Monte Rosa is an exquisite mountain legacy estate on 50+ private acres in Utah's famed Wasatch Mountains. Perched high above the quaint town of Midway, Utah, the panoramic views of the valley below are unmatched in Wasatch County. The estate is surrounded by thousands of acres of parks and public land, all of which can be privately accessed from Monte Rosa. The home itself is as impressive as the views which can be enjoyed from a variety of outdoor settings: the large entertaining deck off the main level great room and master suite, lower level patio, and an indoor pool that opens to the outdoor kitchen and expansive patio, dining, and firepit area. Inside the 9,430 sq ft home, the great room takes in the abundant views and sunlight through large windows with a vaulted ceiling and full height stone fireplace, complimented by beautiful woodwork throughout.

The chef's kitchen accommodates seating for five at the bar top and features a 6-burner gas stove, and high-end appliances and fixtures. The main level Master Suite has access to the views and deck, with a luxurious en suite and walk-in closet. The main level also has an additional guest suite, laundry room, and indoor pool and hot tub that opens to an outdoor kitchen and dining area and firepit. The lower level family room features another fireplace, a large theater area, a snack/wet bar, and walks out to a large view-filled covered patio. A double office, two guest bedrooms, a full bathroom, and a gym complete the lower level. The upper level offers a sitting room with a gas fireplace, two additional bedrooms, a full bath, and a second laundry room.
