CLIENT TESTIMONIALS

After a year of searching for a home with no luck, I am so glad we found the Tricoli team. We were able to find a home that we love and get our offer accepted in just a few weeks. Our agent was very responsive and always a step ahead. The entire team made the home buying process so easy and seamless. I definitely recommend the Tricoli team and I wish I had found them sooner.

- alyssa2814

Liz Bell along with the entire Tricoli team made selling my home from out of state a breeze. Actually, this sale was my deceased mother's home that was in probate and had liens, so you can only imagine all of the laws and legalese involved. They were very knowledgeable and responsive to all my questions and concerns. In fact, you are never left wondering the current status of negotiations, next steps of the process and all of my expectations were managed with specific and clear language that made the entire process a Florida breeze. OK, so everything mentioned so far is about their knowledge, expertise in intricate and confusing probate sales, but I haven't mentioned their strength in negotiating in getting top dollar. My mother's home was sold in two days at above asking price! I could go on, but be assured you will be very pleased with the Tricoli Team!
