Please rate your overall experience at this showing. Please rate this listing (5=Best; 1=Worst): COMMENTS/RECOMMENDATIONS:		Excellent 4 First, I would like to say how sorry I am that that happened. When we originally walked in, the homeowners were there and both Penny (my client) and the others agreed they shouldn't leave. (It looked like rain and they were happy to have them there) They then got into a discussion about the area and neighborhood and the fact that they finally got WiFi 📶. My buyers lived in their same neighborhood up until 4 years ago...we looked at their home, went outside to walk in the yard...had another discussion with the owners on the screened in porch, then walked to out cars...we never went back in and I forget that we used the key to initially get in...I'M SO SORRY!!! It was a complete oversight because they were there! I have never done that before imand I feel awful...

Is your client interested in writing an offer on this listing? Please rate your overall experience at this showing. Your (and your client's) opinion of the price: Please rate this listing (5=Best; 1=Worst): COMMENTS/RECOMMENDATIONS:		Not interested Excellent 4 Such a beautiful setting and home! Unfortunately, with one toddler and another on the way, this floor plan doesn't feel like the right fit for this phase of our clients' life. Thank you for letting me show the home. Kristin
