foundations, excavations or other items that are usually excluded from insurance coverage; and

(ii) Any floor, wall, and ceiling coverings.

(2) The coverage for casualty losses will INCLUDE, where applicable, the following:

(i) Loss or damage by fire or other hazards covered by a standard extended coverage endorsement;

(ii) All other perils customarily covered for similar types of projects, including those covered by the standard "all risk" endorsement;

(iii) Agreed Amount and Inflation Guard Endorsement, when it can be obtained;

(iv) Demolition Cost Endorsements, Contingent Liability from Operation of Building Laws Endorsement, and Increased Cost of Construction Endorsement;

(v) Steam Boiler Endorsement, if applicable, providing at least \$50,000.00 coverage for each accident at each location; and

(vi) A standard mortgagee clause naming, when appropriate, the Federal National Mortgage Association (FNMA) or the servicers for mortgages held by FNMA, their successors and assigns.

(3) When appropriate and possible, the policies shall waive the insurer's right to:

(i) Subrogation against the Association and against the Owners, individually and as a group;

(ii) The prorata clause that reserves to the insurer the right to pay only a fraction of any loss if other insurance carriers have issued coverage upon the same risk; and

(iii) Avoid liability for a loss that is caused by an act of the Board, or by a member of the Board or by one or more Owners.

(4) In addition, the policy shall provide that:

(i) Any Insurance Trust Agreement will be recognized;

(ii) The policy shall be primary, even if an Owner has other insurance that covers the same loss; and

(iii) The named insured shall be the Association for the use and benefit of the Owners. The "loss payable" clause should show the Association or the designated Insurance Trustee as the trustee for each Owner and each Owner's mortgagee.

Section 2. PUBLIC LIABILITY INSURANCE. A comprehensive policy of public liability insurance naming the Association as named insured thereof insuring against any and all claims or demands made by any person or persons whomsoever for personal injuries or property damage received in connection with, or arising from, the operation, maintenance and use of the Association Property and any Improvements located thereon and use of the balance of the IslandWalk at the West Villages, and for any other risks insured against by such policies with limits of not less than One Million Dollars (\$1,000,000.00) for damages incurred or claimed by one or more persons for any one occurrence; not less than Two Million Dollars (\$2,000,000.00) in total per year; and for not less than Twenty-Five Thousand Dollars (\$50,000.00) property damage per occurrence with no separate limits stated for the number of claims. The Association may also obtain worker's compensation insurance and other liability insurance including, but not limited to, insurance for lawsuits related to employment contracts in which the Association is a party, as it may deem desirable.

WPB:212719:3

Section 3. FIDELITY COVERAGE. Adequate fidelity coverage to protect against dishonest acts of the officers and employees of the Association and the Board and all others who handle and are responsible for handling funds of the Association shall be maintained in the form of fidelity bonds, which requirements shall be reasonably determined by the Board.

Section 4. DIRECTORS' COVERAGE. Adequate directors' and officers' liability coverage, which coverage shall be effective from and after the date the Association is created; provided that prior to the Turnover Date such insurance shall not be required in the sole discretion of the Board.

Section 5. OTHER INSURANCE. The Board may obtain such other forms of insurance as the Board may determine and in such coverage amounts as the Board shall determine to be required or beneficial for the protection or preservation of the Association Property, the balance of the IslandWalk at the West Villages and any improvements now or hereafter located thereon or in the best interests of the Association and/or its officers and directors.

Section 6. CANCELLATION OR MODIFICATION. All insurance policies purchased by the Association shall provide that they may not be canceled (including for nonpayment of premiums) or substantially modified without at least ten (10) days prior written notice to the Association and to each first mortgage holder, if any, named in the mortgage clause.

Section 7. FLOOD INSURANCE. If determined appropriate by the Board or if required by an Institutional Mortgagee, a master or blanket policy of flood insurance covering the Association Property and the Buildings containing attached Homes within the Committed Lands, if available under the National Flood Insurance Program, shall be purchased, which flood insurance shall be in the form of a standard policy issued by a member of the National Flood Insurers Association, and the amount of the coverage of such insurance shall be the lesser of the maximum amount of flood insurance available under such program, or one hundred percent (100%) of the current replacement cost of all such Buildings and other insurable property located in the flood hazard area.

Section 8. CONDEMNATION. In the event the Association receives any award or payment arising from the taking of any Association Property or any part thereof as a result of the exercise of the right of condemnation or eminent domain, the net proceeds thereof shall first be applied to the restoration of such taken areas and improvements thereon to the extent deemed advisable by the Board and approved by at least two-thirds (2/3) of the total voting interests, and the remaining balance thereof, if any, shall then be distributed pro rata to Owners and mortgagees of Homes as their respective interests may appear.

Section 9. WAIVER OF SUBROGATION. As to each policy of insurance maintained by the Association which will not be voided or impaired thereby, the Association hereby waives and releases all claims against the Board, the Owners, Declarant and the agents and employees of each of the foregoing, with respect to any loss covered by such insurance, whether or not caused by negligence of or breach of any agreement of said persons, but only to the extent that such insurance proceeds are received in compensation for such loss.

ARTICLE XII
ARCHITECTURAL CONTROL

Section 1. MEMBERS OF THE COMMITTEE. The Architectural Control Committee, sometimes referred to in this Declaration as the "Committee" shall be comprised of three (3) or more members as determined initially by Declarant and then by the Board. The initial members of the Committee shall consist of persons designated by Declarant. Each of said persons shall hold office until all Lots and Homes have been conveyed or such earlier time as Declarant may, at its sole option, elect. Thereafter, each new member of the Committee shall be appointed by the Board and shall hold office until such time as he or she has resigned or has been removed or his or her successor has been appointed, as provided herein. Members of the Committee, other than those designated by Declarant, may be removed at any time without cause. The Board shall have the sole right to appoint and remove all members of the Committee other than those designated by Declarant.

Section 2. REVIEW OF PROPOSED CONSTRUCTION.

A. No Improvements, including, by way of example and not of limitation, accessory structures, exterior lighting fixtures, screen doors, brick pavers, stamped concrete, concrete flatwork, basketball goals, buildings, fences, walls, pools, roofs, gutters or rain spouts, antennae, aerials, microwaves, reception devices, external enclosures (including patio screen enclosures), or landscaping (including hedges and massed plantings) shall be commenced, erected, installed, altered, modified, painted, planted, or maintained on the Committed Lands, including the Lots, nor shall any canopy, shutters, or window coverings be attached to or placed upon outside walls or roofs of any Home by any Owner other than Declarant, unless such Improvements have been reviewed by and received the written approval of the Committee in accordance with Paragraph B hereinbelow. Any Owner desiring to make Improvements shall submit three (3) complete sets of plans and specifications showing the nature, dimensions, materials and location of the same.

B. The Committee shall approve proposed plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated will not be detrimental to the appearance of the surrounding area of the IslandWalk at the West Villages as a whole, and that the appearance of any structure affected thereby will be in harmony with the surrounding structures and is otherwise desirable. The Committee may also issue rules or guidelines setting forth procedures for the submission of plans and specifications. If the proposed construction, alterations or additions are to a portion of the Improvements which the Association is obligated to maintain, said approval shall also be subject to approval by the Board. The Committee may condition its approval of proposed plans and specifications in such a manner as it deems appropriate and may require the submission of additional information prior to approving or disapproving such plans.

C. The Committee shall have forty-five (45) days after delivery of all required materials to approve or reject any such plans and, if not approved or rejected within such forty-five (45) day period, such plans shall be deemed approved, provided that, in any event, no such addition, construction or alteration shall be made by any Owner which is

detrimental to or inconsistent with the harmony, appearance or general scheme of IslandWalk at the West Villages as a whole.

D. In no event shall any Improvement (including, without limitation, landscaping) be permitted within the Landscaped Areas and Grassed Areas, and any sidewalks and sidewalk easements on Lots.

E. Notwithstanding anything to the contrary in this Declaration, no Improvements (including, with limitation, landscaping) shall be permitted within any Lot that interferes or could interfere with the flow of rainfall runoff to or through the Stormwater Management System.

F. Notwithstanding any provision in this Article XII to the contrary, the approval of the Committee shall not be required for any additions, changes or alterations within any Homes if such additions, changes or alterations are not visible from the outside of such Homes. All changes and alterations shall be subject, independently, to all applicable governmental laws, statutes, ordinances, rules and regulations.

G. Notwithstanding anything to the contrary herein contained, no construction, reconstruction, addition or alteration by Declarant shall require the prior approval or any certificate of consent of the Committee.

Section 3. MEETINGS OF THE COMMITTEE. The Committee shall meet from time to time as necessary to perform its duties hereunder. The Committee may from time to time, by resolution unanimously adopted in writing, designate a Committee representative (who may, but need not, be one of its members) to take any action or perform any duties for and on behalf of the Committee, except the granting of variances pursuant to Section 7 hereinbelow. In the absence of such designation, the vote of any two (2) members of the Committee, or of a majority of the members present, shall constitute an act of the Committee.

Section 4. NO WAIVER OF FUTURE APPROVALS. The approval of the Committee of any plans and specifications or drawings for any work performed or proposed shall not be deemed to constitute a waiver of any right to withhold approval or consent to any identical or similar proposal subsequently or additionally submitted for approval or consent, whether such submission is by that applicant or another applicant. Similarly, the denial of approval by the Committee of any plans and specifications or drawings for any work done or proposed shall not be deemed to constitute a waiver of any right to approve or consent to any identical or similar proposal subsequently or additionally submitted for approval or consent, whether such submission is by that applicant or another applicant.

Section 5. COMPENSATION OF MEMBERS. The members of the Committee shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder.

