Remodeled Miner's Cabin with Development Potential

1439 Woodside Avenue | Old Town

2 bed | 1 bath | 1,006 sq ft | .09 acres

This remodeled miner's cabin sits in the heart of Old Town just one block from the Park City Resort. The current 2BR/1BA 1003 sq. ft. home sits on a little over two extra-wide Old Town lots, affording space for significant expansion. The 2015 remodel included granite countertops, custom cabinetry, and stainless steel appliances as well as new tile flooring in the kitchen and bathroom and wood flooring in all living areas. This property provides unbelievable access to Main Street's shopping and dining and the Old Town ski lift, making it a great rental property, primary home, or investment opportunity.
