# WHAT IS A HOME APPRAISAL?

A home appraisal is a process where an objective expert thoroughly assesses a home that is up for sale. The two goals are to check the quality of the home and assess its value.

## Home appraisal impact:

### BUYERS

A home appraisal ensures that you're paying what a house is really worth.

### SELLERS

A home appraisal may change what you can sell your home for or spark a renegotiation of terms.

**Home appraisals are done by an objective and impartial professional. Most commonly, a lender will oversee this process and use a third-party appraisal management company.**

**DID YOU KNOW?** The standards for home appraisals are actually set by congress through the Uniform Standards of Professional Appraisal Practice.

## HOW TO PREPARE FOR A HOME APPRAISAL?

Here are a few ways sellers and buyers should prepare for a home appraisal.

### SELLER PREP

- ✓ Clean the home
- ✓ Conduct basic repairs and painting
- ✓ Be off-premises when the appraisal is being conducted
- ✓ Have all relevant docs on hand, including permits if you've renovated

### BUYER PREP

Discuss with your REALTOR® and other stakeholders:

- ❓ What will you do if the home appraises under listing price?
- ❓ What will you do if the home appraises over asking price?

**DID YOU KNOW?** You can order a pre-listing appraisal? This may lock in your sale price and expedite things down the road.

**DID YOU KNOW?** A buyer is not committed to paying the appraised value of a home for sale. It will change the logistics of your financing.

## TIPS FOR HOME APPRAISALS

As a buyer or seller, going into a home appraisal with the right expectations is valuable.

- 1 UNDERSTAND WHAT FEATURES CAN CHANGE THE HOME VALUE**  
For instance, a home appraiser will take square footage, utilities, renovations and even the age of home into account before making their declaration.
- 2 KNOW THE VALUE OF SIMILAR HOMES**  
This should come into play whether you are listing or looking. Comps factor into a home appraisal.
- 3 IT WILL TAKE AT LEAST A WEEK**  
The availability of people, permits and more could impact the turnaround time for a home appraisal.
- 4 KNOW YOUR OPTIONS**  
Home appraisals may come in higher or lower than listing price. You should discuss your options with your REALTOR® to know what your negotiation and price difference options are.
- 5 ORDERING INDEPENDENT APPRAISALS**  
Not happy with the results? Question the outcome of an appraisal? Buyers or sellers can ask for a reevaluation of an appraisal or order an independent appraisal.