Section 6. NON-LIABILITY OF COMMITTEE MEMBERS. Neither the Committee nor any member thereof, nor its duly authorized Committee representative, nor Declarant, shall be liable to the Association or to any Owner or any other person or entity for any loss, damage or injury arising out of or in any way connected with the performance of the Committee's duties

WPB:212719:3

hereunder, unless due to the willful misconduct or bad faith of a member and only that member shall have any liability. The Committee's review and approval or disapproval of plans submitted to it for any proposed Improvement shall be based solely on considerations of the overall benefit or detriment to the community as a whole. The Committee shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any plan or design from the standpoint of structural safety or conformance with building or other codes or standards, and no member or representative of the Committee or the Association, nor Declarant, shall be liable for the safety, soundness, workmanship, materials or usefulness for any purpose of any such Improvement or alteration proposed by the plans. By submitting a request for approval, Owner shall be deemed to have automatically agreed to hold harmless and indemnify the aforesaid members and representatives of the Committee, Declarant, and the Association generally, from any loss, claim, damage or liability connected with or arising out of the proposed Improvements or alterations. Furthermore, approval by the Committee of any plans and specifications does not excuse any Owner from also receiving approvals as required by all applicable governmental agencies.

Section 7. VARIANCE. The Committee may authorize variances from compliance with any of the architectural provisions of this Declaration or any Supplemental Declaration, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration or any Supplemental Declaration shall be deemed to have occurred with respect to the Improvements for which the variance was granted.

Section 8. CONDITIONS. No construction, which term shall include, without limitation, within its definition, staking, clearing, excavation, grading, and other site work, and no plantings or removal of plants, trees, or shrubs shall take place except in strict compliance with this Article XII, until the requirements of this Article XII have been fully met.

ARTICLE XIII GENERAL PROVISIONS

Section 1. CONFLICT WITH OTHER ISLANDWALK AT THE WEST VILLAGES DOCUMENTS. In the event of any conflict between the provisions hereof and the provisions of the Articles and/or Bylaws and/or rules and regulations promulgated by the Association, the provisions of this Declaration shall control.

Section 2. NOTICES. Any notice or other communication required or permitted to be given or delivered hereunder shall be deemed properly given and delivered upon the mailing thereof by United States mail, postage prepaid, to: (i) each Owner, at the address of the person whose name appears as the Owner on the records of the Association at the time of such mailing and, in the absence of any specific address, at the address of the Home owned by such Owner; (ii) the Association, certified mail, return receipt requested, at 4500 PGA Boulevard, Suite 400, Palm Beach Gardens, Florida 33418, or such other address as the Association shall hereinafter notify Declarant and the Owners of in writing; and (iii) Declarant, certified mail, return receipt requested, at 4500 PGA Boulevard, Suite 400, Palm Beach Gardens, Florida 33418, or such other address or addresses as Declarant shall hereafter notify the Association of in writing, any

WPB:212719:3

such notice to the Association of a change in Declarant's address being deemed notice to the Owners.

Section 3. ENFORCEMENT. The covenants and restrictions herein contained may be enforced by Declarant (so long as Declarant holds an equitable or legal interest in any Home), the Association, any Owner and any Institutional Mortgagee holding a mortgage on any portion of the IslandWalk at the West Villages in any judicial proceeding seeking any remedy recognizable at law or in equity, including damages, injunction or any other form of relief against any person, firm or entity violating or attempting to violate any covenant, restriction or provision hereunder. The failure by any party to enforce any such covenant, restriction or provision herein contained shall in no event be deemed a waiver of such covenant, restriction or provision or of the right of such party to thereafter enforce such covenant, restriction or provision. The prevailing party in any such litigation shall be entitled to all costs thereof including, but not limited to, Legal Fees.

Section 4. INTERPRETATION. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development of a residential community and for the maintenance of the Association Property and the balance of the IslandWalk at the West Villages. Article, Section and Paragraph captions, headings and titles inserted throughout this Declaration are intended as a matter of convenience only and in no way shall such captions, headings or titles define, limit or in any way affect the subject matter or any of the terms and provisions thereunder or the terms and provisions of this Declaration.

Whenever the context so requires or permits, any pronoun used herein may be deemed to mean the corresponding masculine, feminine or neuter form thereof, and the singular form of any nouns and pronouns herein may be deemed to mean the corresponding plural form thereof and vice versa.

Section 5. SEVERABILITY. In the event any of the provisions of this Declaration shall be deemed invalid by a court of competent jurisdiction, said judicial determination shall in no way affect any of the other provisions hereof, which shall remain in full force and effect, and any provisions of this Declaration deemed invalid by a court of competent jurisdiction by virtue of the term or scope thereof shall be deemed limited to the maximum term and scope permitted by law. In the event that any court should hereafter determine that any provision of this Declaration is in violation of the rule of property known as the "rule against perpetuities" or any other rule of law because of the duration of a time period, such provision shall not thereby become invalid, but instead the duration of such time period shall be reduced to the maximum period allowed under such rule of law, and in the event the determination of the duration of such time period requires measuring lives, such measuring life shall be that of the incorporator of the Association.

Section 6. CERTAIN RIGHTS OF DECLARANT. Notwithstanding anything to the contrary herein contained, no Improvements constructed or installed by Declarant shall be subject to the approval of the Association or the Owners or the provisions and requirements of this Declaration, although it is the intent of Declarant to create a community with a common scheme of development. Notwithstanding the other provisions of this Declaration, Declarant reserves for itself, and Declarant and its nominees shall have, the right to enter into and transact on the IslandWalk at the West Villages any business necessary to consummate the sale, lease or encumbrance of Homes or real property within or outside IslandWalk at the West Villages,

WPB:212719:3

including, but not limited to, the right to maintain a construction and/or sales office and/or a service office, place signs, employ sales, leasing, construction and service personnel, use the Association Property and show Homes, and Declarant further reserves the right to make repairs to the Association Property and to carry on construction activity for the benefit of the IslandWalk at the West Villages. Declarant, and its nominees, may exercise the foregoing rights without notifying the Association. Any such sales and/or construction office, service office, signs and any other items pertaining to such sales, leasing, construction or service efforts shall not be considered a part of the Association Property and shall remain the property of Declarant. This Section 6 may not be suspended, superseded or modified in any manner by any amendment to this Declaration unless such amendment is consented to in writing by Declarant. This right of use and transaction of business as set forth herein and the other rights reserved by Declarant in the IslandWalk at the West Villages Documents may be assigned in writing by Declarant in whole or in part. For the purposes of this Section 6, the term "Declarant" shall include any "Lender" which has loaned money to Declarant to acquire or construct Improvements upon the IslandWalk at the West Villages, or its successors and assigns if such Lender, its successors or assigns, acquires title to any portion of the IslandWalk at the West Villages as a result of the foreclosure of any mortgage encumbering any portion of the IslandWalk at the West Villages securing any such loan to Declarant, or acquires title thereto by deed in lieu of foreclosure. The rights and privileges of Declarant as set forth in this Section 6, which are in addition to, and are no way a limit on, any other rights or privileges of Declarant under any of the IslandWalk at the West Villages Documents, shall terminate upon Declarant no longer owning any portion of the IslandWalk at the West Villages (and having any equitable or legal interest therein) or upon such earlier date as Declarant shall notify the Association in writing of Declarant's voluntary election to relinquish the aforesaid rights and privileges.

Declarant shall also have the right, but not the obligation, to conduct inspections and tests from time to time of all or any portion of the Association Property and the Buildings on the IslandWalk at the West Villages in order to ascertain the physical condition of the Improvements and to determine if maintenance, repair or replacement of any such Improvement is indicated. If Declarant conducts any such tests or inspections, it shall pay all costs thereof, restore the affected portion of the IslandWalk at the West Villages to its condition immediately prior to the inspections and tests, and shall indemnify the Association and Owner(s) of any affected Home(s) from any damages resulting therefrom. Declarant shall have such rights of entry on, over, under, across and through the IslandWalk at the West Villages as may be reasonably necessary to exercise the rights described in this Section 6. Declarant's right of inspection shall exist whether or not the Turnover Date has occurred. In the event Declarant exercises its inspection right, it is acknowledged by the Association and all Owners that Declarant is performing any such inspection for its own benefit and not for the benefit of the Association and/or the Owners and further, Declarant shall have no obligation to inform the Association and/or the Owners of the result of any such inspection.

Section 7. DISPUTES AS TO USE. In the event there is any dispute as to whether the use of the Committed Lands or any portion or portions thereof complies with the covenants, restrictions, easements or other provisions contained in this Declaration, such dispute shall be referred to the Board. A determination rendered by the Board with respect to such dispute shall be non-binding on all parties concerned therewith. Notwithstanding anything to the contrary herein contained, any use by Declarant of the IslandWalk at the West Villages shall be deemed a

use which complies with this Declaration and shall not be subject to a contrary determination by the Board.

Section 8. AMENDMENT AND MODIFICATION. The process of amending or modifying this Declaration shall be as follows:

1. Until the Turnover Date, all amendments or modifications shall only be made by Declarant without the requirement of the Association's consent or the consent of the Owners so long as such amendments or modifications do not materially impair the common plan of development of IslandWalk at the West Villages; provided, however, that the Association shall, forthwith upon request of Declarant, join in any such amendments or modifications and execute such instruments to evidence such joinder and consent as Declarant shall, from time to time, request.

2. After six (6) months after the Turnover Date, this Declaration may be amended by: (i) the consent of the Owners owning a majority of all Homes; together with (ii) the approval or ratification of a majority of the Board. The aforementioned consent of the Owners owning a majority of the Homes may be evidenced by a writing signed by the required number of Owners or by the affirmative vote of the required number of Owners at any regular or special meeting of the Association called and held in accordance with the Bylaws and evidenced by a certificate of the Secretary or an Assistant Secretary of the Association.

3. Amendments for correction of scrivener's errors or other nonmaterial changes may be made by Declarant alone until the Turnover Date and by the Board thereafter and without the need of consent of the Owners.

4. Notwithstanding anything to the contrary herein contained, no amendment to this Declaration shall be effective which shall impair or prejudice the rights or priorities of Declarant, the Association or of any Institutional Mortgagee under the IslandWalk at the West Villages Documents without the specific written approval of such party affected thereby. Finally, notwithstanding anything to the contrary contained herein, no amendment to this Declaration shall be effective which shall eliminate or modify the provisions of Section 6 of this Article XIII and any such amendment shall be deemed to impair and prejudice the rights of Declarant.

