Proven results. Happy Clients.

Listen to our clients tell you what it's like
to work with us - in their own words.

"made the whole process **so easy and stress-free.**"

"**supportive and trustworthy**, provides sound guidance, and walks you through the process step by step."

"**went the extra mile** to ensure I was happy and that I found the absolute best house possible for my personal tastes and budget."

"**knowledgeable, driven, and passionate** - all qualities you would want in an agent."

"**learned so much...made everything fun and seamless** and ensured every detail was just right so the house we bought felt like home."

"From the beginning, Christie and her partner Samira helped us narrow in on what we liked and didn't, as well as what was available in our price range. She ensured we knew how to craft the best possible offer, which in turn **got our first offer accepted**. Then she helped us get quotes together for the various trades needed, which we used to negotiate AND come prepared to start work as soon as we closed."

*Compiled from our Zillow reviews

"Over the past year, we looked at homes in 3 different counties (which meant we worked with 3 different realtor groups), and **Christie & Samira blew every other realtor team out of the water by a LONG SHOT!** At every showing, it was clear they knew the LA network deeply - they knew most of the sellers' agents by name and walked into every showing with a "we can win this" attitude."

"so patient and knowledgeable and **guided us through the whole process step by step.**"

Let's discuss your real estate goals.
