Great experience. Jeff's team were always available to answer questions or concerns. The home sold the first weekend which made all parties involved extremely happy. The new owners were able to settle in quickly and the children started school on the first day. I moved to Texas with no worries. The photographer took amazing photographs of my home. The home selling process was easy and home showing were set to my schedule. Was amazing...

-Mel

Waited a year + with another realtor **Jeff put my condo on the market 10/4/18 and it sold 10/12/18.** I had all trust in him and his team. They have a great response rate. Prompt and on time. I will list with his team again and I have given his name to others that are looking to buy or sell.

#### -Brandon

Jeff was very professional in the initial meeting, having much knowledge and expertise. Being located a 3 hour drive away, was not a problem for communication and responsiveness. A video conference worked well in the initial set up. His manager, Ryan, saw us through all the process, which was complicated in our case. **He was always open to our needs and requests. We attained very near asking price. Thank you Tricoli team.**

White Chocolate Raspberry Cheesecake

#### Ingredients

- 1 cup chocolate cookie crumbs 3 tablespoons white sugar
- 1/4 cup butter, melted
- 1 (10 ounce) package frozen raspberries cream cheese, softened
- 2 tablespoons white sugar
- 2 teaspoons cornstarch
- 1/2 cup water

2 cups white chocolate chips 1/2 cup half-and-half cream 3 (8 ounce) packages cream cheese, softened 1/2 cup white sugar 3 eggs 1 teaspoon vanilla extract

#### Directions

1. In a medium bowl, mix together cookie crumbs, 3 tablespoons sugar, and melted butter. Press mixture into the bottom of a 9 inch springform pan.

2. In a saucepan, combine raspberries, 2 tablespoons sugar, cornstarch, and water. Bring to boil, and continue boiling 5 minutes, or until sauce is thick. Strain sauce through a mesh strainer to remove seeds.

3. Preheat oven to 325 degrees F (165 degrees C). In a metal bowl over a pan of simmering water, melt white chocolate chips with half-and-half, stirring occasionally until smooth.

4. In a large bowl, mix together cream cheese and 1/2 cup sugar until smooth. Beat in eggs one at a time. Blend in vanilla and melted white chocolate. Pour half of batter over crust. Spoon 3 tablespoons raspberry sauce over batter. Pour remaining cheesecake batter into pan, and again spoon 3 tablespoons raspberry sauce over the top. Swirl batter with the tip of a knife to create a marbled effect.

5. Bake for 55 to 60 minutes, or until filling is set. Cool, over with plastic wrap, and refrigerate for 8 hours before removing from pan. Serve with remaining raspberry sauce.

History of Valentine's Day

The month of February has long been celebrated as a month of romance. Every year on February 14th in the US and in many other places around the world, candy and flowers are exchanged between loved ones celebrating Valentine's Day. The history of Valentine's Day and its patron saint St. Valentine remain somewhat of a mystery to most. St. Valentine's Day has routes that go back to both Christian and ancient Roman traditions. But who was Saint Valentine, and how did he become associated with this holiday of love?

The Catholic Church recognizes several different saints named Valentine or Valentinus. One Catholic theory explains that Valentine was a priest who served during the third century in Rome. When the emperor decided that single men made better soldiers than those with wives he outlawed marriage for young men. Valentine, the priest, thought it was a great injustice and continued performing marriages for young lovers in secret. The emperor discovered Valentine's actions and ordered that he be put to death.

Other legends suggest that Valentine may have been killed for attempting to help Christians escape harsh Roman prisons.

According to another story, a prisoner named Valentine actually sent the first "valentine" when he fell in love with a jailor's daughter who visited him during his encarcerasion. Valentine was ordered to be put to death but before his death legend states he wrote thej ailor's daughter a letter signed "From your Valentine." This expression is still used today. Although the truth about the Valentine legends remain a bit of a mystery all of the stories and legends emphasize Valentine's appeal as a sympathetic, heroic and romantic figure.

Valentine Day greetings have been traced back as far as the Middle Ages, though written Valentine's didn't begin to appear until after 1400. The oldest known valentine still in existence today was a poem written in 1415 by Charles, Duke of Orleans, to his wife while he was imprisoned in the Tower of London. Americans probably began exchanging Valetines in the early 1700s. Today is estimated that 1 billion Valentine's Day cards are sent each year. That makes Valentine's Day the second largest card sending holiday of the year (Christmas being the largest). Valentine's Day is not only celebrated in the United States, it is celebrated in Canada, Mexico, the UK, Australia and France.