5. A true copy of any Amendment to this Declaration shall be sent certified mail by the Association to Declarant and to all Institutional Mortgagees holding a mortgage on any portion of the IslandWalk at the West Villages requesting notice. The amendment shall become effective upon the recording amongst the Public Records of the County of said amendment or any Supplemental Declaration to this Declaration which sets forth any amendment or modification to this Declaration.

6. Notwithstanding anything contained herein to the contrary, Declarant may, without the consent of any Owners, file any amendments which may be required by an Institutional Mortgagee for the purpose of satisfying its development criteria or such other criteria as may be established by such mortgagee's secondary mortgage market purchasers, including, without limitation, the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation; provided, however, any such Declarant's filed amendments must be

WPB:212719:3

in accordance with any applicable rules, regulations and other requirements promulgated by the United States Department of Housing and Urban Development.

7. Any proposed amendment to the Declaration which would affect the Surface Water and Storm Management System, beyond maintenance in its original condition (including environmental conservation areas and the water management portions of the Association Property), shall be submitted to the SWFWMD for a written determination of whether the proposed amendment necessitates a modification of the surface water management permit. This section may not be amended without the consent of the SWFWMD.

Section 9. DELEGATION. The Association, pursuant to a resolution duly adopted by the Board, shall have the continuing authority to delegate all or any portion of its responsibilities for maintenance, operation and administration, as provided herein, to any managing agency or entity selected by the Board from time to time and whether or not related to Declarant.

Section 10. NOTICE TO PURCHASERS. Neither Declarant nor the Association represents or warrants any future construction activities, surrounding land development, or interchange construction other than as set forth in this Declaration.

Section 11. TERM. This Declaration and the terms, provisions, conditions, covenants, restrictions, reservations, regulations, burdens and liens contained herein shall run with and bind the IslandWalk at the West Villages, and inure to the benefit of Declarant, the Association and the Owners and their respective legal representatives, heirs, successors and assigns for a term of fifty (50) years from the date of recording this Declaration amongst the Public Records of the County, after which time this Declaration shall be automatically renewed and extended for successive periods of ten (10) years each unless at least one (1) year prior to the termination of such fifty (50)-year term or any such ten (10)-year extension there is recorded amongst the Public Records of the County an instrument agreeing to terminate this Declaration signed by Owners owning two-thirds (2/3) of the Homes and Institutional Mortgagees holding first mortgages encumbering two-thirds (2/3) of all Homes encumbered by first mortgages held by Institutional Mortgagees, upon which event this Declaration shall be terminated upon the expiration of the fifty (50)-year term or the ten (10)-year extension during which such instrument was recorded.

In the event this Declaration is terminated or the Association ceases to exist for any reason, the Owners shall be jointly and severally responsible for the costs to maintain and shall maintain the Association Property and the Common Structural Elements in the manner described herein. This provision may not be amended or deleted without the prior written consent of the County and this provision shall survive the termination of this Declaration and shall run with the IslandWalk at the West Villages in perpetuity.

Section 12. CONSENT TO TERMINATION. The consent of the Members representing at least seventy-five percent (75%) of the Class "A" votes and of the Declarant, so long as Declarant owns any land subject to this Declaration, the approval of the holders of first mortgages on Homes and/or Lots to which at least seventy-five percent (75%) of the votes of the Members owning such Homes and/or Lots subject to a mortgage appertain shall be required to terminate this Declaration.

Section 13. RIGHTS OF MORTGAGEES.

A. Right to Notice. The Association shall make available for inspection upon request, during normal business hours or under reasonable circumstances the IslandWalk at the West Villages Documents and the books, records and financial statements of the Association to Owners and the holders, insurers or guarantors of any first mortgages encumbering any portion of the IslandWalk at the West Villages. In addition, evidence of insurance shall be issued to each Owner and mortgagee holding a mortgage encumbering a Home upon written request to the Association. A mortgagee shall be entitled to receive timely written notice of any proposed action that requires the consent of a specified percentage of mortgagees. To be entitled to receive notices under this Section 11, the mortgagee (or mortgage insurer or guarantor) must send a written request to the Association stating both its name and address and the address of the Lot on which it has (or insures or guaranties) the mortgage.

B. Rights of Listed Mortgagee. Upon written request to the Association, identifying the name and address of the holder, insurer, or guarantor (such holder, insurer or guarantor is herein referred to as a "Listed Mortgagee") of a mortgage encumbering a Lot and the legal description of such Lot, the Association shall provide such Listed Mortgagee with timely written notice of the following:

(1) Any condemnation, loss or casualty loss which affects any material portion of the Association Property;

(2) Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;

(3) Any proposed action which would require the consent of mortgagees holding a mortgage encumbering a Lot; and

(4) Any failure by an Owner owning a Lot encumbered by a mortgage held, insured or guaranteed by such Listed Mortgagee to perform his or her obligations under the IslandWalk at the West Villages Documents, including, but not limited to, any delinquency in the payment of Assessments, or any other charge owed to the Association by said Owner where such failure or delinquency has continued for a period of sixty (60) days.

C. Special FHLMC Provisions. So long as required by the Federal Home Loan Mortgage Corporation, the following provisions apply in addition to and not in lieu of the foregoing. Unless at least sixty-seven percent (67%) of the Institutional Mortgagees or Members representing at least sixty-seven percent (67%) of the total Association vote entitled to be cast thereon consent, the Association shall not:

(1) By any act or omission seek to abandon, partition, subdivide, encumber, sell or transfer all or any portion of the real property comprising the Association Property, directly or indirectly (the granting of easements for public utilities or other similar purposes consistent with the intended use of the Association Property shall not be deemed a transfer within the meaning of this section);

(2) Change the method of determining the obligations, Assessments, or other charges which may be levied against an Owner of a Home (a decision, including contract decisions, by the Board regarding Assessments shall not be subject to this provision where such decision is otherwise authorized by this Declaration);

(3) By act or omission change, waive or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance and maintenance of the Homes and of the Association Property (the issuance and amendment of architectural standards, procedures, rules and regulations, or use restrictions shall not constitute a change, waiver, or abandonment within the meaning of this provision);

(4) Fail to maintain insurance, as required by this Declaration; or

(5) Use hazard insurance proceeds for any Association Property losses for other than the replacement or reconstruction of such property.

Institutional Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Association Property and may pay overdue premiums on casualty insurance policies or secure new casualty insurance coverage upon the lapse of the Association policy, and Institutional Mortgagees making such payments shall be entitled to immediate reimbursement from the Association.

D. Right of Listed Mortgagee to Receive Financial Statement. Any Listed Mortgagee shall, upon written request made to the Association, be entitled to financial statements of the Association for the prior fiscal year free of charge and the same shall be furnished within a reasonable time following such request.

Section 14. APPROVAL OF ASSOCIATION LAWSUITS BY OWNERS. Notwithstanding anything contained herein to the contrary, the Association shall be required to obtain the approval of seventy-five percent (75%) of the total voting interests (at a duly called meeting of the Owners at which a quorum is present) prior to engaging persons or entities for the purpose of suing, or making, preparing or investigating any lawsuit, or commencing any lawsuit other than for the following purposes:

(a) the collection of Assessments;

(b) the collection of other charges which Owners are obligated to pay pursuant to the IslandWalk at the West Villages Documents;

(c) the enforcement of the use and occupancy restrictions contained in the IslandWalk at the West Villages Documents;

(d) dealing with an emergency when waiting to obtain the approval of the Owners creates a substantial risk of irreparable injury to the Association Property, any Improvements on the IslandWalk at the West Villages or to Owner(s) (the imminent expiration of a statute of limitations shall not be deemed an emergency obviating the need for the requisite vote of seventy-five percent (75%) of the Owners); or

(e) filing a compulsory counterclaim.

Section 15. COMPLIANCE WITH PROVISIONS. Every person who owns, occupies or acquires any right, title, estate or interest in or to any Home except as elsewhere herein provided does consent and agree to, and shall be conclusively deemed to have consented and agreed to, every limitation, restriction, easement, reservation, condition and covenant contained herein, whether or not any reference to these restrictions is contained in the instrument by which such person acquired an interest in such property. Declarant shall not in any way or manner be held liable or responsible for any violation of this Declaration by any person other than Declarant.

Section 16. COVENANT RUNNING WITH THE LAND. All provisions of this Declaration shall, to the extent applicable and unless otherwise expressly provided herein to the contrary, be construed to be covenants running with the Lots and the IslandWalk at the West Villages and with every part thereof and interest therein, and all of the provisions hereof shall be binding upon and inure to the benefit of Declarant and subsequent Owner(s) of the Lots and IslandWalk at the West Villages or any part thereof, or interest therein, and their respective heirs, successors, and assigns. However, the same are not intended to create nor shall they be construed as creating any rights in or for the benefit of the general public, unless specifically provided herein to the contrary. All present and future Owners, lessees, and occupants of the Homes, as applicable, shall be subject to and shall comply with the provisions of this Declaration and the Articles, Bylaws and applicable rules and regulations as they exist and may from time to time be amended. The acceptance of a deed of conveyance of a Lot, or the entering into a lease of or occupancy of a Home, shall constitute an adoption and ratification by such Owner, lessee, or occupant of the provisions of this Declaration, and the Articles, Bylaws, and applicable rules and regulations of the Association, as they may be amended from time to time. In the event that any easements granted herein shall fail for want of a grantee in being or for any other purpose, the same shall constitute and be covenants running with the land.

Section 17. NO PUBLIC RIGHT OR DEDICATION. Nothing contained in this Declaration shall be deemed to be a gift or dedication of all or any portion of the Association Property to the public, or for any public use.

Section 18. NO REPRESENTATIONS OR WARRANTIES. NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, HAVE BEEN GIVEN OR MADE BY DECLARANT OR ITS AGENTS OR EMPLOYEES IN CONNECTION WITH ANY PORTION OF THE ASSOCIATION PROPERTY, ITS PHYSICAL CONDITION, ZONING, COMPLIANCE WITH APPLICABLE LAWS, FITNESS FOR INTENDED USE, OR IN CONNECTION WITH THE SUBDIVISION, SALE, OPERATION, MAINTENANCE, COST OF MAINTENANCE, TAXES OR REGULATION THEREOF, EXCEPT AS SPECIFICALLY AND EXPRESSLY SET FORTH IN THIS DECLARATION.

