

Time To File For Your Homestead Exemption

Have you purchased a home recently?

Total Atlanta Group would like to remind you to file your homestead exemption before your local county deadline. For additional information and all required documents please reference the chart below or contact your local county appraisal's office. If you received a homestead exemption last year and still own and occupy that residence with the intention of making it your permanent home, your exemption application will be renewed automatically.

County	Deadline	Number	Web Address
Fulton	April 1st	404-612-6440	http://www.qpublic.net/ga/fulton/programs.html
