

CLIENT TESTIMONIAL

September 25, 2013

Hal Sweasey and The Sweasey team did a tremendous job selling our home. There were some complications (existing tenants, etc.) which were sticky wickets but he handled them with tact and professionalism. Staying in contact with us - answering questions, returning calls, etc. rates a 10 !!! Very unusual in our previous experience.

All in all, we would not hesitate to recommend his organization to anyone who is looking for friendly, experienced, efficient and honest representation !!