Section 19. ASSOCIATION AND DECLARANT AS ATTORNEY-IN-FACT. Each Owner, by reason of having acquired ownership of a Home, whether by purchase, gift, operation of law or otherwise, and each occupant of a Home, by reason of his or her occupancy, is hereby declared to have acknowledged and agreed to his or her automatic consent to any rezoning, replatting, covenant in lieu of unity of title, change, addition or deletion made in, on or to IslandWalk at the West Villages by Declarant (hereinafter, collectively, "Modifications") and, in respect thereto, each Owner of a Home and occupant of a Home hereby designates the

WPB:212719:3

Association to act as agent and attorney-in-fact on behalf of such Owner or occupant to consent to any such Modification. If requested by Declarant, each Owner shall evidence his or her consent to a Modification in writing (provided, however, that any refusal to give such written consent shall not obviate the automatic effect of this provision). Further, each Owner, by reason of acceptance to such Owner's Home, hereby agrees to execute, at the request of Declarant, any document and/or consent which may be required by any government agency to allow Declarant and/or its affiliates to complete the plan of development of IslandWalk at the West Villages, as such plan may be hereafter amended, and each such Owner hereby further appoints Declarant as such Owner's agent and attorney-in-fact to execute, on behalf and in the name of each such Owner, any and all of such documents and/or consents. This power of attorney is irrevocable and is coupled with an interest. The provisions of this Section 17 may not be amended without Declarant's prior written consent.

Section 20. SECURITY. The Association may, but shall not be obligated to, maintain or support certain activities within the IslandWalk at the West Villages designed to make the IslandWalk at the West Villages safer than it otherwise might be. Additionally, NEITHER DECLARANT NOR THE ASSOCIATION MAKES ANY REPRESENTATIONS WHATSOEVER AS TO THE SECURITY OF THE PREMISES OR THE EFFECTIVENESS OF ANY MONITORING SYSTEM OR SECURITY SERVICE. ALL OWNERS AGREE TO HOLD DECLARANT AND THE ASSOCIATION HARMLESS FROM ANY LOSS OR CLAIM ARISING FROM THE OCCURRENCE OF ANY CRIME OR OTHER ACT. NEITHER THE ASSOCIATION NOR DECLARANT SHALL IN ANY WAY BE CONSIDERED INSURERS OR GUARANTORS OF SECURITY WITHIN THE ISLANDWALK AT THE WEST VILLAGES. NEITHER THE ASSOCIATION NOR DECLARANT SHALL BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN, IF ANY. ALL MEMBERS, OWNERS AND OCCUPANTS OF ANY LOT OR HOME, AND TENANTS, GUESTS, AND INVITEES OF ANY OWNER ACKNOWLEDGE THAT THE ASSOCIATION AND ITS BOARD AND DECLARANT DO NOT REPRESENT OR WARRANT THAT: (a) ANY FIRE PROTECTION SYSTEM, BURGLAR ALARM SYSTEM OR OTHER SECURITY SYSTEM, IF ANY, DESIGNATED BY OR INSTALLED ACCORDING TO GUIDELINES ESTABLISHED BY DECLARANT MAY NOT BE COMPROMISED OR CIRCUMVENTED, OR (b) THAT ANY FIRE PROTECTION OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS WILL IN ALL CASES PROVIDE THE DETECTION OR PROTECTION FOR WHICH THE SYSTEM IS DESIGNED OR INTENDED. EACH MEMBER, OWNER AND OCCUPANT OF ANY LOT OR HOME, AND EACH TENANT, GUEST AND INVITEE OF AN OWNER ACKNOWLEDGES AND UNDERSTANDS THAT THE ASSOCIATION AND ITS BOARD AND DECLARANT ARE NOT INSURERS AND THAT EACH MEMBER, OWNER AND OCCUPANT OF ANY LOT OR HOME, AND EACH TENANT, GUEST AND INVITEE OF ANY MEMBER OR OWNER ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS, TO LOTS OR HOMES, AND TO THE CONTENTS OF LOTS OR HOMES AND FURTHER ACKNOWLEDGES THAT THE ASSOCIATION, ITS BOARD AND DECLARANT HAVE MADE NO REPRESENTATIONS OR WARRANTIES NOR HAS ANY OWNER, MEMBER, OCCUPANT, TENANT, GUEST OR INVITEE RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, RELATIVE TO ANY FIRE AND/OR BURGLAR ALARM SYSTEMS OR

MEMBERS AND VOTING

The qualification of Members of the Association, the manner of their admission to membership, the manner of the termination of such membership and the manner of voting by Members shall be as follows:

A. Until such time as the first deed of conveyance of a Home from Declarant to an Owner is recorded amongst the Public Records of the County ("First Conveyance"), the membership of the Association shall be comprised solely of Declarant. Until the First Conveyance, Declarant shall be entitled to cast the one (1) and only vote on all matters requiring a vote of the membership.

B. Upon the First Conveyance, Declarant shall be a Member as to each of the remaining Homes until each such Home is conveyed to another Owner, and thereupon and thereafter each and every Owner, including Declarant as to Homes owned by Declarant, shall be a Member and exercise all of the rights and privileges of a Member.

C. Membership in the Association for Owners other than Declarant shall be established by the acquisition of ownership of fee simple title to a Home as evidenced by the recording of an instrument of conveyance amongst the Public Records of the County. Where title to a Home is acquired by conveyance from a party other than Declarant by means of sale, gift, inheritance, devise, judicial decree or otherwise, the person, persons or entity thereby acquiring such Home shall not be a Member unless or until such Owner shall deliver a true copy of a deed or other instrument of acquisition of title to the Association.

D. The Association shall have two (2) classes of voting membership:

1. "Class A Members" shall be all Members, with the exception of Declarant while Declarant is a Class B Member, each of whom shall be entitled to one (1) vote for each Home owned.

2. "Class B Members" shall be Declarant, who shall be entitled to three times the total number of votes of the Class A Members plus one. Class B membership shall cease and be converted to Class A membership upon the earlier to occur of the following events ("Turnover Date"):

(i) Three (3) months after the conveyance of ninety percent (90%) of the Homes by Declarant, as evidenced by the recording of instruments of conveyance of such Homes amongst the Public Records of the County; or

(ii) At such time as Declarant shall designate in writing to the Association.

On the Turnover Date, Class A Members, including Declarant, shall assume control of the Association and elect not less than a majority of the Board.

E. The designation of different classes of membership are for purposes of establishing the number of votes applicable to certain Homes, and nothing herein shall be deemed to require voting solely by an individual class on any matter which requires the vote of Members, unless otherwise specifically set forth in the IslandWalk at the West Villages Documents.

F. No Member may assign, hypothecate or transfer in any manner his or her membership in the Association except as an appurtenance to his or her Home.

G. Any Member who conveys or loses title to a Home by sale, gift, devise, bequest, judicial decree or otherwise shall, immediately upon such conveyance or loss of title, no longer be a Member with respect to such Home and shall lose all rights and privileges of a Member resulting from ownership of such Home.

H. There shall be only one (1) vote for each Home, except for the Class B Members as set forth herein. If there is more than one Member with respect to a Home as a result of the fee

WPB:212719:2

interest in such Home being held by more than one person, such Members collectively shall be entitled to only one (1) vote. The vote of the Owners of a Home owned by more than one natural person or by a corporation or other legal entity shall be cast by the person named in a certificate signed by all of the Owners of the Home, or, if appropriate, by properly designated officers, partners or principals of the respective legal entity ("Voting Owner"), and filed with the Secretary of the Association, and such certificate shall be valid until revoked by a subsequent certificate. If such a certificate is not filed with the Secretary of the Association, the vote of such Home shall not be considered for a quorum or for any other purpose.

Notwithstanding the foregoing provisions, whenever any Home is owned by a husband and wife they may, but shall not be required to, designate a Voting Owner. In the event a certificate designating a Voting Owner is not filed by the husband and wife, the following provisions shall govern their right to vote:

1. When both are present at a meeting, each shall be regarded as the agent and proxy of the other for purposes of casting the vote for each Home owned by them. In the event they are unable to concur in their decision upon any topic requiring a vote, they shall lose their right to vote on that topic at that meeting, but shall count for purposes of establishing a quorum.

2. When only one (1) spouse is present at a meeting, the person present may cast the Home vote without establishing the concurrence of the other spouse, absent any prior written notice to the contrary by the other spouse. In the event of prior written notice to the contrary to the Association by the other spouse, the vote of said Home shall not be considered, but shall count for purposes of establishing a quorum.

3. When neither spouse is present, the person designated in a "Proxy" (as defined in the Bylaws) signed by either spouse may cast the Home vote, when voting by Proxy is allowed, absent any prior written notice to the contrary to the Association by the other spouse or the designation of a different Proxy by the other spouse. In the event of prior written notice to the contrary to the Association or the designation of a different Proxy by the other spouse, the vote of said Home shall not be considered, but shall count for purposes of establishing a quorum.

I. A quorum shall consist of persons entitled to cast at least thirty percent (30%) of the total number of votes of the Members.

J. Neighborhoods.

1. Every Home and/or Lot shall be located within a Neighborhood. The Homes and/or Lots within a particular Neighborhood may be subject to additional covenants. Any Neighborhood may elect a Neighborhood Committee to represent the interests of the Owners of Homes and/or Lots within such Neighborhood.

2. Each Neighborhood Committee, upon the affirmative vote, written consent, or

WPB:212719:2

a combination thereof, of the majority of Owners within the Neighborhood, may request that the Association provide a higher level of service or special services for the benefit of Homes and/or Lots in such Neighborhood, the cost of which shall be assessed against the benefited Homes and/or Lots as a Neighborhood Assessment.

3. Each Subsequent Amendment filed to subject Uncommitted Lands to the Declaration, may assign the property described therein to a specific Neighborhood by name, which Neighborhood may be then existing or newly created. Declarant may unilaterally amend the Declaration or any Subsequent Amendment to redesignate Neighborhood boundaries; provided, two or more Neighborhoods shall not be combined without the consent of Owners of a majority of the Homes and/or Lots in the affected Neighborhoods.

