CLIENT TESTIMONIALS

After a year of searching for a home with no luck, I am so glad we found the Tricoli team. We were able to find a home that we love and get our offer accepted in just a few weeks. Our agent was very responsive and always a step ahead. The entire team made the home buying process so easy and seamless. I definitely recommend the Tricoli team and I wish I had found them sooner.

- alyssa2814

Liz Bell along with the entire Tricoli team made selling my home from out of state a breeze. Actually, this sale was my deceased mother's home that was in probate and had liens, so you can only imagine all of the laws and legalese involved. They were very knowledgeable and responsive to all my questions and concerns. In fact, you are never left wondering the current status of negotiations, next steps of the process and all of my expectations were managed with specific and clear language that made the entire process a Florida breeze. OK, so everything mentioned so far is about their knowledge, expertise in intricate and confusing probate sales, but I haven't mentioned their strength in negotiating in getting top dollar. My mother's home was sold in two days at above asking price! I could go on, but be assured you will be very pleased with the Tricoli Team!

MOJO TURKEY

INGREDIENTS Yield: 10 to 12 servings

- 1 12 to 14 pound turkey, giblets and neck removed
- 2 heads of garlic, peeled and chopped
- 2 tablespoons ground cumin
- 2 tablespoons kosher salt, plus more to taste
- 2 tablespoons black pepper, plus more to taste
- 2 cups sour orange juice, or 1 cup fresh orange juice and 1 cup fresh lime juice
- ¼ cup extra-virgin olive oil
- ¼ cup fresh oregano leaves, roughly chopped
- 1 orange, cut into quarters
- 1 lime, cut into quarters
- 1 small yellow onion, peeled and cut into quarters

DIRECTIONS

Step 1

Rinse turkey well in cold water and pat very dry with paper towels.

Step 2

Make the marinade: Combine garlic, cumin, salt and pepper in a large mixing bowl and mash the mixture together with the back of a kitchen spoon to make a kind of paste. Stir sour orange juice (or orange and lime juices) and oil into the paste and whisk to combine. Add oregano leaves and mix again. Reserve ½ cup of marinade and put aside.

Step 3

Put turkey in a roasting pan that can fit in the refrigerator and cover with remaining marinade, making sure to get a lot of it into the turkey's open cavity. Cover and refrigerate overnight, or for at least a few hours. Baste a few times with marinade.

Step 4

When ready to cook, heat oven to 450 degrees. Remove turkey from marinade and place on a clean cutting board. Discard marinade and clean roasting pan well. Return turkey to roasting pan, tuck the tips of the wings under the bird and shower it with salt and pepper. Place orange, lime and onion quarters in the turkey's cavity, then truss its legs together with cotton string. Roast turkey, uncovered, in the oven for 30 minutes.

Step 5

Reduce oven heat to 325 degrees. Baste turkey with pan juices, and add remaining marinade to the pan. Continue roasting turkey, basting every 30 minutes and tenting it with foil if the skin is turning too dark, until an instant-read thermometer inserted into the thickest part of the thigh without touching bone registers 165 degrees, approximately 2 hours 45 minutes to 3 hours more. Transfer to a cutting board or platter and allow to rest at least 30 minutes before carving.
