CLIENT TESTIMONIALS

After a year of searching for a home with no luck, I am so glad we found the Tricoli team. We were able to find a home that we love and get our offer accepted in just a few weeks. Our agent was very responsive and always a step ahead. The entire team made the home buying process so easy and seamless. I definitely recommend the Tricoli team and I wish I had found them sooner.

The Tricoli team made selling my property tremendously easy. They were very professional right from the beginning. The online photos were terrific and it brought many offers for the house. Nicole from their office was amazing as she answered every question I had promptly and professionally. I would not hesitate to use their office in the future.

- Tmkraider2

Liz Bell along with the entire Tricoli team made selling my home from out of state a breeze. Actually, this sale was my deceased mother's home that was in probate and had liens, so you can only imagine all of the laws and legalese involved. They were very knowledgeable and responsive to all my questions and concerns. In fact, you are never left wondering the current status of negotiations, next steps of the process and all of my expectations were managed with specific and clear language that made the entire process a Florida breeze. OK, so everything mentioned so far is about their knowledge, expertise in intricate and confusing probate sales, but I haven't mentioned their strength in negotiating in getting top dollar. My mother's home was sold in two days at above asking price! I could go on, but be assured you will be very pleased with the Tricoli Team!

We are so glad we picked the Tricoli team to sell our house. From the first meeting with Jeff we could tell we picked the best. Their photographer made our home look so good we almost changed our minds. They know how to market a home and got us lots of showings and even better lots of offers. We ended up with more than we ever expected. And a special shout out to Nicole for putting up with all our questions. She was there whenever we called and if she did not know the answer she got it for us. We would recommend using Jeff and the Tricoli team for all of your real estate needs. I would like to add the main reason we picked the Tricoli team in the first place. About 10 years ago while on the internet I saw a Facebook add to find your home value. All you had to do was fill out a form. An hour after filling it out I called a call my husband telling me Jeff stopped by our house. Not that's was I call an aggressive sales person and as I was also in sales I decided that day Jeff would sell my house when I was ready.