4. The Owner(s) of a majority of the total number of Homes and/or Lots within any Neighborhood may at any time petition Declarant, and the Board of Directors to divide the property comprising the Neighborhood into two or more Neighborhoods. Such petition shall be in writing and shall include a survey of the entire parcel which indicates the boundaries of the proposed Neighborhood(s) or otherwise identifies the Homes and/or Lots to be included within the proposed Neighborhood(s). All applications and copies of any approvals or denials shall be filed with the books and records of the Association and shall be maintained as long as the Declaration is in effect.

5. The Class "A" Members within each Neighborhood shall be entitled to have one Voting Member for each 50 Homes and/or Lots within the Neighborhood (rounded up or down to the nearest 50). [If the number of Homes and/or Lots is exactly in the middle, e.g. 75 homes and/or Lots, then round up to the nearest 50.] "Voting Member" shall mean and refer to the representative(s) selected by a majority of the Members of each Neighborhood to be responsible for casting all votes attributable to Homes in the Neighborhood for all matters coming before the Membership excepting only, the election of directors, and amending this Declaration, the Articles, or the By-Laws, which matters shall be voted on by the entire Membership directly. On all Association matters requiring a Membership vote other than those set forth in the preceding sentence as excepted, each such Voting Member(s) shall be entitled to cast that number of votes determined by dividing the total number of Class "A" votes attributable to Homes and/or Lots in the Neighborhood by the number of Voting Members representing such Neighborhood, except as otherwise specified in the Declaration or the By-Laws. Each such Voting Member(s) shall be required to deliver such votes to the Board consistent with and reflecting the manner in which such votes are cast by the Class "A" Members.

6. The Neighborhood Committee Members from each Neighborhood shall be elected on an annual basis, either by written ballot or at a meeting of the Class "A" Members within such Neighborhood, as the Board determines; provided, upon written petition of Class "A" Members holding at least 10% of the votes attributable to Homes and/or Lots within any Neighborhood, the election for such Neighborhood shall be held at a meeting. The presence, in person or by proxy, of Class "A" Members representing at least 30% of the total Class "A" votes attributable to Homes and/or Lots in the Neighborhood shall constitute a quorum at any Neighborhood meeting. The

WPB:212719:2

Neighborhood Committee member who receives the greatest number of votes at the annual meeting of Neighborhood Owners shall be declared the Voting Member of the Neighborhood Committee.

7. The Board shall call for the first election of Neighborhood Committee members not later than three (3) years after the first conveyance of a Home and/or Lot in the Neighborhood to an Owner. Subsequent elections shall be held annually thereafter. The candidate for each position on a Neighborhood Committee who receives the greatest number of votes shall be elected to serve a term of one year and until a successor is elected. Any Owner of a Home and/or Lot in the Neighborhood may submit nominations for elections or declare himself a candidate in accordance with procedures which the Board may establish.

8. Any Neighborhood Committee member or any Voting Member may be removed, with or without cause, upon the vote or written petition of Owners of a majority of the total number of Homes and/or Lots owned by Class "A" Members in the Neighborhood which such Neighborhood Committee member or Voting Member represents.

9. Until such time as the Board first calls for election of Neighborhood Committee members for a Neighborhood, the Owners within such Neighborhood may personally cast the votes attributable to their respective Homes and/or Lots on any issue requiring a vote of the Voting Members under the Declaration, the By-Laws, or the Articles.

ARTICLE VI TERM

The term for which this Association is to exist shall be perpetual. In the event of dissolution of the Association (unless same is reinstated), other than incident to a merger or consolidation, all of the assets of the Association shall be conveyed to a similar homeowners association or a public agency having a similar purpose, or any Member may petition the appropriate circuit court of the State of Florida for the appointment of a receiver to manage the affairs of the dissolved Association and its properties in the place and stead of the dissolved Association and to make such provisions as may be necessary for the continued management of the affairs of the dissolved Association and its properties.

(b) When a quorum is present at any Meeting and a question which raises the jurisdiction of such Meeting is presented, the holders of a majority of the voting rights present in person or represented by written Proxy shall be required to decide the question. However, if the question is one upon which a vote other than the majority vote of a quorum is required by express provision of the IslandWalk at the West Villages Documents or by law, then such express provision shall govern and control the required vote on the decision of such question.

3.7. At any Annual Members' Meeting when elections of Directors are to occur, written ballots are to be supplied to Members for such purposes. Members may vote for Directors by Proxy. Furthermore, at any Annual Members' Meeting at which Directors are to be elected, the "Chairman" (as hereinafter defined in Paragraph 7.2) shall appoint an "Election Committee" consisting of three (3) Members to supervise the election, count and verify ballots, disqualify votes if such disqualification is justified under the circumstances and certify the results of the election to the Board. The Election Committee shall be able to determine questions within its jurisdiction by plurality vote of all three (3) members, but matters resulting in deadlocked votes of the Election Committee shall be referred to the entire Board for resolution.

3.8. If a quorum is not in attendance at a Meeting, the Voting Members or Members who are present, either in person or by Proxy, may adjourn the Meeting from time to time until a quorum is present with no further notice of such adjourned Meeting being required unless otherwise determined by the Board.

3.9. Minutes of all Meetings shall be kept in a businesslike manner and be available for inspection by the Members and Directors at all reasonable times. The Association shall retain minutes for at least seven (7) years subsequent to the date of the meeting the minutes reflect.

3.10. Voting rights of Members shall be as stated in the Articles with respect to the election of all Boards other than the First Board. Such votes may be cast in person or by proxy. Proxies may be used to vote on other agenda items at meetings at which Directors are to be elected, and may also be used to establish a quorum. "Proxy" is defined to mean an instrument containing the appointment of a person who is substituted in the place and stead of the person or authorized representative of an entity entitled to vote. Proxies shall be in writing signed by the person or authorized representative of an entity giving the same and shall be valid only for the particular Meeting designated therein and, if so stated in the Proxy, any adjournments thereof, provided, however, any proxy automatically expires ninety (90) days after the date of the meeting for which it was originally given. A Proxy must be filed with the Secretary of the Association before the appointed time of the Meeting in order to be valid. Any Proxy may be revoked prior to the time a vote is cast in accordance with such Proxy.

3.11. The voting on any matter at a Meeting shall be by secret ballot upon request of the holders of twenty percent (20%) of the votes represented at such Meeting and entitled to be cast on such matter, if such request is made prior to the vote in question.

Section 4. Board; Directors' Meetings

4.1. The business and administration of the Association shall be by its Board.

4.2. The election and, if applicable, designation of Directors shall be conducted in accordance with the Articles. Except for Declarant-appointed Directors, Directors must be Members or the parents, children or spouses of Members.

4.3. (a) Any person elected or designated as a Director shall have all the rights, privileges, duties and obligations of a Director of the Association.

(b) The term of a Director's service shall be as stated in the Articles and, if not so stated, shall extend until the next Annual Members' Meeting and thereafter until his or her successor is duly elected and qualified or until he or she resigns or is removed in the manner elsewhere provided.

4.4. The organizational meeting of a newly elected Board shall be held within ten (10) days of its election at such place and time as shall be fixed by the Directors at the meeting at which they were elected. Provided the organizational meeting is held directly following the Annual Members' Meeting or the Initial Election Meeting, no further notice of the organizational meeting shall be necessary; if not, however, notice of the organizational meeting shall be given in accordance with the HOA Act.

4.5. Regular meetings of the Board may be held at such times and places in the County as shall be determined from time to time by a majority of the Directors. Special meetings of the Board may be called at the discretion of the President or the Vice President. Special meetings must be called by the Secretary at the written request of at least one-third (1/3) of the Directors. Any such special meeting may be held in the County at such time and place as determined by the Directors requesting such meeting or in such other place as all of the Directors shall agree upon.

4.6. Notice of the time and place of regular and special meetings of the Board, or adjournments thereof, shall be given to each Director personally, by mail, telephone or electronically transmitted if correctly directed to an electronic mail address at which the Director has consented to receive notice at least three (3) days prior to the day named for such meeting unless such notice is waived before, during or after such meeting. Any Director may waive notice of the meeting in writing before, during or after a meeting and such waiver shall be deemed equivalent to the receipt of notice by such Director.

4.7 Notice of all Board meetings shall be given to the members in accordance with the HOA Act.

4.8. A quorum of the Board shall consist of the Directors entitled to cast a majority of the votes of the entire Board. Matters approved by a majority of the Directors present at a meeting at which a quorum is present shall constitute the official acts of the Board, except as may be otherwise specifically provided by law, by the Articles or elsewhere herein. If at any meeting of the Board there shall be less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present. At any meeting that takes place on account of a previously adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted. In the case of the adjournment of a meeting, no further notice of the adjourned meeting need be given unless otherwise determined by the Board.

4.9. The presiding officer at all Board meetings shall be the President. In the

absence of the President, the Directors shall designate any one of their number to preside.

4.10. Directors' fees, if any, shall be determined by the Members.

4.11. Minutes of all meetings of the Board shall be kept in a businesslike manner and be available for inspection by Members and Directors at all reasonable times.

4.12. Meetings of the Board shall be open to all Members. The Board may also hold closed meetings to the extent permitted by applicable law, including, by way of example but not by way of limitation, when the discussion at a meeting is governed by attorney-client privilege. Members shall have the right to participate in meetings with reference to all designated agenda items in accordance with the HOA Act and any rules and regulations promulgated by the Association. In the event a Member conducts himself or herself in a manner detrimental to the carrying on of the meeting, then any Director may expel said Member from the meeting by any reasonable means which may be necessary to accomplish said Member's expulsion. Also, any Director shall have the right to exclude from any meeting of the Board any person who is not able to provide sufficient proof that he or she is a Member or a duly authorized representative, agent or proxy holder of a Member, unless said person has been specifically invited by any of the Directors to participate in such meeting.

4.13. Any action required or permitted to be taken at a meeting of the Directors may be taken without a meeting if a consent in writing, specifically setting forth the action to be taken, shall be signed by all the Directors entitled to vote with respect to the subject matter thereof and such consent shall have the same force and effect as a unanimous vote of the Directors, provided, however, whenever assessments are to be considered, they may be considered only at a meeting of the Directors properly noticed in accordance with the HOA Act.

