MOUNTAIN CONTEMPORARY IN THE HEART OF OLD TOWN

333 Main Street #31 | The Parkite | Park City

**2 beds | 3 baths | 1,761 sq ft**

Now is your chance to own a stunning, mountain contemporary condominium in the heart of America's favorite ski town. The Parkite, located on Historic Main Street in Park City, means residents are right in the middle of everything this quaint ski-town has to offer: world-class mountain recreation, award-winning restaurants, art galleries, bars and more. The Parkite maintains a full-time concierge, state-of-the-art secured parking, a private rooftop deck to entertain and take in the views, and fitness and spa facilities.

The home itself is as impressive as its setting. The open concept great room takes in the views and opens to a large heated deck with a hot tub. The kitchen is an entertainer's dream with a 5-burner gas range, a full suite of professional appliances, and stunning white quartz countertops with a waterfall edge island that seats four. The great room fireplace is the perfect place to cozy up after a day of hitting the slopes.

The master suite offers clean, modern finishes, another gas fireplace, a private balcony, and a large bath with a free-standing soaker tub. A second bedroom suite and two additional baths round out this mountain contemporary home. Don't miss perfectly located home in the heart of Old Town.
