Water Testing

In order to comply with Maryland law, as of March 1st, 2016 we have confirmed that the vendors in this directory with a license # are licensed in the state of Maryland. Vendors who do not have a license # listed may be licensed in a state other than Maryland or may not require a license for their field of work. Just because a vendor does not have a license # listed, does not mean they are not licensed, only that we were unable to locate the license online. To look up license status in Maryland please visit: <https://www.dllr.state.md.us/pq/>