Section 5. Powers and Duties of the Board

5.1. All of the powers and duties of the Association shall be exercised by the Board. Such powers and duties of the Board shall include, but not be limited to, all powers and duties set forth in the IslandWalk at the West Villages Documents, as well as all of the powers and duties of a director of a corporation not for profit not inconsistent therewith.

5.2. The Association may employ a manager to perform any of the duties, powers or functions of the Association. Notwithstanding the foregoing, the Association may not delegate to the manager the power to conclusively determine whether the Association should make expenditures for capital additions or improvements chargeable against the Association funds. The members of the Board shall not be personally liable for any omission or improper exercise by the manager of any duty, power or function delegated to the manager by the Association.

Section 6. Late Fees

Quarterly Assessments not paid within thirty (30) days of their respective due dates will incur a late charge not to exceed thirty (\$30.00) Dollars. Quarterly Assessments not paid within sixty (60)

WPB:212720:2

days of their respective due dates will incur a late charge not to exceed fifty (\$50.00) Dollars. Quarterly Assessments not paid within ninety (90) days of their respective due dates will incur a late charge not to exceed seventy (\$70.00) Dollars. Owners shall be responsible to pay all legal fees (including, but not limited to, attorney and paralegal fees and court costs) incurred in connection with the collection of late Assessments whether or not an action at law to collect said Assessments and foreclose the Association's lien has been commenced. The Board has authorized the following initial schedule of fees for such circumstances:

- (a) One Hundred Fifty Dollars (\$150) for a Claim of Lien plus recording costs and sending of Notice of Intention to Foreclose;
- (b) One Hundred Fifty Dollars (\$150) for a Satisfaction of Lien plus recording costs; and
- (c) Any further action would require an hourly computation of attorney and/or paralegal time spent pursuing collection of such unpaid Assessments.

Section 7. Officers of the Association

7.1. Executive officers of the Association shall be the President, who shall be a Director, one or more Vice Presidents, a Treasurer and a Secretary, all of whom shall be elected annually by the Board. Any officer may be removed without cause from office by vote of the Directors at any meeting of the Board. The Board may, from time to time, elect such other officers and assistant officers and designate their powers and duties as the Board shall find to be required to manage the affairs of the Association. One person may hold any two offices simultaneously, except when the functions of such offices are incompatible, but no person shall hold the office of President and any of the following offices simultaneously: Vice President, Secretary or Assistant Secretary.

7.2. The President shall be the chief executive officer of the Association. He or She shall have all of the powers and duties which are usually vested in the office of the President of an association or a corporation not for profit, including, but not limited to, the power to appoint such committees from among the Members at such times as he or she may, in his or her discretion, determine appropriate to assist in the conduct of the affairs of the Association. If in attendance, the President ("Chairman") shall preside at all meetings of the Board and the Members; provided, however, that the President may appoint a substitute. The President, or his delegate, shall serve as the Association's representative to the Master Association, for voting and attendance purposes at the Master Association meetings.

7.3. In the absence or disability of the President, the Vice President shall exercise the powers and perform the duties of the President. The Vice President shall also generally assist the President and exercise such other powers and perform such other duties as shall be prescribed by the Board.

7.4. The Secretary shall keep the minutes of all meetings of the Board and the

Members, which minutes shall be kept in a businesslike manner and be available for inspection by Members and Directors at all reasonable times. The Secretary shall have custody of the seal of the Association and affix the same to instruments requiring such seal when duly authorized and directed to do so. The Secretary shall be custodian for the corporate records of the Association, except those of the Treasurer, and shall perform all of the duties incident to the office of Secretary of the Association as may be required by the Board or the President. The Assistant Secretary, if any, shall perform the duties of the Secretary when the Secretary is absent and shall assist the Secretary under the supervision of the Secretary.

7.5. The Treasurer shall have custody of all of the monies of the Association, including funds, securities and evidences of indebtedness. The Treasurer shall keep the assessment rolls and accounts of the Members and shall keep the books of the Association in accordance with good accounting practices and he or she shall perform all of the duties incident to the office of the Treasurer. The Assistant Treasurer, if any, shall perform the duties of the Treasurer when the Treasurer is absent and shall assist the Treasurer under the supervision of the Treasurer.

7.6. The compensation, if any, of the officers and other employees of the Association shall be fixed by the Board. This provision shall not preclude the Board from hiring a Director as an employee of the Association or preclude contracting with a Director or a party affiliated with a Director for the management or performance of contract services for all or any part of the IslandWalk at the West Villages.

Section 8. Resignations

Any Director or officer may resign his or her post at any time by written resignation, delivered to the President or Secretary, which shall take effect upon its receipt unless a later date is specified in the resignation, in which event the resignation shall be effective from such date unless withdrawn. The acceptance of a resignation shall not be required to make it effective. The conveyance of all Homes owned by any Director or officer (other than appointees of Declarant) shall constitute a written resignation of such Director or officer.

Section 9. Accounting Records; Fiscal Management

9.1. The Association shall prepare financial reports and maintain accounting records in accordance with the HOA Act. The accounting records of the Association shall be open to inspection by Members and Institutional Mortgagees or their respective authorized representatives at reasonable times. Such authorization as a representative of a Member must be in writing and signed by the person giving the authorization and dated within sixty (60) days of the date of the inspection. Such records shall include, but not be limited to: (i) a record of all receipts and expenditures; (ii) an account for each Home within IslandWalk at the West Villages which shall designate the name and address of the Owner thereof, the amount of Individual Home Assessments, Neighborhood Assessments and all other Assessments, if any, charged to the Home, the amounts and due dates for payment of same, the amounts paid upon the account and the dates paid, and the balance due; (iii) any tax returns, financial statements and financial reports of the Association; and (iv) any other

records that identify, measure, record or communicate financial information.

9.2. The Board shall adopt a Budget (as defined and provided for in the Declaration) of the anticipated Community Expenses for each forthcoming calendar year (the fiscal year of the Association being the calendar year) at a special meeting of the Board ("Budget Meeting") called for that purpose to be held no later than the month of November of the year preceding the year to which the Budget applies. Prior to the Budget Meeting, a proposed Budget for the Community Expenses shall be prepared by or on behalf of the Board. Within thirty (30) days after adoption of the Budget, a copy thereof shall be furnished to each Member, upon request, and each Owner shall be given notice of the Individual Home Assessment and Neighborhood Assessment applicable to his or her Home(s). The copy of the Budget, if requested, shall be deemed furnished and the notice of the Individual Home Assessment shall be deemed given upon its delivery or upon its being mailed to the Owner shown on the records of the Association at his or her last known address as shown on the records of the Association.

9.3. In administering the finances of the Association, the following procedures shall govern: (i) the fiscal year shall be the calendar year; (ii) any monies received by the Association in any calendar year may be used by the Association to pay expenses incurred in the same calendar year; (iii) there shall be apportioned between calendar years on a *pro rata* basis any expenses which are prepaid in any one calendar year for Community Expenses which cover more than such calendar year; (iv) Assessments shall be made quarterly in advance in amounts no less than are required to provide funds in advance for payment of all of the anticipated current Community Expenses and for all unpaid Community Expenses previously incurred; and (v) items of Community Expenses incurred in a calendar year shall be charged against income for the same calendar year regardless of when the bill for such expenses is received. Notwithstanding the foregoing, the Assessments for Community Expenses and any periodic installments thereof shall be of sufficient magnitude to insure an adequacy and availability of cash to meet all budgeted expenses in any calendar year as such expenses are incurred in accordance with the cash basis method of accounting.

9.4. Individual Home Assessments and Neighborhood Assessments shall be payable as provided in the Declaration.

9.5. No Board shall be required to anticipate revenue from Assessments or expend funds to pay for Community Expenses not budgeted or which shall exceed budgeted items, and no Board is required to engage in deficit spending. Should there exist any deficiency which results from there being greater Community Expenses than monies from Assessments, then such deficits shall be carried into the next succeeding year's Budget as a deficiency or shall be the subject of a Special Assessment or an upward adjustment to the Individual Home Assessment or Neighborhood Assessment.

9.6. The depository of the Association shall be such bank or banks as shall be designated from time to time by the Board in which the monies of the Association shall be deposited. Withdrawal of monies from such account shall be only by checks signed by such persons as are authorized by the Board.

9.7. A report of the accounts of the Association shall be made in compliance with the financial reporting requirements set forth in Chapter 720, Florida Statutes.

Section 10. Rules and Regulations

The Board may at any meeting of the Board adopt rules and regulations or amend, modify or rescind then existing rules and regulations for the operation of IslandWalk at the West Villages; provided, however, that such rules and regulations are not inconsistent with the terms or provisions of the IslandWalk at the West Villages Documents. Copies of any rules and regulations promulgated, amended or rescinded shall be mailed or delivered to all Members at the last known address for such Members as shown on the records of the Association at the time of such delivery or mailing and shall not take effect until forty-eight (48) hours after such delivery or mailing, or, in the event both forms of notification are used, whichever is later. Notwithstanding the foregoing, when rules and regulations are to regulate the use of a specific portion of the Association Property, same shall be conspicuously posted at such facility and such rules and regulations shall be effective immediately upon such posting. Care shall be taken to insure that posted rules and regulations are conspicuously displayed and easily readable and that posted signs or announcements are designed with a view toward protection from weather and the elements. Posted rules and regulations which are torn down or lost shall be promptly replaced.

Section 11. Parliamentary Rules

The then latest edition of Robert's Rules of Order shall govern the conduct of all meetings of the Members and the Board; provided, however, if such rules of order are in conflict with any of the IslandWalk at the West Villages Documents, Robert's Rules of Order shall yield to the provisions of such instrument.

Section 12. Roster of Owners

Each Owner shall file with the Association a copy of the deed or other document showing his ownership interest in IslandWalk at the West Villages. The Association shall maintain such information. The Association may also maintain the electronic mailing addresses and numbers designated by Owners for receiving notices sent by electronic transmission of those Owners consenting to receive notice by electronic transmission. The electronic mailing address and numbers provided by Owners to receive notice by electronic transmission shall be removed from Association records when consent to receive notice by electronic transmission is revoked. The Association may rely on the accuracy of such information for all purposes until notified in writing of changes therein.

Section 13. Amendment of the Bylaws

13.1. These Bylaws may be amended as hereinafter set forth in this Section 13.

13.2. After the Turnover Date, any Bylaw of the Association may be amended or

repealed, and any new Bylaw of the Association may be adopted by either:

(i) a majority vote of the Members at any Annual Members' Meeting or any special meeting of the Members called for that purpose or by majority action of the Members who have acted by written response in lieu of a Meeting as permitted by these Bylaws; or

(ii) by the affirmative vote of a majority of the Directors then in office at any regular meeting of the Board or at any special meeting of the Board called for that purpose or by written instrument signed by all of the Directors as is permitted by these Bylaws, provided that the Directors shall not have any authority to adopt, amend or repeal any Bylaw if such new Bylaw or such amendment or the repeal of a Bylaw would be inconsistent with any Bylaw previously adopted by the Members.

13.3. Notwithstanding any of the foregoing provisions of this Section 13 to the contrary, until the Turnover Date, all amendments or modifications to these Bylaws and adoption or repeal of Bylaws shall only be made by action of the First Board as described in the Articles, which First Board shall have the power to amend, modify, adopt and repeal any Bylaws without the requirement of any consent, approval or vote of the Members.

13.4. Notwithstanding the foregoing provisions of this Section 13, there shall be no amendment to these Bylaws which shall abridge, amend or alter the rights of: (i) Declarant, without the prior written consent thereto by Declarant for so long as Declarant holds title to at least one (1) Home; or (ii) any Institutional Mortgagee without the prior written consent of such Institutional Mortgagee.

13.5. Any instrument amending, modifying, repealing or adding Bylaws shall identify the particular section or sections affected and give the exact language of such modification, amendment or addition or of the provisions repealed. A copy of each such amendment, modification, repeal or addition attested to by the Secretary or Assistant Secretary of the Association shall be recorded amongst the Public Records of the County.

Section 14. Mediation

Pursuant to the HOA Act, mandatory mediation before the Department of Business and Professional Regulation ("Department") shall be required prior to institution of court litigation for disputes involving certain actions or inactions, as described therein.

Section 15. Recall of Board Members and Election Disputes

Pursuant to the HOA Act, mandatory binding arbitration before the Department shall be required for election disputes and disputes involving the recall of any member of the Board. Any member of the Board may be recalled and removed from office as provided for and described in the HOA Act.

Section 16. Interpretation

In the case of any conflict between the Articles and these Bylaws, the Articles shall control; and in the case of any conflict between the Declaration and these Bylaws, the Declaration shall control; and in the event of any conflict between the Articles and the Declaration, the Declaration shall control.

PROJECT NAME: IslandWalk at the West Villages, Phase 1A

GRANTED TO: DiVosta Homes
6003 Honore Avenue, Unit 106
Sarasota, FL 34238

ABSTRACT: This permit authorizes the construction of a surface water management system comprised of a stormwater collection and conveyance system with required appurtenances and interconnected wet detention ponds with equalizer pipes for conveyance. The surface water management system will serve 192 residential units located south of U.S. 41 between Rockley Boulevard and River Road, North Port, Sarasota County. Stormwater runoff from the 98.8-acre project area, which includes 27.4 acres of impervious area, will be collected and conveyed to the wet detention ponds for the required treatment and attenuation with discharge to an existing drainage ditch. Information regarding the type and size of water quality treatment system, 100-year floodplain and wetlands is contained in the tables below and the permitted construction drawings for the project.

The permit number, title of report or information and event (for recurring report or information submittal) shall be identified on all information and reports submitted.
3. The Permittee shall retain the design engineer, or other professional engineer registered in Florida, to conduct on-site observations of construction and assist with the as-built certification requirements of this project. The Permittee shall inform the District in writing of the name, address and phone number of the professional engineer so employed. This information shall be submitted prior to construction.
4. Within 30 days after completion of construction of the permitted activity, the Permittee shall submit to the Sarasota Service Office a written statement of completion and certification by a registered professional engineer or other appropriate individual as authorized by law, utilizing the required Statement of Completion and Request for Transfer to Operation Entity form identified in Chapter 40D-1.659, F.A.C., and signed, dated and sealed as-built drawings. The as-built drawings shall identify any deviations from the approved construction drawings.
5. The District reserves the right, upon prior notice to the Permittee, to conduct on-site research to assess the pollutant removal efficiency of the surface water management system. The Permittee may be required to cooperate in this regard by allowing on-site access by District representatives, by allowing the installation and operation of testing and monitoring equipment, and by allowing other assistance measures as needed on site.
6. **WETLAND MITIGATION SUCCESS CRITERIA MITIGATION AREA M 1**
Mitigation is expected to offset adverse impacts to wetlands and other surface waters caused by regulated activities and to achieve viable, sustainable ecological and hydrological wetland functions. Wetlands constructed for restoration purposes will be considered successful and will be released from monitoring and reporting requirements when the following criteria are met continuously for a period of at least one year without intervention in the form of irrigation or the addition or removal of vegetation.
 - a. The restoration area can be reasonably expected to develop into a **Palustrine Emergent** wetlands as determined by the USFWS Classification of Wetlands and Deepwater Habitats of the United States.
 - b. Topography, water depth and water level fluctuation in the mitigation area are characteristic of the wetland/surface water type specified in criterion "a."
 - c. The dominant and subdominant species of desirable wetland plants comprising each vegetation zone and stratum shall be as follows:

Exhibit E

ZONE	STRATUM	PERCENT COVER	DOMINANT SPECIES	SUBDOMINANT SPECIES
1	Ground	80%	<i>Spartina bakeri</i>	<i>Panicum hemitomon</i>
2	Ground	80%	<i>Pontederia cordata</i>	<i>Panicum hemitomon</i> <i>Sagittaria Lancifolia</i>

¹ Plant species providing the same function as those listed may also be considered in determining success.

This criterion must be achieved within 3 years of initial monitoring. The Permittee shall complete any activities necessary to ensure the successful achievement of the mitigation requirements by the deadline specified. Any request for an extension of the deadline specified shall be accompanied with an explanation and submitted as a formal permit modification to the District for evaluation.

- d. Species composition of recruiting wetland vegetation are indicative of the wetland type specified in criterion "a."
- e. Coverage of nuisance or exotic vegetation does not exceed 10 percent.
- f. The wetland mitigation area can be determined to be a wetland or other surface water according to Chapter 62-340, F.A.C.

The mitigation area may be released from monitoring and reporting requirements and be deemed successful at any time during the monitoring period if the Permittee demonstrates that the conditions in the mitigation area have adequately replaced the wetland and surface water functions affected by the regulated activity and that the site conditions are sustainable.

- 7. The Permittee shall monitor and maintain the wetland mitigation areas until the criteria set forth in the Wetland Mitigation Success Criteria Conditions above are met. The Permittee shall perform corrective actions identified by the District if the District identifies a wetland mitigation deficiency.
- 8. The Permittee shall undertake required maintenance activities within the wetland mitigation areas as needed at any time between mitigation area construction and termination of monitoring, with the exception of the final year. Maintenance shall include the manual removal of all nuisance and exotic species, with sufficient frequency that their combined coverage at no time exceeds the Wetland Mitigation Success Criteria Conditions above. Herbicides shall not be used without the prior written approval of the District.
- 9. A Wetland Mitigation Completion Report shall be submitted to the District within 30 days of completing construction and planting of the wetland mitigation areas. Upon District inspection and approval of the mitigation areas, the monitoring program shall be initiated with the date of the District field inspection being the construction completion date of the mitigation areas. Monitoring events shall occur between March 1 and November 30 of each year. An Annual Wetland Monitoring Report shall be submitted upon the anniversary date of District approval to initiate monitoring.

Annual reports shall provide documentation that a sufficient number of maintenance inspection/activities were conducted to maintain the mitigation areas in compliance with the Wetland Mitigation Success Criteria Conditions above. Note that the performance of maintenance inspections and maintenance activities will normally need to be conducted more frequently than the collection of other monitoring data to maintain the mitigation areas in compliance with the Wetland Mitigation Success Criteria Conditions above.

Monitoring Data shall be collected annually.

10. Termination of monitoring for the wetland mitigation areas shall be coordinated with the District by:
- notifying the District in writing when the criteria set forth in the Wetland Mitigation Success Criteria Conditions have been achieved;
 - suspending all maintenance activities in the wetland mitigation areas including, but not limited to, irrigation and addition or removal of vegetation; and
 - submitting a monitoring report to the District one year following the written notification and suspension of maintenance activities.

Upon receipt of the monitoring report, the District will evaluate the wetland mitigation sites to determine if the Mitigation Success Criteria Conditions have been met and maintained. The District will notify the Permittee in writing of the evaluation results. The Permittee shall perform corrective actions for any portions of the wetland mitigation areas that fail to maintain the criteria set forth in the Wetland Mitigation Success Criteria Conditions.

11. Following the District's determination that the wetland mitigation has been successfully completed, the Permittee shall operate and maintain the wetland mitigation areas such that they remain in their current or intended condition for the life of the surface water management facility. The Permittee must perform corrective actions for any portions of the wetland mitigation areas where conditions no longer meet the criteria set forth in the Wetland Mitigation Success Criteria Conditions.
12. The following boundaries, as shown on the approved construction drawings, shall be clearly delineated on the site prior to initial clearing or grading activities:
- wetland preservation
 - wetland buffers
 - limits of approved wetland impacts

The delineation shall endure throughout the construction period and be readily discernible to construction and District personnel.

13. The following language shall be included as part of the deed restrictions for each lot:
- "No owner of property within the subdivision may construct or maintain any building, residence, or structure, or undertake or perform any activity in the wetlands, wetland mitigation areas, buffer areas, upland conservation areas and drainage easements described in the approved permit and recorded plat of the subdivision, unless prior approval is received from the Southwest Florida Water Management District, Sarasota Regulation Department."
14. Rights-of-way and easement locations necessary to construct, operate and maintain all facilities, which constitute the permitted surface water management system, shall be shown on the final plat recorded in the County Public Records. Documentation of this plat recording shall be submitted to the District with the Statement of Completion and Request for Transfer to Operation Entity Form, and prior to beneficial occupancy or use of the site. The plat shall include the locations and limits of the following:
- all wetlands
 - wetland buffers
15. Copies of the following documents in final form, as appropriate for the project, shall be submitted to the Sarasota Regulation Department Service Office:
- homeowners, property owners, master association or condominium association articles of incorporation, and

- b. declaration of protective covenants, deed restrictions or declaration of condominium.

The Permittee shall submit these documents either: (1) within 180 days after beginning construction or with the Statement of Completion and as-built construction plans if construction is completed prior to 180 days, or (2) prior to any lot or unit sales within the project served by the surface water management system, whichever occurs first.

16. The following language shall be included as part of the deed restrictions for each lot:

"Each property owner within the subdivision at the time of construction of a building, residence, or structure shall comply with the construction plans for the surface water management system approved and on file with the Southwest Florida Water Management District (SWFWMD)."

17. The operation and maintenance entity shall submit inspection reports in the form required by the District, in accordance with the following schedule.

For systems utilizing retention or wet detention, the inspections shall be performed two (2) years after operation is authorized and every two (2) years thereafter.

18. The removal of littoral shelf vegetation (including cattails) from wet detention ponds is prohibited unless otherwise approved by the District. Removal includes dredging, the application of herbicide, cutting, and the introduction of grass carp. Any questions regarding authorized activities within the wet detention ponds shall be addressed to the District's Surface Water Regulation Manager, Sarasota Service Office.

19. This permit is issued based upon the design prepared by the Permittee's consultant. If at any time it is determined by the District that the Conditions for Issuance of Permits in Rules 40D-4.301 and 40D-4.302, F.A.C., have not been met, upon written notice by the District, the Permittee shall obtain a permit modification and perform any construction necessary thereunder to correct any deficiencies in the system design or construction to meet District rule criteria. The Permittee is advised that the correction of deficiencies may require re-construction of the surface water management system and/or mitigation areas.

GENERAL CONDITIONS

1. The general conditions attached hereto as Exhibit "A" are hereby incorporated into this permit by reference and the Permittee shall comply with them.

EXHIBIT "A"

1. All activities shall be implemented as set forth in the plans, specifications and performance criteria as approved by this permit. Any deviation from the permitted activity and the conditions for undertaking that activity shall constitute a violation of this permit.
2. This permit or a copy thereof, complete with all conditions, attachments, exhibits, and modifications, shall be kept at the work site of the permitted activity. The complete permit shall be available for review at the work site upon request by District staff. The permittee shall require the contractor to review the complete permit prior to commencement of the activity authorized by this permit.
3. For general permits authorizing incidental site activities, the following limiting general conditions shall also apply:
 - a. If the decision to issue the associated individual permit is not final within 90 days of issuance of the incidental site activities permit, the site must be restored by the permittee within 90 days after notification by the District. Restoration must be completed by re-contouring the disturbed site to previous grades and slopes re-establishing and maintaining suitable vegetation and erosion control to provide stabilized hydraulic conditions. The period for completing restoration may be extended if requested by the permittee and determined by the District to be warranted due to adverse weather conditions or other good cause. In addition, the permittee shall institute stabilization measures for erosion and sediment control as soon as practicable, but in no case more than 7 days after notification by the District.
 - b. The incidental site activities are commenced at the permittee's own risk. The Governing Board will not consider the monetary costs associated with the incidental site activities or any potential restoration costs in making its decision to approve or deny the individual environmental resource permit application. Issuance of this permit shall not in any way be construed as commitment to issue the associated individual environmental resource permit.
4. Activities approved by this permit shall be conducted in a manner which does not cause violations of state water quality standards. The permittee shall implement best management practices for erosion and a pollution control to prevent violation of state water quality standards. Temporary erosion control shall be implemented prior to and during construction, and permanent control measures shall be completed within 7 days of any construction activity. Turbidity barriers shall be installed and maintained at all locations where the possibility of transferring suspended solids into the receiving waterbody exists due to the permitted work. Turbidity barriers shall remain in place at all locations until construction is completed and soils are stabilized and vegetation has been established. Thereafter the permittee shall be responsible for the removal of the barriers. The permittee shall correct any erosion or shoaling that causes adverse impacts to the water resources.
5. Water quality data for the water discharged from the permittee's property or into the surface waters of the state shall be submitted to the District as required by the permit. Analyses shall be performed according to procedures outlined in the current edition of Standard Methods for the Examination of Water and Wastewater by the American Public Health Association or Methods for Chemical Analyses of Water and Wastes by the U.S. Environmental Protection Agency. If water quality data are required, the permittee shall provide data as required on volumes of water discharged, including total volume discharged during the days of sampling and total monthly volume discharged from the property or into surface waters of the state.

6. District staff must be notified in advance of any proposed construction dewatering. If the dewatering activity is likely to result in offsite discharge or sediment transport into wetlands or surface waters, a written dewatering plan must either have been submitted and approved with the permit application or submitted to the District as a permit prior to the dewatering event as a permit modification. A water use permit may be required prior to any use exceeding the thresholds in Chapter 40D-2, F.A.C.
7. Stabilization measures shall be initiated for erosion and sediment control on disturbed areas as soon as practicable in portions of the site where construction activities have temporarily or permanently ceased, but in no case more than 7 days after the construction activity in that portion of the site has temporarily or permanently ceased.
8. Off-site discharges during construction and development shall be made only through the facilities authorized by this permit. Water discharged from the project shall be through structures having a mechanism suitable for regulating upstream stages. Stages may be subject to operating schedules satisfactory to the District.
9. The permittee shall complete construction of all aspects of the surface water management system, including wetland compensation (grading, mulching, planting), water quality treatment features, and discharge control facilities prior to beneficial occupancy or use of the development being served by this system.
10. The following shall be properly abandoned and/or removed in accordance with the applicable regulations:
 - a. Any existing wells in the path of construction shall be properly plugged and abandoned by a licensed well contractor.
 - b. Any existing septic tanks on site shall be abandoned at the beginning of construction.
 - c. Any existing fuel storage tanks and fuel pumps shall be removed at the beginning of construction.
11. All surface water management systems shall be operated to conserve water in order to maintain environmental quality and resource protection; to increase the efficiency of transport, application and use; to decrease waste; to minimize unnatural runoff from the property and to minimize dewatering of offsite property.
12. At least 48 hours prior to commencement of activity authorized by this permit, the permittee shall submit to the District a written notification of commencement indicating the actual start date and the expected completion date.
13. Each phase or independent portion of the permitted system must be completed in accordance with the permitted plans and permit conditions prior to the occupation of the site or operation of site infrastructure located within the area served by that portion or phase of the system. Each phase or independent portion of the system must be completed in accordance with the permitted plans and permit conditions prior to transfer of responsibility for operation and maintenance of that phase or portion of the system to a local government or other responsible entity.
14. Within 30 days after completion of construction of the permitted activity, the permittee shall submit a written statement of completion and certification by a registered professional engineer or other appropriate individual as authorized by law, utilizing the required Statement of Completion and Request for Transfer to Operation Entity form identified in Chapter 40D-1, F.A.C. Additionally, if deviation from the approved drawings are discovered during the certification process the certification must be accompanied by a copy of the approved permit drawings with deviations noted.

15. This permit is valid only for the specific processes, operations and designs indicated on the approved drawings or exhibits submitted in support of the permit application. Any substantial deviation from the approved drawings, exhibits, specifications or permit conditions, including construction within the total land area but outside the approved project area(s), may constitute grounds for revocation or enforcement action by the District, unless a modification has been applied for and approved. Examples of substantial deviations include excavation of ponds, ditches or sump areas deeper than shown on the approved plans.
16. The operation phase of this permit shall not become effective until the permittee has complied with the requirements of the conditions herein, the District determines the system to be in compliance with the permitted plans, and the entity approved by the District accepts responsibility for operation and maintenance of the system. The permit may not be transferred to the operation and maintenance entity approved by the District until the operation phase of the permit becomes effective. Following inspection and approval of the permitted system by the District, the permittee shall request transfer of the permit to the responsible operation and maintenance entity approved by the District, if different from the permittee. Until a transfer is approved by the District, the permittee shall be liable for compliance with the terms of the permit.
17. Should any other regulatory agency require changes to the permitted system, the District shall be notified of the changes prior to implementation so that a determination can be made whether a permit modification is required.
18. This permit does not eliminate the necessity to obtain any required federal, state, local and special District authorizations including a determination of the proposed activities' compliance with the applicable comprehensive plan prior to the start of any activity approved by this permit.
19. This permit does not convey to the permittee or create in the permittee any property right, or any interest in real property, nor does it authorize any entrance upon or activities on property which is not owned or controlled by the permittee, or convey any rights or privileges other than those specified in the permit and Chapter 40D-4 or Chapter 40D-40, F.A.C.
20. The permittee shall hold and save the District harmless from any and all damages, claims, or liabilities which may arise by reason of the activities authorized by the permit or any use of the permitted system.
21. Any delineation of the extent of a wetland or other surface water submitted as part of the permit application, including plans or other supporting documentation, shall not be considered binding unless a specific condition of this permit or a formal determination under section 373.421(2), F.S., provides otherwise.
22. The permittee shall notify the District in writing within 30 days of any sale, conveyance, or other transfer of ownership or control of the permitted system or the real property at which the permitted system is located. All transfers of ownership or transfers of a permit are subject to the requirements of Rule 40D-4.351, F.A.C. The permittee transferring the permit shall remain liable for any corrective actions that may be required as a result of any permit violations prior to such sale, conveyance or other transfer.
23. Upon reasonable notice to the permittee, District authorized staff with proper identification shall have permission to enter, inspect, sample and test the system to insure conformity with District rules, regulations and conditions of the permits.
24. If historical or archaeological artifacts are discovered at any time on the project site, the permittee shall immediately notify the District and the Florida Department of State, Division of Historical Resources.
25. The permittee shall immediately notify the District in writing of any previously submitted information that is later discovered to be inaccurate.
